Late submissions will not be considered. Include all requested evidence and information in one complete package. If you send only part of the requested evidence, USCIS will review only what you provide. Use the enclosed cover sheet as the first page of your submission. **Save copies of all documents you send to USCIS.**

If your case receipt number starts with "IOE" (e.g., IOE9988888888), you can upload your documents online at https://myaccount.uscis.gov. ATTACHMENT
REQUEST FOR EVIDENCE

Please provide the following evidence and/or information by **October 19, 2026**.

Original Document(s)

You submitted a photocopy of birth certificate for Caio Ferreira Lima Form Petition for Alien Relative. However, the photocopy is not sufficient to support your claim for the benefit you are seeking.

USCIS may ask you to submit an original document for review at any time. Once we no longer need the original document, it will be returned to you after your case is decided. If you do not receive your original document within a reasonable time after your case is completed, you may request its return by following USCIS instructions. See 8CFR 102.2b(5).

What You Need to Do

Submit the original birth certificate for our review. Photocopies will not be accepted.

Unavailable Records

If an original document is unavailable or does not exist due to valid reasons (such as loss or destruction), you must submit an original written statement on government letterhead from the relevant government or other authority. The statement must explain why the document does not exist and confirm whether similar records for the time and place are available. The letter must include a clear seal, stamp, or the signature and title of the issuing official. Only after you submit this statement can USCIS accept other types of evidence. See 8 CFR 103.2

If you are unable to obtain the required document or statement from the relevant foreign authority, you must submit evidence showing that you made repeated, good faith attempts to obtain it. However, if USCIS determines that such documents or statements are generally available, you may be required to submit the required document or statement.

If any document is in a language other than English, provide a complete English translation along with a signed certification from the translator. You must also include a copy of the original foreign language document with the translation.

Extract or summary translations of the original foreign language document are **not** acceptable. Make sure all documents are clear, easy to read, and complete. Certified copies must include the official seal or stamp of the issuing authority.

PLACE THE ATTACHED COVER SHEET AND THIS ENTIRE LETTER ON TOP OF YOUR RESPONSE. SUBMISSION OF A RESPONSE WITHOUT THE COVER SHEET AND THIS LETTER WILL DELAY PROCESSING.

Petitioner: Johnathon Dale Henderson (U.S Citizen)
Beneficiary: Flavia Pina Ferreira (A-213388049)
Beneficiary: Caio Ferreira Lima (A-213388050)
RFE Date: September 18, 2026
USCIS Receipt Number of Form I-130: IOE0930266394

Dear Sir or Madam,

We respectfully submit this response to the Request for Evidence (RFE) concerning the documentation of the Petition for Alien Relative of Mr. Johnathon Dale Henderson with Mr. Caio Ferreira Lima as one of the beneficiaries.

The matter is regarding the insufficiency of Mr. Caio Ferreira Lima's birth certificate as evidence of the benefit required, however, **the Petition was already approved by USCIS on September 16, 2026**.

We have mailed an official notice about this case (and any relevant documentation) according to the mailing preferences you chose on Form G-28, Notice of Entry of Appearance as Attorney or Accredited Representative. **This is a courtesy copy, not the official notice.**

What the Official Notice Said

We have approved the above petition. However, you did not indicate on the petition whether the beneficiary intends to apply for an immigrant visa through consular processing abroad at a U.S. embassy or a U.S. consulate outside the United States or whether the beneficiary intends to apply for adjustment of status in the United States. Because the beneficiary's last address on the petition is in the United States, and the record does not otherwise indicate that the beneficiary is outside the United States, we have kept the petition for adjustment of status processing.

If the beneficiary intends to apply for adjustment of status in the United States, they should submit a copy of this notice, along with a Form I-485, Application to Register Permanent Residence or Adjust Status. They can obtain Form I-485 from the USCIS website at uscis.gov, by contacting the USCIS Contact Center at 1-800-375-5283, or by visiting the local USCIS field office. They also can find filing address information on the USCIS website at uscis.gov.

If the beneficiary decides to apply for an immigrant visa through consular processing outside the United States based on this petition, you should file Form I-824, Application for Action on an Approved Application or Petition with fee, to ask USCIS to send the petition to the U.S. Department of State National Visa Center (NVC) for consular processing. Please refer to the Form I-824 filing instructions at uscis.gov.

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

The NVC will contact the beneficiary of this petition with further information about immigrant visa processing steps.

THIS NOTICE IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

NOTICE: Although we have approved this petition, USCIS and the U.S. Department of Homeland Security reserve the right to verify this information before and/or after making a decision on your case so we can ensure that you have complied with applicable laws, rules, regulations, and other legal authorities. We may review public information and records, contact others by mail, the internet or phone, conduct site inspections of businesses and residences, or use other methods of verification. We will use the information obtained to determine whether you are eligible for the benefit you seek. If we find any derogatory information, we will follow the law in determining whether to provide you (and the legal representative listed on your Form G-28, if you submitted one) an opportunity to address that information before we make a formal decision on your case or start proceedings.

Please see the additional information on the back.You will be notified separately about any other cases you filed.
