On June 24, 2026, your organization, GUERINI CONSTRUCTION AND ASSEMBLY LLC (petitioner or petitioning organization), filed a Petition for a Nonimmigrant Worker (Form I-129) with U.S. Citizenship and Immigration Services (USCIS), seeking to classify WAGNER SARAIVA GUERINI (beneficiary) as a nonimmigrant intracompany transferee (L-1A).

Documentation submitted with your petition indicates that your organization provides Residential Development and Construction. Your organization seeks to employ the beneficiary as a Chief Executive Officer from July 27, 2026 to July 26, 2027.

The L-1 classification may be granted to an individual who, within three years preceding the time of his or her application for admission into the United States:

- Has been employed abroad continuously for one year by a firm, corporation, or other legal entity or parent, branch, affiliate, or subsidiary;
- Seeks to enter the United States temporarily to render services to a branch of the same employer, or a parent, affiliate, or subsidiary; and
- Will work in a capacity that is managerial or executive, or involves specialized knowledge.

To process your petition and determine if your organization and the beneficiary are eligible, additional information is required. This request provides suggested evidence that your organization may submit to satisfy each of the eligibility criteria described below. Your organization may:

- Submit one, some, or all of these items.
- Submit none of the suggested items and instead submit other evidence to satisfy the request.
- Explain how the evidence in the record already establishes eligibility.
- Request a decision based on the record.

Please note that, as the petitioner, your organization is responsible for providing evidence which shows your organization and the beneficiary meet all requirements and are eligible for the requested benefit at the time your organization filed the Form I-129 by a preponderance of the evidence.

Please do not include copies of documentation previously submitted with your response.

USCIS checks all petitions filed for this classification in its Validation Instrument for Business Enterprises (VIBE) system. VIBE uses commercially available data to validate basic information about organizations petitioning to employ foreign workers. For more information about this program, please visit the USCIS website at www.uscis.gov/VIBE.

Your organization may still submit evidence to satisfy this requirement. Evidence may include, but is not limited to one or more of the following or similar types of evidence, as applicable:

- A complete copy of the U.S. entity's lease, signed and dated by both the lessor and the lessee, indicating the total square footage of the premises, including all office, production, manufacturing, and warehouse spaces.

On the attorney letter you indicated your real property address is 3412 Curry ford Road, Orlando, Florida. On Articles of Organization and your business plan, you indicated your business address is 14199 Lanikai Beach Dr. Orlando, FL. 32827 These are four different business addresses for Guerini Construction & Assembly LLC. Please explain these inconsistent addresses and explain in detail where your physical business address is located.

Managerial or Executive Position Abroad. Your organization must show that the beneficiary was employed in an executive or managerial capacity for one continuous year in the three year period before the time of his or her application for admission to the United States.

To satisfy this requirement, your organization submitted:

The evidence your organization submitted is insufficient. You indicate the beneficiary was employed at Guerini Maritima Construcao e Montagem Ltda in Professor Jamil, Brazil as a Chief Executive Officer since July 27, 2006. You provided a description of the beneficiary's job duties. You submitted foreign organizational chart, on the foreign organizational chart the Beneficiary has three professional college/university degree holding subordinates, Camilla Camponogara, Cristiano Miranda, and Paulo Nolasco. However, you have not submitted the direct reports' degrees. You submitted employees payroll records. However, Camilla Camponogara, Cristiano Miranda, and Paulo Nolasco pay records

When reviewing the evidence on record, you have not submitted evidence pertaining to the beneficiary's subordinates in Professor Jamil, Brazil, such as their degrees, payroll records, performance appraisal reviews, emails communication, and evidence of the beneficiary's authority to exercise discretionary decisions to demonstrate that the beneficiary has been working at the executive level position. Without detailed documentation regarding the subordinate positions, USCIS cannot determine whether the beneficiary works in a position that is higher than a supervisor of non-professional employees.

Your organization may still submit evidence to satisfy this requirement. Evidence may include, but is not limited to:

- Copies of the beneficiary's training, pay, or other personnel records.
- An organizational chart or diagram, showing the foreign entity's organizational structure and staffing levels. Clearly identify the beneficiary's position in the chart.

- Business Plan of Guerini Construction & Assembly LLC.;
- Guerini Construction & Assembly LLC Bank of America account summary information;
- Guerini Maritima Construcao e Montagem Ltda balance sheet;
- Guerini Maritima Construcao e Montagem Ltda bank statements; and
- Startup Requirements Table and Chart.

The evidence your organization submitted is insufficient. On page 4 and page 15 of your Business

Plan the Startup Requirements Table and Chart indicate the total start up requirement to get your business going is $2,000,0000. You have not provided how much you have in The Guerini Construction & Assembly LLC Bank of America account summary information at the time of filing your Form I-129. The Startup Requirements Table and Chart also indicate the cash required is $500,000. You have not provide Guerini Construction & Assembly LLC bank statement to demonstrate the deposit or wire transfer of $500,000 at the time of filing your Form I-129. The evidence submitted does not demonstrate the U.S. investment of $2,000,000 at the time of filing. At the time of filing you do not have the financial ability to pay the beneficiary and start the business. You have not demonstrated the size of the United States investment and the financial ability of the foreign entity to remunerate the beneficiary and to commence doing business in the United States.

Furthermore, please explain in detail how did you got the Letter of Determination for Administrative Master Plan for MOM 3412 Curry Ford 6-Unit Townhome, Orlando, FL (Parcel ID# 05-23-30-1828-02-030) MPL2025-10031 from City of Orlando on September 24, 2025, when Guerini Construction & Assembly LLC. did not came in existence until April 2, 2026.
