INFORMAÇÕES PARA O TITULAR

Este passaporte é propriedade da República Federativa do Brasil e qualquer tentativa de adulteração o tornará inválido.

O extravio – perda, roubo ou destruição – do passaporte constitui fato grave e deve ser comunicado imediatamente à autoridade policial e à Embaixada ou ao Consulado do Brasil, conforme o caso. Para isso, recomenda-se que o titular copie as informações da página 2. Se o passaporte for entregue a pessoa ou serviço que não pertença ao Governo Brasileiro (por exemplo, para obtenção de visto, compra de passagem, etc.) e não for restituído, o titular deve considerá-lo como extraviado. A concessão de novo passaporte em substituição ao extraviado depende de investigação.

Apenas o titular do passaporte poderá usá-lo. A utilização fraudulenta ou a cessão a outra pessoa constituem crimes, pela lei brasileira. Para ressalvar sua responsabilidade, o titular deve assinar seu passaporte, no local previsto na página 3, imediatamente após recebê-lo. Este passaporte só é válido com a assinatura do titular, salvo em caso de incapacidade.

É recomendável que o brasileiro residente no exterior, ou de passagem por região conturbada, matricule-se na Embaixada ou no Consulado do Brasil mais próximo. Impossibilitado de comparecer pessoalmente, poderá comunicar-se por outro meio, fornecendo nome completo, endereço e número do passaporte.

O brasileiro que viaje por áreas conturbadas deve ter presente que a assistência do Governo Brasileiro poderá ser limitada e dependerá das autoridades locais. A contratação de seguro de viagem poderá trazer tranquilidade ao viajante e a seus familiares.

É responsabilidade do titular verificar, antes da viagem, a validade do passaporte e a necessidade de visto. O titular poderá solicitar a substituição do passaporte mesmo antes do vencimento, em vista de que muitos países exigem prazo mínimo de validade.

O menor de idade, não emancipado, viajando desacompanhado de qualquer um dos pais, ou responsável legal, só poderá sair do Brasil munido da autorização pertinente prevista em lei.

O cidadão brasileiro que tenha outra nacionalidade deve ter em conta que a assistência consular brasileira no país de que também é nacional poderá ser consideravelmente limitada.

PASSAPORTE

INFORMAÇÕES PARA O TITULAR

Este passaporte é propriedade da República Federativa do Brasil e qualquer tentativa de adulteração o tornará inválido.

O extravio – perda, roubo ou destruição – do passaporte constitui fato grave e deve ser comunicado imediatamente à autoridade policial e à Embaixada ou ao Consulado do Brasil, conforme o caso. Para isso, recomenda-se que o titular copie as informações da página 2. Se o passaporte for entregue a pessoa ou serviço que não pertença ao Governo brasileiro (por exemplo, para obtenção de visto, compra de passagem, etc.) e não for restituído, o titular deve considerá-lo como extraviado. A concessão de novo passaporte em substituição ao extraviado depende de investigação.

Apenas o titular do passaporte poderá usá-lo. A utilização fraudulenta ou a cessão a outra pessoa constituem crimes, pela lei brasileira. Para ressalvar sua responsabilidade, o titular deve assinar seu passaporte, no local previsto na página 3, imediatamente após recebê-lo. Este passaporte só é válido com a assinatura do titular, salvo em caso de incapacidade.

É recomendável que o brasileiro residente no exterior, ou de passagem por região conturbada, matricule-se na Embaixada ou no Consulado do Brasil mais próximo. Impossibilitado de comparecer pessoalmente, poderá comunicar-se por outro meio, fornecendo nome completo, endereço e número do passaporte.

É responsabilidade do titular verificar, antes da viagem, a validade do passaporte e a necessidade de visto. O titular poderá solicitar a substituição do passaporte mesmo antes do vencimento, em vista de que muitos países exigem prazo mínimo de validade.

O menor de idade, não emancipado, viajando desacompanhado de qualquer um dos pais, ou responsável legal, só poderá sair do Brasil munido da autorização pertinente prevista em lei.

O cidadão brasileiro que possua outra nacionalidade não poderá reclamar proteção consular ou diplomática brasileira no país de sua outra nacionalidade.

1. I understand that the following conditions are applicable to exchange visitors:

(a) **TWO-YEAR HOME-COUNTRY PHYSICAL PRESENCE REQUIREMENT** ***(SECTION 212(e) OF THE IMMIGRATION AND NATIONALITY ACT AND PL 94-484, AS AMENDED):***

RULE: Exchange visitors whose programs are financed in whole or in part, directly or indirectly by either their government or by the U.S. Government, are required to reside in their home-country for 2 years following completion of their program before they are eligible for immigrant status, temporary worker *(H)* status, or intracompany transferee *(L)* status. Likewise, if exchange visitors are acquiring a skill that is in short supply in their home country *(these skills appear on the "Exchange Visitor Skills List")* they will be subject to the same two-year home-country residence requirement. The requirement also is applicable to alien physicians entering the United States to receive graduate medical education or training. The U.S. Department of State reserves the right to make the final determination regarding 212*(e)*.

NOTE: MARRIAGE TO A U.S. CITIZEN OR LEGAL PERMANENT RESIDENT, OR BIRTH OF A CHILD IN THE UNITED STATES DOES NOT REMOVE THIS REQUIREMENT.

(b) ***Extension of Stay/Program Transfers:*** A completed Form DS-2019 is required in order to apply for a program extension or program transfer, and must be obtained from or with the assistance of the sponsor.

(c) ***Limitation of Stay: STUDENTS*** - as long as they pursue a full course of study towards a degree, or if engaged full-time in a non-degree program, up to 24 months. Students for whom the sponsor recommends academic training may be permitted to remain for an additional period of up to 18 months after receiving their degree or certificate; post-doctoral academic training may be approved by the sponsor for a period not to exceed 36 months; **SECONDARY STUDENTS** - up to 1 academic year; **TRAINEES** - 18 months; **TEACHERS** - 3 years; **PROFESSORS** and **RESEARCH SCHOLARS** - 5 years; **SHORT-TERM SCHOLARS** - 6 months; **SPECIALISTS** -1 year; **INTERNATIONAL VISITORS** - 1 year; **ALIEN PHYSICIAN** - the time typically required to complete the medical specialty involved but limited to 7 years with the possibility of extension if approved by the U.S. Department of State; **GOVERNMENT VISITOR** - up to 18 months; **CAMP COUNSELOR** - up to 4 months; **SUMMER WORK/TRAVEL** - up to 4 months; **AU PAIR** - 1 year; **INTERN** - up to 12 months. For details, see 22 CFR Part 62.

(d) ***Documentation Required for Admission/Readmission as an Exchange Visitor:*** To be eligible for admission to the United States, an exchange visitor must present the following at the port of entry: *(1)* a valid nonimmigrant visa, unless exempt from nonimmigrant visa requirements; *(2)* a passport valid for 6 months beyond the anticipated period of admission, unless exempt from passport requirements; *(3)* a properly executed Form DS-2019 which must be retained by the exchange visitor for readmission within the period of previously authorized stay. Exchange visitors are permitted to travel abroad and maintain status *(e.g., obtain a new visa)* under duration of the program as indicated by the dates on this form *(see item 3 on page 1 of this form)*.

(e) ***Change of Visa Status:*** Exchange visitors (and their spouses and dependents) are expected to leave the United States upon completion of their program objective. Exchange visitors who are subject to the two-year home-country physical presence requirement are not eligible to change their status while in the United States to any other nonimmigrant category except, if applicable, that of official or employee of a foreign government*(A)* or an international organization*(G)* or member of the family or attendant of either of these types of officials or employees.

(f) ***Insurance:*** Exchange visitors are required to have medical insurance in effect of themselves for the duration of their exchange program, and for accompanying spouse and dependents while they are in United States during the exchange visitor's program. A policy secured to fulfill the insurance requirements shall not have a deductible that exceeds U.S. $500 per accident or illness, and must meet other standards specified in the Exchange Visitor Program regulations, 22 CFR Part 62.14. For details, consult your program's Responsible Officer or Alternate Responsible Officer *(see item 7 on page 1 of this form)*.

2. ***EXCHANGE VISITOR (J-NON-IMMIGRANT) CERTIFICATION:*** I have read and agreed to comply with the terms and conditions of my admission and those of any extension of stay. I certify under penalty of perjury for violating U.S. laws (18 U.S. Code §1621 - Perjury generally), or (18 U.S. Code §1001 - False Statement) that all information provided on this form refers specifically to me and is true and correct to the best of my knowledge. I certify that I seek to enter or remain in the United States temporarily, and solely for the purpose of pursuing an exchange program facilitated by the designated sponsor named above, or for an accompanying spouse and dependent(s). I also authorize the named sponsor to release any information from my records needed by DHS pursuant to 8 CFR 214.3(g) to determine my non-immigrant status. I agree that I will maintain compliance with insurance regulations as specified in 22 CFR 62.14 for myself for the duration of my exchange program and for my J-2 spouse and dependents while they are present in the United States during my exchange program. For the purposes of 20 U.S.C. 1232g and 22 CFR 62, I authorize U.S. Department of State designated sponsors and any educational institution named on Form DS-2019 to release information to the Department of State relating to compliance with the Exchange Visitor Program regulations. The signature of the Responsible Officer or the Alternate Responsible Officer on the Form DS-2019 is valid for up to one year* or until the end date in item 3 on page 1 of this Form, or to the validation date authorized by the Responsible Officer, whichever occurs sooner.

* **EXCEPT:** Maximum validation period is up to 6 months for Short-term Scholars and 4 months for Camp Counselors and Summer Work/Travel.

PAPERWORK REDUCTION ACT STATEMENT: Under the Mutual Educational and Cultural Exchange Act of 1961, as amended, the U.S. Department of State has been delegated the authority to designate Exchange Visitor Programs for U.S. Government agencies, and for public and private educational and cultural exchange organizations. The information is used by Exchange Visitor Program sponsors to appropriately identify an individual seeking to enter the United States as an exchange visitor and by the U.S. Department of State for exchange visitor program administration purposes. The completed form is sent to the prospective exchange visitor abroad, who takes it to the U.S. Consulate *(Embassy)* to secure an exchange visitor *(J-1, J-2)* visa. Responses are mandatory. An Agency or organization may not conduct or sponsor, and the respondent is not required to respond, to a collection of information unless it displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 45 minutes per response, including the time for reviewing instructions, researching existing data sources, gathering and maintaining the data needed, completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: U.S. Department of State, ECA/EC, Washington, D.C. 20522-0505.

CONFIDENTIALITY STATEMENT: INA Section 222 *(f)* provides that visa issuance and refusal records shall be considered confidential and shall be used only for the formulation, amendment, administration, or enforcement of the immigration, nationality, and other laws of the United States. Certified copies of visa records may be made available to a court which certifies that the information contained in such records is needed in a case pending before the court.

U.S. CONSULATE GENERAL
PORTO ALEGRE

Av. Assis Brasil, 1889, Passo D'Areia
CEP 91.010-005
Porto Alegre – Rio Grande do Sul

Dear Applicant,

This is to inform you that you have been found ineligible for a nonimmigrant visa under Section 214(b) of the U.S. Immigration and Nationality Act. A denial under Section 214(b) means that you were not able to demonstrate that your intended activities in the United States would be consistent with the classification of the nonimmigrant visa for which you applied.

While nonimmigrant visa classifications each have their own unique requirements, one requirement shared by many of the nonimmigrant visa categories is for the applicant to demonstrate that he/she has a residence in a foreign country which he/she has no intention of abandoning.
Applicants usually meet this requirement by demonstrating that they have strong ties overseas that indicate that they will return to a foreign country after a temporary visit to the United States. Such ties include professional, work, school, family, or social links to a foreign country. You have not demonstrated that you have the ties that will compel you to return to your home country after your travel to the United States.

Today's decision cannot be appealed. However, you may reapply at any time. If you decide to reapply, you must submit a new application form and photo, pay the visa application fee again, and make a new appointment to be interviewed by a consular officer. If you choose to reapply, you should be prepared to provide information that was not presented in your original application, or to demonstrate that your circumstances have changed since that application.

Sincerely,

Consular Officer

WEATHERS LACEY MIKKEL, Plaintiff,	)	
V.	)	Case No.: DR-2026-900031.00
MORRIS JACOB LANE, Defendant.	)	

FINAL DECREE OF DIVORCE

This case was submitted to the Court upon the Complaint; Answer and Waiver of the Defendant; Testimony of the Plaintiff; and settlement agreement of the parties. Upon consideration thereof, the Court finds that the agreement of the parties is due to be and hereby is APPROVED and due to be entered as an order of the Court. It is therefore **ORDERED, ADJUDGED and DECREED** by the Court as follows:

1. The bonds of matrimony heretofore existing between the Plaintiff and the Defendant be, and the same hereby are, **DISSOLVED**, and **Lacey Mikkal Weathers** is forever **DIVORCED** from **Jacob Lane Morris** for and on the grounds of incompatibility of temperament and irretrievable breakdown of the marriage.

2. Neither the Plaintiff nor the Defendant shall marry again, except to each other, until sixty (60) days after the date of this decree of divorce. If an appeal is taken from this divorce (which must be filed within forty-two (42) days from the date of this Final Decree), neither party shall marry again, except to each other, during the pendency of the appeal.

3. The Settlement Agreement of the parties which was electronically filed on February 17, 2026, is attached hereto. It is hereby ratified by the Court and is incorporated by reference as a part of this Order as if set out in full herein. The parties shall faithfully abide by the terms of their Settlement Agreement, subject to penalty as for a contempt.

4. As the wife elected to maintain the use of her maiden name during the parties' marriage, no change of name shall be required.

5. It is further **ORDERED** that the parties shall exercise custody and visitation pursuant to the terms of their Settlement Agreement. The provision for child custody in this Final Decree of Divorce constitutes a custody decree or custody determination under the Uniform Child Custody Jurisdiction and Enforcement Act, Code of Alabama (1975) 30-3B-101, et seq.

6. The parties have entered into a fair, written agreement establishing the amount of child support awarded herein, which constitutes a deviation from Rule 32 Guidelines. The adequacy of the agreed-upon child support has been reviewed by this Court; and it is determined that the reasons stated in the Agreement in rebuttal of the presumption in favor of the Rule 32 guidelines are satisfactory and are hereby adopted as findings of this Court. Copies of the forms required by that Rule have been filed and are made a part of the record in this action.

7. As long as child support is due, the Defendant shall be under a **continuing duty** to notify the Court **in writing** of any change in his/her **mailing address or employment within seven (7) days** of any such change.

8. Pursuant to Code of Alabama (1975) 30-3-61 (as amended), there is entered by the Court on this date a Continuing Child Support Withholding Order, which is hereby made a part of this Decree. It is hereby **ORDERED** that immediate withholding will not be implemented because a written agreement has been reached between the parties which provides for an alternative arrangement for payment of child support. As the parties have agreed to pay child support directly, they are encouraged to keep records of amounts paid or received.

9. Pursuant to law, upon the filing of a verified written affidavit that the obligor is delinquent in a dollar amount equal to one month of child support payments, a

withholding order is to become effective and is then to be served upon the obligor's employer.

10. This Order is subject to the **PARENT-CHILD RELOCATION ACT**. In accordance with the same, the Court **ORDERS** that pursuant to the Relocation Act, each party in this action who has *either* custody of *or* the right of visitation with a child is required to notify other parties who have custody of or the right of visitation with the child of *any change* in his or her address or telephone number, or both, and of any change or proposed change of principal residence and telephone number or numbers of the child. This is a continuing duty and remains in effect as to each child subject to custody or visitation provisions of this decree until such child reaches the age of majority or becomes emancipated and for so long as you are entitled to custody of or visitation with said child covered by this order.

If there is to be a change of principal residence by you or by a child subject to the custody or visitation provisions of this order, you must provide the following information to each other person who has custody or visitation rights under this decree as follows:

1. The intended new residence, including the specific street address, if known.
2. The mailing address, if not the same as the street address.
3. The telephone number, or numbers at such residence, if known.
4. If applicable, the name, address, and telephone number of the school to be attended by the child, if known.
5. The date of the intended change of principal residence of a child
6. A statement of the specific reasons for the proposed change of principal residence of a child, if applicable.
7. A proposal for a revised schedule of custody of or visitation with a child, if any.
8. Unless you are a member of the Armed Forces of the USA and are being transferred or relocated pursuant to a non-voluntary order of the government, a warning to the non-relocating person that an objection to the relocation must be made within thirty (30) days of receipt of the notice or relocation will be

permitted.

You must give notice by certified mail of the proposed change of principal residence on or before the 45th day before a proposed change of principal residence. If you do not know and cannot reasonably become aware of such information in sufficient time to provide a 45-day notice, you must give such notice by certified mail not later than the 10th day after the date that you obtain such information.

If you, as the non-relocating party, do not commence an action seeking a temporary or permanent order to prevent the change of principal residence of a child within 30 days after receipt of notice of the intent to change the principal residence of the child, the change of principal residence is deemed authorized.

11. The Court shall retain jurisdiction in this cause for purpose of making such other or future orders or decrees as to the custody, support, and maintenance of the minor child(ren) as the Court may deem necessary or as changed conditions require.

12. Neither visitation nor child support is to be withheld because of either parent's failure to comply with a court order. The children have a right to both support and visitation, neither of which is dependent on the other. In other words, failure to pay support does not mean no visitation and no visitation does not mean no support. If there is a violation of either a visitation or a support order, the exclusive remedy is to apply to the Court for appropriate sanctions.

13. If the parties mutually agree permanently to change the provisions of this decree of divorce, they must petition to Court to approve and order that change. In the event that the parties do not obtain a court order, the Court will not be bound by any alleged agreement of the parties.

It is further **ORDERED, ADJUDGED, and DECREED** by the Court that the costs of court are taxed as paid.

The Clerk is directed to provide a copy of this Order to the parties and attorneys of record.

DONE this 18th **day of** March **, 2026.**

(when the Lease Contract is filled out)

This is a binding document. Read carefully before signing.

Moving In — General Information

1. PARTIES. This Lease Contract (sometimes referred to as the "lease") is between *you*, the resident(s) *(list all people signing the Lease Contract):*

Jacob Morris

and *us*, the owner: The Moderne

(name of apartment community or title holder). The person or management company authorized to act on our behalf is Amber Silverthorn

You've agreed to rent Apartment No. 614
at 30 Gates Mill Street NW #614
(street address) in Huntsville *(city)*, Alabama, 35806 *(zip code)* (the "apartment" or the "premises") for use as a private residence only. The terms "you" and "your" refer to all residents listed above and any minor children, dependents, invitees, and/or guests. The terms "we," "us," and "our" refer to the owner listed above (or any of owner's successors' in interest or assigns). Written notice to or from our managers, delivered by hand or US mail with adequate prepaid postage to any person entitled to occupy the apartment under the Lease Contract, constitutes notice to or from us. If anyone else has guaranteed performance of this Lease Contract, a separate Lease Contract Guaranty for each guarantor is attached.

2. OCCUPANTS. The apartment will be occupied only by you and *(list all other occupants not signing the Lease Contract)*:

No one else may occupy the apartment. Persons not listed above must not stay in the apartment for more than 4 consecutive days without our prior written consent, and no more than twice that many days in any one month. *If the previous space isn't filled in, two days per month is the limit.*

3. LEASE TERM. The initial term of the Lease Contract begins on the 27th day of October, 2026, and ends at 11:59 p.m. the 26th day of November, 2027.

Renewal. This Lease Contract will automatically renew month-to-month (not to exceed five (5) years) unless either party gives at least 60 days written notice of termination or intent to move-out as required by paragraph 45 (Move-Out Notice). If the number of days isn't filled in, at least 30 days notice is required.

4. SECURITY DEPOSIT. Unless modified by addenda, the total security deposit at the time of execution of this Lease Contract for all residents in the apartment is $ 350.00, due on or before the date this Lease Contract is signed.

In accordance with Alabama Real Estate Commission Rule 790-X-3.03 Lessor or agent for Lessor shall not maintain security or damage deposits in a separate account and shall hold said deposits for Resident in accordance with this Lease.

5. KEYS. You will be provided 2 apartment key(s), 1 mailbox key(s), 1 FOB(s), and/or _____ other access device(s) for access to the building and amenities at no additional cost at move-in. If the key, FOB, or other access device is lost or becomes damaged during your tenancy or is not returned or is returned damaged when you move out, you will be responsible for the costs for the replacement and/or repair of the same.

6. RENT AND CHARGES. Unless modified by addenda, you will pay $ 1159.00 per month for rent, payable in advance and without demand:

- ☐ at the on-site manager's office, or
- ☒ at our online payment site, or
- ☒ at A Participating WIPS location (number will be provided to you at move in.)

Prorated rent of $ 186.94 is due for the remainder of *[check one]*: ☒ 1st month or ☐ 2nd month, on October 27, 2026

You may not withhold payment of rent to us while in possession in order to enforce any of your rights under the Alabama Uniform Residential Landlord/Tenant Act.

Otherwise, you must pay your rent on or before the 1st day of each month (due date) with no grace period. Cash is unacceptable without our prior written permission. **You must not withhold or offset rent (Section 35-9A-164 Code of Alabama)**. We may, at our option, require at any time that you pay all rent and other sums in cash, certified or cashier's check, money order, or one monthly check rather than multiple checks. At our discretion, we may convert any and all checks via the Automated Clearing House (ACH) system for the purposes of collecting payment. Rent is not considered accepted, if the payment/ACH is rejected, does not clear, or is stopped for any reason. If you don't pay all rent on or before the 2nd day of the month, you'll pay a late charge. Your late charge will be *(check one):* ☒ a flat rate of $ 100.00 or ☐ _____% of your total monthly rent payment. You'll also pay a charge of $ 30.00 for each returned check or rejected electronic payment, plus a late charge. If you don't pay rent on time, you'll be delinquent and all remedies under this Lease Contract will be authorized. We'll also have all other remedies for such violation. All money obligations to be paid under this lease shall be considered rent. All payment obligations under this Lease Contract shall constitute rent under this Lease Contract.

7. UTILITIES. We'll pay for the following items, if checked:

☐ water ☐ gas ☐ electricity ☐ master antenna
☐ wastewater ☐ trash ☐ cable tv
☐ other _____

You'll pay for all other utilities, related deposits, and any charges, fees, or services on such utilities. You must not allow utilities to be disconnected—including disconnection for not paying your bills—until the lease term or renewal period ends. Cable channels that are provided may be changed during the Lease Contract term if the change applies to all residents. Utilities may be used only for normal household purposes and must not be wasted. If your electricity is ever interrupted, you must use only battery-powered lighting. If any utilities are submetered for the apartment, or prorated by an allocation formula, we will attach an addendum to this Lease Contract.

8. INSURANCE. We do not maintain insurance to cover your personal property or personal injury.

In addition, we urge all residents, and particularly those residing in coastal areas, areas near rivers, and areas prone to flooding, to obtain flood insurance. Renter's insurance may not cover damage to your property due to flooding. A flood insurance resource which may be available includes the National Flood Insurance Program managed by the Federal Emergency Management Agency (FEMA).

© 2022, National Apartment Association, Inc. - 11/2022, Alabama

We ❑ require ☒ do not require you to get your own insurance for losses to your personal property or injuries due to theft, fire, water damage, pipe leaks and the like. If no box is checked, renter's insurance is not required.

Additionally, you are *[check one]* ❑ required to purchase personal liability insurance ☒ not required to purchase personal liability insurance. If no box is checked, personal liability insurance is not required. If required, failure to maintain personal liability insurance throughout your tenancy, including any renewal periods and/or lease extensions, may be an incurable breach of this Lease Contract and may result in the termination of tenancy and eviction and/or any other remedies as provided by this Lease Contract or state law.

You acknowledge that no portion of the rent paid by you under this agreement will be specifically allocated for the purchase of the owner's structural fire insurance, though the owner may use a portion of gross rental proceeds obtained from all rental units in the community to purchase such structural fire insurance, and in such an event, that you are in no way a co-insured under any such policy.

9. LOCKS AND LATCHES. Keyed lock(s) will be rekeyed after the prior resident moves out. The rekeying will be done before you move into your apartment.

You may at any time ask us to change or rekey locks or latches during the Lease Term. We must comply with those requests, but you must pay for them, unless otherwise provided by law.

Payment for Rekeying, Repairs, Etc. You must pay for all repairs or replacements arising from misuse or damage to devices by you or your family, occupants, or guests during your occupancy. You may be required to pay in advance if we notify you within a reasonable time after your request that you are more than 30 days delinquent in reimbursing us for repairing or replacing a device which was misused or damaged by you, your guest or an occupant; or if you have requested that we repair or change or rekey the same device during the 30 days preceding your request and we have complied with your request. Otherwise, you must pay immediately after the work is completed.

Special Provisions and "What If" Clauses

10. SPECIAL PROVISIONS. The following special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Lease Contract and will supersede any conflicting provisions of this printed Lease Contract form.

See Additional Special Provisions

See any additional special provisions.

11. EARLY MOVE-OUT. You'll be liable to us for a reletting charge of $ 1159.00 (not to exceed 100% of the highest monthly rent during the Lease Contract term) if you:

(1) fail to give written move-out notice as required in paragraph 45 (Move-Out Notice); or
(2) move out without paying rent in full for the entire Lease Contract term or renewal period; or
(3) move out at our demand because of your default; or
(4) are judicially evicted.

The reletting charge is not a cancellation fee and does not release you from your obligations under this Lease Contract. See the next paragraph.

Not a Release. The reletting charge is not a lease cancellation fee or buyout fee. It is an agreed-to liquidated amount covering only part of our damages; that is, our time, effort, and expense in finding and processing a replacement. These damages are uncertain and difficult to ascertain— particularly those relating to inconvenience, paperwork, advertising, showing apartments, utilities for showing, checking prospects, office overhead, marketing costs, and locator-service fees. You agree that the reletting charge is a reasonable estimate of such damages and that the charge is due whether or not our reletting attempts succeed. If no amount is stipulated, you must pay our actual reletting costs so far as they can be determined. The reletting charge does not release you from continued liability for: future or past-due rent; charges for cleaning, repairing, repainting, or unreturned keys; or other sums due.

12. REIMBURSEMENT. You must promptly reimburse us for loss, damage, government fines, or cost of repairs or service in the apartment community due to a violation of the Lease Contract or rules, improper use, or negligence by you or your guests or occupants. **Unless the damage or wastewater stoppage is due to our negligence —you must pay for—repairs, replacement costs, and damage to the following that result from your or your invitees, guests, or occupants' negligence or intentional acts: (1) damage to doors, windows, or screens; (2) damage from windows or doors left open; and (3) damage from wastewater stoppages caused by improper objects in lines exclusively serving your Apartment.** We may require payment at any time, including advance payment of repairs for which you're liable. Delay in demanding sums you owe is not a waiver.

13. PROPERTY LEFT IN APARTMENT.

Removal After Surrender, Abandonment, or Eviction. We or law officers may remove and/or store all property remaining in the apartment or in common areas (including any vehicles you or any occupant or guest owns or uses) if you are judicially evicted or if you surrender or abandon the apartment (see definitions in paragraph 50 (Deposit Return, Surrender, and Abandonment).

Storage. If you leave property in the unit more than 14 days after termination, we have no duty to store or protect your property in the unit and may dispose of it without obligation.

Disposition. Except for animals and property removed after the death of a sole resident, we may throw away or give to a charitable organization all items of personal property that are: (1) left in the apartment after surrender or abandonment; or (2) left outside more than 24 hours after writ of possession is executed, following a judicial eviction. We may immediately throw away any property we, in our sole discretion, determine to be a nuisance. Animals removed after surrender, abandonment, or eviction may be kenneled or turned over to local authorities or humane societies. Property not thrown away or given to charity may be disposed of only by sale, which must be held no sooner than 30 days after written notice of date, time, and place of sale is sent by both regular mail and certified mail (return receipt requested) to your last known address. The notice must itemize the amounts you owe and the name, address, and phone number of the person to contact about the sale, the amount owed, and your right to redeem the property. Sale may be public or private, is subject to any third-party ownership or lien claims, must be to the highest cash bidder, and may be in bulk, in batches, or item-by-item. Proceeds exceeding sums owed must be mailed to you at your last known address within 30 days after sale.

14. FAILING TO PAY FIRST MONTH'S RENT. If you don't pay the first month's rent when or before the Lease Contract begins, all future rent will be automatically accelerated without notice and immediately due. We also may end your right of occupancy and recover damages, future rent, reletting charges, and other lawful charges.

15. RENT INCREASES AND LEASE CONTRACT CHANGES. No rent increases or Lease Contract changes are allowed before the initial Lease Contract term ends, except for changes allowed by any special provisions in paragraph 10 (Special Provisions), by a written addendum or amendment signed by you and us, or by reasonable changes of apartment rules allowed under paragraph 19 (Community Policies or Rules). If, at least 5 days before the advance notice deadline referred to in paragraph 3 (Lease Term), we give you written notice of rent increases or lease changes effective when the lease term or renewal period ends, this Lease Contract will automatically continue month-to-month (not to exceed five (5) years) with the increased rent or lease changes. The new modified Lease Contract will begin on the date stated in the notice (without necessity of your signature) unless you give us written move- out notice under paragraph 45 (Move-Out Notice).

16. DELAY OF OCCUPANCY. If occupancy is or will be delayed for construction, repairs, cleaning, or a previous resident's holding over, we're not responsible for the delay. Your tenancy will remain in force subject to your right to terminate as allowed by Alabama law. Termination notice must be in writing. After termination, you are entitled only to refund of deposit(s) and any rent paid.

17. AD VALOREM TAXES/FEES AND CHARGES - ADDITIONAL RENT. Unless otherwise prohibited by law, if, during the term of this Agreement, any locality, city, state, or Federal Government imposes upon Us, any fee, charge, or tax, which is related to or charged by the number of occupants, or by the apartment unit itself, such that we are charged a fee, charge, or tax, based upon your use or occupancy of the apartment, we may add this charge as Additional Rent, during the term of the Lease Contract, with thirty (30) days advance written notice to you. After this written notice (the amount or approximate

© 2022, National Apartment Association, Inc. - 11/2022, Alabama

amount of the charge, will be included), you agree to pay, as Additional Rent, the amount of the charge, tax or fee imposed upon us, as a result of your occupancy. As examples, these charges can include, but are not limited to: any charges we receive for any zoning violation, sound, noise or litter charge; any charge under any nuisance or chronic nuisance type statute, 911 or other life safety, per person, or per unit charge or tax and any utility bill unpaid by you, which is then assessed to us for payment.

18. DISCLOSURE RIGHTS. If someone requests information on you or your rental history for law-enforcement, governmental, or business purposes, we may provide it.

While You're Living in the Apartment

19. COMMUNITY POLICIES OR RULES. You and all guests and occupants must comply with any written apartment rules and community policies, including instructions for care of our property. Our rules are considered part of this Lease Contract. We may make reasonable changes to written rules, effective immediately, as allowed by Alabama law.

20. LIMITATIONS ON CONDUCT. The apartment and other areas reserved for your private use must be kept clean and free of trash, garbage, and other debris. Trash must be disposed of at least weekly in appropriate receptacles in accordance with local ordinances. Passageways may be used only for entry or exit. You agree to keep all passageways and common areas free of obstructions such as trash, storage items, and all forms of personal property. No person shall ride or allow bikes, skateboards, or other similar objects in the passageways. Any swimming pools, saunas, spas, tanning beds, exercise rooms, storerooms, laundry rooms, and similar areas must be used with care in accordance with apartment rules and posted signs. Glass containers are prohibited in all common areas. You, your occupants, or guests may not anywhere in the apartment community: use candles or use kerosene lamps or kerosene heaters without our prior written approval; cook on balconies or outside; or solicit business or contributions. Conducting any kind of business (including child care services) in your apartment or in the apartment community is prohibited—except that any lawful business conducted "at home" by computer, mail, or telephone is permissible if customers, clients, patients, or other business associates do not come to your apartment for business purposes. We may regulate: (1) the use of patios, balconies, and porches; (2) the conduct of furniture movers and delivery persons; and (3) recreational activities in common areas. You'll be liable to us for damage caused by you or any guests or occupants.

We may exclude from the apartment community guests or others who, in our judgment, have been violating the law, violating this Lease Contract or any apartment rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident in the community.

You agree to notify us if you or any occupants are convicted of any felony, or misdemeanor involving a controlled substance, violence to another person or destruction of property. You also agree to notify us if you or any occupant registers as a sex offender in any state. Informing us of criminal convictions or sex offender registry does not waive our right to evict you.

21. PROHIBITED CONDUCT. You, your occupants or guests, or the guests of any occupants, may not engage in the following activities: behaving in a loud or obnoxious manner; disturbing or threatening the rights, comfort, health, safety, or convenience of others (including our agents and employees) in or near the apartment community; disrupting our business operations; manufacturing, delivering, possessing with intent to deliver, or otherwise possessing a controlled substance or drug paraphernalia; engaging in or threatening violence; possessing a weapon prohibited by state law; discharging a firearm in the apartment community; displaying or possessing a gun, knife, or other weapon in the common area in a way that may alarm others; storing anything in closets having gas appliances; tampering with utilities or telecommunications; bringing hazardous materials into the apartment community; or injuring our reputation by making bad faith allegations against us to others.

22. PARKING. We may regulate the time, manner, and place of parking cars, trucks, motorcycles, bicycles, boats, trailers, and recreational vehicles by anyone. We may have unauthorized or illegally parked vehicles towed under an appropriate statute. A vehicle is unauthorized or illegally parked in the apartment community if it:

(1) has a flat tire or other condition rendering it inoperable; or
(2) is on jacks, blocks or has wheel(s) missing; or
(3) has no current license plate or no current registration and/or inspection sticker; or
(4) takes up more than one parking space; or
(5) belongs to a resident or occupant who has surrendered or abandoned the apartment; or
(6) is parked in a marked handicap space without the legally required handicap insignia; or
(7) is parked in space marked for manager, staff, or guest at the office; or
(8) blocks another vehicle from exiting; or
(9) is parked in a fire lane or designated "no parking" area; or
(10) is parked in a space marked for other resident(s) or unit(s); or
(11) is parked on the grass, sidewalk, or patio; or
(12) blocks garbage trucks from access to a dumpster; or
(13) belongs to a resident and is parked in a visitor or retail parking space.

23. RELEASE OF RESIDENT. Unless you're entitled to terminate your tenancy under paragraphs 10 (Special Provisions), 16 (Delay of Occupancy), or 45 (Move-Out Notice), you won't be released from this Lease Contract for any reason—including but not limited to voluntary or involuntary school withdrawal or transfer, voluntary or involuntary job transfer, marriage, separation, divorce, reconciliation, loss of co-residents, loss of employment, bad health, or death.

24. MILITARY PERSONNEL CLAUSE. All parties to this Lease Contract agree to comply with any federal law, including, but not limited to the Service Member's Civil Relief Act, or any applicable state law(s), if you are seeking to terminate this Lease Contract and/or subsequent renewals and/or Lease Contract extensions under the rights granted by such laws.

25. RESIDENT SAFETY AND PROPERTY LOSS. You and all occupants and guests must exercise due care for your own and others' safety and security, especially in the use of smoke detectors and carbon monoxide, keyed deadbolt locks, keyless bolting devices, window latches, and access control devices.

Smoke and Carbon Monoxide Detectors. We'll furnish smoke detectors and carbon monoxide detectors only if required by statute, and we'll test them and provide working batteries when you first take possession. After that, you must test the smoke detectors and the carbon monoxide detectors on a regular basis, you must pay for and replace batteries as needed, unless the law provides otherwise. We may replace dead or missing batteries at your expense, without prior notice to you. You must immediately report smoke detector and carbon monoxide detector malfunctions to us. Neither you nor others may disable neither the smoke detectors nor the carbon monoxide detectors. If you damage or disable the smoke detector or carbon monoxide detector or remove a battery without replacing it with a working battery, you may be liable to us for actual damages. If you disable or damage the smoke detector or carbon monoxide, or fail to replace a dead battery or report malfunctions to us, you will be liable to us and others for any loss, damage, or fines from fire, smoke, or water.

Casualty Loss. We have no duty to remove any ice, sleet, or snow but may remove any amount with or without notice. During freezing weather, you must ensure that the temperature in the apartment is sufficient to make sure that the pipes do not freeze (the appropriate temperature will depend upon weather conditions and the size and layout of your unit). If the pipes freeze or any other damage is caused by your failure to properly maintain the heat in your apartment, you'll be liable for damage to our and other's property.

Crime or Emergency. Dial 911 or immediately call local medical emergency, fire, or police personnel in case of accident, fire, smoke, or suspected criminal activity, or other emergency involving imminent harm. You should then contact our representative. We're not obliged to furnish security personnel, security lighting, security gates or fences, or other forms of security. If we provide any access control devices or security measures upon the property, they are not a guarantee to prevent crime or to reduce the risk of crime on the property. You agree that no access control or security measures can eliminate all crime and that you will not rely upon any provided access control or security measures as a warranty or guarantee of any kind. We're not responsible for obtaining criminal-history checks on any residents, occupants, guests, or contractors in the apartment community. If you or any occupant or guest is affected by a crime, you must make a written report to our representative and to the appropriate local law-enforcement agency. You also must furnish us with the law-enforcement agency's incident report number upon request.

26. CONDITION OF THE PREMISES AND ALTERATIONS. You'll be given an Inventory and Condition form on or before move-in. You must sign and note on the form all defects or damage and return it to our representative. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

You must use customary diligence in maintaining the apartment and not damaging or littering the common areas. Unless authorized by statute or by us in writing, you must not perform any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the apartment. But we'll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and in grooves of wood-paneled walls, unless our rules state otherwise. No water furniture, washing machines, additional phone or TV-cable outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless statutorily allowed or we've consented in writing. You may install a satellite dish or antenna provided you sign our satellite dish or antenna lease addendum which complies with reasonable restrictions allowed by federal law. You agree not to alter, damage, or remove our property, including alarm systems, smoke and carbon monoxide detectors, furniture, telephone and cable TV wiring, screens, locks, and access control devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements to the apartment (whether or not we consent) become ours unless we agree otherwise in writing.

27. REQUESTS, REPAIRS, AND MALFUNCTIONS. IF YOU OR ANY OCCUPANT NEEDS TO SEND A NOTICE OR REQUEST—FOR EXAMPLE, FOR REPAIRS, INSTALLATIONS, SERVICES, OR SECURITY-RELATED MATTERS—IT MUST BE SUBMITTED THROUGH EITHER THE ONLINE TENANT/MAINTENANCE PORTAL, OR SIGNED AND IN WRITING AND DELIVERED TO OUR DESIGNATED REPRESENTATIVE (except in case of fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, or crime in progress).

Our complying with or responding to any oral request regarding security or non-security matters doesn't waive the strict requirement for written notices under this Lease Contract. You must promptly notify us in writing of: water leaks; electrical problems; malfunctioning lights; broken or missing locks or latches; and other conditions that pose a hazard to property, health, or safety. We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately. Air conditioning problems are not emergencies. If air conditioning or other equipment malfunctions, you must notify our representative as soon as possible on a business day. We'll act with customary diligence to make repairs and reconnections. Rent will not abate in whole or in part.

If the apartment or premises are damaged or destroyed by fire or casualty not caused by you or your guests to an extent that the enjoyment of the apartment or premises is substantially impaired, you may exercise your rights under Alabama law. Otherwise, if we believe that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to you, we may terminate your tenancy within a reasonable time by giving you written notice. If your tenancy is so terminated, we'll refund prorated rent and all deposits, less lawful deductions.

28. ANIMALS. Unless otherwise provided under federal, state, or local law, no animals (including mammals, reptiles, birds, fish, rodents, and insects) are allowed, even temporarily, anywhere in the apartment or community unless we've so authorized in writing. You must remove an illegal or unauthorized animal within 24 hours of notice from us, or you will be considered in default of this Lease Contract. If we allow an animal as a pet, you must execute a separate animal addendum which may require additional deposits, rents, fees or other charges. An animal deposit is considered a general security deposit. We will authorize an assistance animal for a disabled person. When allowed by applicable laws, before we authorize an assistance animal, if the disability is not readily apparent, we may require a written statement from a qualified professional verifying the disability-related need for the assistance animal. If we authorize an assistance animal, we may require you to execute a separate animal and/or assistance animal addendum. Animal deposits, additional rents, fees or other charges will not be required for an assistance animal needed due to disability, including an emotional support or service animal, as authorized under federal, state, or local law. You must not feed stray or wild animals.

If you or any guest or occupant violates animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction, and other remedies provided in this Lease Contract. If an animal has been in the apartment at any time during your term of occupancy (with or without our consent), we'll charge you for defleaing, deodorizing, and shampooing. Initial and daily animal-violation charges and animal-removal charges are liquidated damages for our time, inconvenience, and overhead in enforcing animal restrictions and rules. We may remove an unauthorized animal by (1) leaving, in a conspicuous place in the apartment, a 48-hour written notice of intent to remove the animal, and (2) following the procedures of paragraph 29 (When We May Enter). We may keep or kennel the animal or turn it over to a humane society or local authority. We'll return the animal to you upon request if it has not already been turned over to a humane society or local authority. You must pay for the animal's reasonable care and kenneling charges. We have no lien on the animal for any purpose.

29. WHEN WE MAY ENTER. If you or any guest or occupant is present, then repairers, servicers, contractors, our representatives or other persons listed in (1) and (2) below may peacefully enter the apartment at reasonable times for the purposes listed in (1) and (2) below. If nobody is in the apartment, then such persons may enter peacefully and at reasonable times by duplicate or master key (or by breaking a window or other means when necessary in emergencies) if:

(1) written notice of our intent to enter is posted two (2) days in advance of the entry on the primary entrance door to the apartment. The notice will state the intended time and purpose of the entry.
(2) entry is for: responding to your request; making repairs or replacements; estimating repair or refurbishing costs; performing pest control; doing preventive maintenance; changing filters; testing or replacing smoke-detector and carbon monoxide detector batteries; retrieving unreturned tools, equipment or appliances; preventing waste of utilities; leaving notices; delivering, installing, reconnecting, or replacing appliances, furniture, equipment, or access control devices; removing or rekeying unauthorized access control devices; removing unauthorized window coverings; stopping excessive noise; removing health or safety hazards (including hazardous materials), or items prohibited under our rules; removing perishable foodstuffs if your electricity is disconnected; removing unauthorized animals; cutting off electricity according to statute; retrieving property owned or leased by former residents; inspecting when immediate danger to person or property is reasonably suspected; allowing persons to enter as you authorized in your rental application (if you die, are incarcerated, etc.); allowing entry by a law officer with a search or arrest warrant, or in hot pursuit; showing apartment to prospective residents (after move-out or vacate notice has been given); or showing apartment to government inspectors for the limited purpose of determining housing and fire ordinance compliance by us and to lenders, appraisers, contractors, prospective buyers, or insurance agents.

30. JOINT AND SEVERAL RESPONSIBILITY. Each resident is jointly and severally liable for all lease obligations. If you or any guest or occupant violates the Lease Contract or rules, all residents are considered to have violated the Lease Contract. Our requests and notices (including sale notices) to any resident constitute notice to all residents and occupants. Notices and requests from any resident or occupant (including notices of lease termination, repair requests, and entry permissions) constitute notice from all residents. In eviction suits, each resident is considered the agent of all other residents in the apartment for service of process. Security-deposit refunds and deduction itemizations of multiple residents will comply with paragraph 50 (Deposit Return, Surrender, and Abandonment).

Replacements

31. REPLACEMENTS AND SUBLETTING. Replacing a resident, subletting, assignment or granting a right or license to occupy is allowed only when we expressly consent in writing. If departing or remaining residents find a replacement resident acceptable to us before moving out and we expressly, in writing, consent to the replacement, subletting, assignment, or granting a right or any license to occupy, then:

(1) a reletting charge *will not* be due;
(2) a reasonable administrative (paperwork) and/or transfer fee *will* be due, and a rekeying fee *will* be due if rekeying is requested or required; and
(3) the departing and remaining residents will remain liable for all lease obligations for the rest of the original lease term.

© 2022, National Apartment Association, Inc. - 11/2022, Alabama

Procedures for Replacement. If we approve a replacement resident, then, at our option: (1) the replacement resident must sign this Lease Contract with or without an increase in the total security deposit; or (2) the remaining and replacement residents must sign an entirely new Lease Contract. Unless we agree otherwise in writing, your security deposit will automatically transfer to the replacement resident as of the date we approve. The departing resident will no longer have a right to occupancy or a security deposit refund, but will remain liable for the remainder of the original Lease Contract term unless we agree otherwise in writing—even if a new Lease Contract is signed.

Responsibilites of Owner and Resident

32. RESPONSIBILITIES OF OWNER. We'll act with customary diligence to:

(1) keep common areas reasonably clean, subject to paragraph 26 (Conditions of the Premises and Alterations);
(2) maintain fixtures, furniture, hot water, heating and A/C equipment;
(3) comply with the requirements of applicable building and housing codes materially affecting health and safety, and fair housing; and
(4) make all reasonable repairs, subject to your obligation to pay for damages for which you are liable.

33. DEFAULT BY RESIDENT. You'll be in default if you or any guest or occupant violates any terms of this Lease Contract including but not limited to the following violations: (1) you don't pay rent or other amounts that you owe when due; (2) you or any guest or occupant violates the apartment rules, or fire, safety, health, or criminal laws, regardless of whether or where arrest or conviction occurs; (3) you abandon the apartment; (4) you give incorrect or false answers in a rental application; (5) you or any occupant is arrested, convicted, or given deferred adjudication for a felony offense involving actual or potential physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, marijuana, or drug paraphernalia under state statute; (6) any illegal drugs or paraphernalia are found in the apartment; or (7) you or any guest or occupant engages in any of the prohibited conduct described in Paragraph 21 (Prohibited Conduct).

Eviction. If you default, we may deliver a notice to terminate your possessory interest according to Alabama law. Notice may be by: (1)regular mail; (2) certified mail, return receipt requested; (3) personal delivery to any resident; (4) personal delivery at the apartment to any occupant over 16 years old; or (5) affixing the notice to the inside or outside of the apartment's main entry door. Termination of your possession rights or subsequent reletting doesn't release you from liability for future rent or other lease obligations. After giving notice to vacate or filing an eviction suit, we may still reach an agreement with you to accept rent or other sums due without waiver of our right to proceed; in the event you agree at that time that our acceptance of rent after the breach will not waive our right to proceed, then acceptance of rent will not waive or diminish our right of eviction, or any other contractual or statutory right.

Holdover. You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then: (1) holdover rent is due in advance on a daily basis and may become delinquent without notice or demand; (2) you'll be liable to us for all rent for the full term of the previously signed Lease Contract of a new resident who can't occupy because of the holdover; and (3) at our option, we may extend the lease term--for up to one month from the date of notice of lease extension--by delivering written notice to you or your apartment while you continue to hold over. If the holdover is willful and not in good faith, we may recover an amount equal to and not more than three (3) months' periodic rent, or other damages allowed by Alabama law.

Other Remedies. We may report unpaid amounts to credit agencies. If you default and move out early, you will pay us any amounts stated to be rental discounts in paragraph 10 (Special Provisions), in addition to other sums due. Upon your default, we have all other legal remedies, including lease termination. Late charges are liquidated damages for our time, inconvenience, and overhead in collecting late rent. All unpaid amounts bear 8% interest per year from due date, compounded annually.

Waiver of Exemption Clause. You do hereby waive any and all rights to claim wages and or personal property as exempt, under the laws of state of Alabama or the United States.

Resident Initials: JM

Mitigation of Damages. If you move out early, you'll be subject to paragraph 11 (Early Move-Out) and all other remedies. We'll exercise reasonable efforts to re-rent, but it shall not take priority over our right to first rent other vacant units. We'll credit all subsequent rent that we actually receive from subsequent residents against your liability for past-due and future rent and other sums due.

Remedies Cumulative. Any remedies set forth herein shall be cumulative, in addition to, and not in limitation of, any other remedies available to Landlord under any applicable law.

Lease Renewal When A Breach or Default Has Occurred. In the event that you enter into a subsequent Lease prior to the expiration of this Lease and you breach or otherwise commit a default under this Lease, We may, at our sole and absolute discretion, terminate the subsequent Lease, even if the subsequent Lease term has yet to commence. We may terminate said subsequent Lease by sending you written notice of our desire to terminate said subsequent Lease.

General Clauses

34. ENTIRE AGREEMENT. Neither we nor any of our representatives have made any oral promises, representations, or agreements. This Lease Contract is the entire agreement between you and us.

35. NO AUTHORITY TO AMEND UNLESS IN WRITING. Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate your tenancy, unless in writing, and no authority to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives unless in writing.

36. NO WAIVER. Our not enforcing or belatedly enforcing written-notice requirements, rental due dates, acceleration, liens, or other rights isn't a waiver under any circumstances.

37. NOTICE. Except when notice or demand is required by statute, you waive any notice and demand for performance from us if you default. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease Contract should retain a copy of the memo, letter or fax that was given. Fax signatures are binding. All notices must be signed.

38. CABLE. Although the property may currently be providing cable on a bulk basis to the resident, the property may, with 30 days notice to the resident, cease providing cable and the resident will contract directly with the cable provider for such services.

39. MISCELLANEOUS.

A. All terms within this Lease Contract have followed an arms-length negotiation between the parties.
B. Exercising one remedy won't constitute an election or waiver of other remedies.
C. Unless prohibited by law or the respective insurance policies, insurance subrogation is waived by all parties.
D. All remedies are cumulative. No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf.
E. This Lease Contract binds subsequent owners.
F. Neither an invalid clause nor the omission of initials on any page invalidates this Lease Contract.
G. This Lease Contract is subordinate or superior to existing and future recorded mortgages, at lender's option.
H. All lease obligations must be performed in the county where the apartment is located.
I. All discretionary rights reserved for us within this Lease Contract or any accompanying addenda are at our sole and absolute discretion.

40. CONTACTING YOU. By signing this lease, you are agreeing that we, our representative(s) or agent(s) may contact you. You agree that we may contact you using any contact information relating to your lease including any number (i) you have provided to us (ii) from which you called us, or (iii) which we obtained and through which we reasonably believe we can reach you. You agree we may use any means to contact you. This may include calls made to your

cellular telephone using an automatic telephone dialing system, artificial or prerecorded voice messages, text messages, mail, e-mail, and calls to your phone or Voice over Internet Protocol (VoIP) service, or any other data or voice transmission technology. You agree to promptly notify us if you change any contact information you provide to us. You are responsible for any service provider charges as a result of us contacting you.

41. **OBLIGATION TO VACATE.** If we provide you with a notice to vacate, or if you provide us with a written notice to vacate or intent to move-out in accordance with the Lease Terms paragraph, and we accept such written notice, then you are required to vacate the Premises and remove all of your personal property therefrom at the expiration of the Lease term without further notice or demand from us.

42. **WAIVER OF JURY TRIAL.** To minimize legal expenses and, to the extent allowed by law, you and we agree that a trial of any lawsuit based on statute common law, and/or related to this Lease Contract shall be to a judge and not a jury.

Initials JM

43. **PAYMENTS.** Payment of all sums is an independent covenant. At our option and without notice, we may apply money received first to any of your unpaid obligations, then to current rent—regardless of notations on checks or money orders and regardless of when the obligations arose. All sums other than rent are due upon our demand. After the due date, we do not have to accept the rent or any other payments.

44. **ASSOCIATION MEMBERSHIP.** We represent that either: (1) we or; (2) the management company that represents us, is at the time of signing this Lease Contract or a renewal of this Lease Contract, a member of both the National Apartment Association and any affiliated state and local apartment (multi-housing) associations for the area where the apartment is located.

When Moving Out

45. **MOVE-OUT NOTICE.** Before moving out, either at the end of the lease term, any extension of the lease term, or prior to the end of the lease term, you must give our representative advance written notice of your intention to vacate as required by paragraph 3 (Lease Terms). If you move out prior to the end of the lease term, your notice does not act as a release of liability for the full term of the Lease Contract. You will still be liable for the entire Lease Contract term if you move out early (see paragraph 23 - Release of Resident) except if you are able to terminate your tenancy under the statutory rights explained under paragraph 11 (Early Move-Out), paragraph 23 (Release of Resident), or any other applicable laws. All notices to vacate must be in writing and must provide the date by which you intend to vacate. If the notice does not comply with the time requirements of paragraph 3 (Lease Terms), even if you move by the last date in the lease term, you will be responsible for an additional month's rent. If you fail to vacate by the date set forth in your notice, your notice is void and you must submit a new written notice. If you fail to provide proper notice and vacate, you will be responsible for an additional month's rent.

46. **MOVE-OUT PROCEDURES.** The move-out date can't be changed unless we and you both agree in writing. You won't move out before the lease term or renewal period ends unless all rent for the entire lease term or renewal period is paid in full. Early move-out may result in reletting charges and acceleration of future rent under paragraphs 11 (Early Move-Out paragraph) and 33 (Default by Resident). You may not apply any security deposit to rent. You won't stay beyond the date you are supposed to move out. All residents, guests, and occupants must vacate the apartment before the 30-day period for deposit refund begins. You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.

47. **CLEANING.** You must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges.

48. **MOVE-OUT INSPECTION.** You should meet with our representative for a move-out inspection. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final refunding or accounting.

49. **SECURITY DEPOSIT DEDUCTIONS AND OTHER CHARGES.** You'll be liable for the following charges, if applicable: unpaid rent; unpaid utilities; unreimbursed service charges; repairs or damages caused by negligence, carelessness, accident, or abuse, including stickers, scratches, tears, burns, stains, or unapproved holes; replacement cost of our property that was in or attached to the apartment and is missing; replacing dead or missing smoke-detector and carbon monoxide detector batteries; utilities for repairs or cleaning; trips to let in company representatives to remove your telephone or TV cable services or rental items (if you so request or have moved out); trips to open the apartment when you or any guest or occupant is missing a key; unreturned keys; missing or burned-out light bulbs; removing or rekeying unauthorized access control devices or alarm systems; agreed reletting charges; packing, removing, or storing property removed or stored under paragraph 13 (Property Left in the Apartment); removing illegally parked vehicles; special trips for trash removal caused by parked vehicles blocking dumpsters; false security-alarm charges unless due to our negligence; animal-related charges under paragraphs 6 (Rent and Charges) and 28 (Animals); government fees or fines against us for violation (by you, your occupants, or guests) of local ordinances relating to smoke and carbon monoxide detectors, false alarms, recycling, or other matters; late-payment and returned-check charges; a charge (not to exceed $100) for owner/manager's time and inconvenience in our lawful removal of an animal or in any valid eviction proceeding against you; and other sums due under this Lease Contract.

You'll be liable to us for: (1) charges for replacing all keys and access devices referenced in paragraph 5 (Keys) if you fail to return them on or before your actual move-out date; and (2) a reletting fee if you have violated paragraph 11 (Early Move-Out).

50. **DEPOSIT RETURN, SURRENDER, AND ABANDONMENT.**

Deposit Return and Forwarding Address. You are required to provide us written notice of your forwarding address, on or before termination of this Lease Contract. We'll mail you, to the forwarding address you provide, your security deposit refund (less lawful deductions) and an itemized accounting of any deductions no later than 60 days after termination of the tenancy and delivery of possession, if we are provided a valid forwarding address, in writing. If you fail to provide a valid forwarding address, we may mail, by first class mail, the deposit or itemized accounting, or both, to your last known address, if none, to you at the address of the apartment. Any deposit unclaimed by you, as well as any check outstanding, shall be forfeited by you after a period of ninety (90) days.

Surrender. You have surrendered the apartment when: (1) the move-out date has passed and no one is living in the apartment in our reasonable judgment; or (2) all apartment keys and access devices listed in paragraph 5 (Keys) have been turned in where rent is paid—whichever date occurs first.

Abandonment. You have abandoned the apartment when all of the following have occurred: (1) everyone appears to have moved out in our reasonable judgment; (2) clothes, furniture, and personal belongings have been substantially removed in our reasonable judgment; (3) you've been in default for non-payment of rent for 5 consecutive days or water, gas, or electric service for the apartment not connected in our name has been terminated; and (4) you've not responded for three (3) days to our notice sent by U.S. mail with adequate prepaid postage and stating that we consider the apartment abandoned. An apartment is also "abandoned" 10 days after the death of a sole resident.

Surrender, abandonment, or judicial eviction ends your right of possession for all purposes and gives us the immediate right to: clean up, make repairs in, and relet the apartment; determine any security deposit deductions; and remove property left in the apartment. Surrender, abandonment, and judicial eviction affect your rights to property left in the apartment (paragraph 13 - Property Left in the Apartment).

In the case of a bank error, the Resident(s) are still required to pay all fees associated with the NSF check policy. If either party incurs court costs and attorney's fees by reason of any default or breach by the other party the prevailing party in any such court action shall be entitled to reasonable attorney's fees and court costs from the other. Residents are permitted to use extension cords/outlet expanders/power strips for temporary purposes only, ensuring that these devices are not overloaded. The permanent use of these devices is strictly prohibited, and daisy chaining, running cords under rugs, and using damaged equipment are not allowed. Sterling reserves the right to conduct semi-annual inspections with at least 24 hours' notice. Residents must take immediate corrective action if misuse is identified, and any damage resulting from misuse will be the resident's responsibility. Mini-blinds must remain on all windows; Sterling provides one set per home. Residents must contact management for repairs or replacements and will be charged $50 per blind if damage exceeds normal wear. Sheets or blankets are not permitted in windows; neutral drapery with blinds is allowed. Only tasteful, seasonal decor may be placed between windows and blinds. Patios/balconies may be decorated with outdoor furniture and must stay clean and clutter-free. Bikes and outdoor toys must be stored in provided storage areas. Stepping stones are not allowed in lawns or plant beds. Occasionally, a resident may lock him or herself out of their apartment home or mailbox due to lost keys. If this occurs, the resident should contact the management office rather than forcing entry. A member of the management or maintenance team will assist the resident. If the resident is locked out after office hours, he or she should contact a locksmith (Brooks Lock & Key, 256-830-5990) and must provide the office a new key within 24 hours. If a resident does try to gain access by forced entry, resulting damages are the resident(s) responsibility. If a key is lost it is $5 to replace the key and $50 to rekey your lock. Additionally, by signing this Lease, I agree that The Moderne at Providence can send any and all correspondence, including account balance notices, electronically to the email provided by me. I also understand that it is my responsibility to provide a valid email address and agree to inform the office within 48 hours if my email address. "7" - Allocation based on square footage of your dwelling unit

"9" - Allocation based on the number of bedrooms in your dwelling unit
"10" - Allocation based on a lawful formula not listed here
(Note: if method "10" is selected, a separate sheet will be attached describing the formula used)

2. If an allocation method is used, we or our billing company will calculate your allocated share of the utilities and services provided and all costs in accordance with state and local statutes. Under any allocation method, Resident may be paying for part of the utility usage in common areas or in other residential units as well as administrative fees. Both Resident and Owner agree that using a calculation or allocation formula as a basis for estimating total utility consumption is fair and reasonable, while recognizing that the allocation method may or may not accurately reflect actual total utility consumption for Resident. Where lawful, we may change the above methods of determining your allocated share of utilities and services and all other billing methods, in our sole discretion, and after providing written notice to you. More detailed descriptions of billing methods, calculations and allocation formulas will be provided upon request.

   If a flat fee method for trash or other utility service is used, Resident and Owner agree that the charges indicated in this Agreement (as may be amended with written notice as specified above) represent a fair and reasonable amount for the service(s) provided and that the amount billed is not based on a monthly per unit cost.

3. When billed by us directly or through our billing company, you must pay utility bills within 25 days of the date when the utility bill is issued at the place indicated on your bill, or the payment will be late. If a payment is late, you will be responsible for a late fee as indicated below. The late payment of a bill or failure to pay any utility bill is a material and substantial breach of the Lease and we will exercise all remedies available under the Lease, up to and including eviction for nonpayment. To the extent there are any new account, monthly administrative, late or final bill fees, you shall pay such fees as indicated below.

New Account Fee:	$ 13.50	(not to exceed $ 16.00)
Monthly Administrative Billing Fee:	$ 5.00	(not to exceed $ 10.00)
Late Fee:	$ 100.00	(not to exceed $)
Final Bill Fee:	$	(not to exceed $)

   If allowed by state law, we at our sole discretion may amend these fees, with written notice to you.

4. You will be charged for the full period of time that you were living in, occupying, or responsible for payment of rent or utility charges on the dwelling. If you breach the Lease, you will be responsible for utility charges for the time period you were obliged to pay the charges under the Lease, subject to our mitigation of damages. In the event you fail to timely establish utility services, we may charge you for any utility service billed to us for your dwelling and may charge a reasonable administration fee for billing for the utility service in the amount of $ 50.00.

5. When you move out, you will receive a final bill which may be estimated based on your prior utility usage. This bill must be paid at the time you move out or it will be deducted from the security deposit.

6. You agree not to tamper with, adjust, or disconnect any utility sub-metering system or device. Violation of this provision is a material breach of your Lease and may subject you to eviction or other remedies available to us under your Lease, this Utility Addendum and at law.

7. Where lawful, all utilities, charges and fees of any kind under this Lease shall be considered additional rent, and if partial payments are accepted by the Owner, they will be allocated first to non-rent charges and to rent last.

8. You represent that all occupants that will be residing in the Unit are accurately identified in the Lease. You agree to promptly notify Owner of any change in such number of occupants.

9. You agree that you may, upon thirty (30) days prior written notice from Owner to you, begin receiving a bill for additional utilities and services, at which time such additional utilities and services shall for all purposes be included in the term Utilities.

10. This Addendum is designed for use in multiple jurisdictions, and no billing method, charge, or fee mentioned herein will be used in any jurisdiction where such use would be unlawful. If any provision of this addendum or the Lease is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this addendum or the Lease. Except as specifically stated herein, all other terms and conditions of the Lease shall remain unchanged. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control.

11. The following special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Utility Addendum and will supersede any conflicting provisions of this printed Utility Addendum and/or the Lease Contract. **Fees and billing method may be changed with a 30-day notice to you. If at any time during your lease term, utilities are reverted to Owner for any reason, you will be charged for your usage and an administrative charge up to $50 for each billing cycle. Residents are required to keep trash off their porch and/or common area. Boxes must be broken down and placed next to our Retail Suites dumpster, but never in the trash compactor. Absolutely no furniture, car oil, hazardous waste, tires, industrial items, or unbroken down boxes should be deposited into the compactor for any reason. If you violate this policy, you will be fined up to $50 per occurrence. If our maintenance personnel must pick up litter, cigarette butts, etc. for specific residents, a $25 fee will be assessed on the 1st offense, $50 on the 2nd, and $100 each time thereafter. Please properly dispose of these items in the trash compactor.**

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. PURPOSE OF ADDENDUM. The purpose of this Buy-Out Agreement is to give you the right to buy out of your Lease Contract early—subject to any special provisions in paragraph 9 below. In order to buy out early, your notice must be signed by all residents listed in paragraph 1 of the Lease Contract and you must comply with all provisions of this Buy-Out Agreement.

4. BUY-OUT PROCEDURES. You may buy out of the Lease Contract prior to the end of the lease term and cut off all liability for paying rent for the remainder of the lease term *if all of the following occur:*

(a) you give us written notice of buy-out at least 60 days prior to the new termination date (i.e., your new move-out date), which *(check one)* ☐ must be the last day of a month or ☒ may be during a month;

(b) you specify the new termination date in the notice, i.e., the date by which you'll move out;

(c) you are not in default under the Lease Contract on the date you give us the notice of buy-out;

(d) you are not in default under the Lease Contract on the new termination date (move-out date);

(e) you move out on or before the new termination date and do not hold over;

(f) you pay us a buy-out fee (consideration) of $2318.00;

(g) you pay us the amount of any concessions you received when signing the Lease Contract; and

(h) you comply with any special provisions in paragraph 9 below.

5. WHEN PAYABLE. The buy-out fee in paragraph 4(f) is due and payable no later than 0 days after you give us your buy-out notice. The total dollar amount of any concessions regarding rent or other monetary lease obligations for the entire lease term is $ 0.00 and is due payable on the same day as the buy-out fee, subject to any special provisions in paragraph 9 regarding the amount, calculation method, or payment date.

6. SHOWING UNIT TO PROSPECTIVE RESIDENTS. After you give us notice of buy-out, the Lease Contract gives us the right to begin showing your unit to prospective residents and telling them it will be available immediately after your new termination date.

7. COMPLIANCE ESSENTIAL. Our deposit of all amounts due under paragraphs 4(f) and 4(g) constitutes our approval of the new termination date stated in your notice of buy-out. If you fail to comply with any of the procedures or requirements in this agreement after we deposit such monies, your buy-out right and this agreement will be voided automatically; and (1) any amounts you have paid under this agreement will become part of your security deposit, and (2) the lease will continue without buy-out. Then, if you move out early, you are subject to all lease remedies, including reletting fees and liability for all rents for the remainder of the original lease term.

8. MISCELLANEOUS. If moving out by the new termination date becomes a problem for you, contact us. An extension may be possible if we have not already relet the dwelling unit to a successor resident. We and any successor residents who may be leasing your unit will be relying on your moving out on or before the new termination date. Therefore, you may not hold over beyond such date without our written consent—even if it means you have to make plans for temporary lodging elsewhere. "Default" as used in paragraphs 4(c) and 4(d) of this agreement means default as defined in the Lease Contract. You will continue to be liable for any damages and any sums accruing and unpaid prior to the new termination date.

9. SPECIAL PROVISIONS. Your right of buy-out *(check one)* ☐ is or ☒ is not limited to a particular fact situation. If limited, buy-out may be exercised only if the following facts (see below) occur and any described documents are furnished to us. Any special provisions below will supersede any conflicting provision of this printed agreement. Any false statements or documents presented to us regarding buy-out will automatically void your right to buy-out of the Lease Contract. The special provisions are:

You must fulfill 4 months of lease agreement before exercising this option.

11. **ANIMAL RULES.** You are responsible for the animal's actions at all times. You agree to abide by these rules:

- The animal must not disturb the neighbors or other residents, regardless of whether the animal is inside or outside the dwelling.
- Dogs, cats, and support animals must be housebroken. All other animals must be caged at all times. No animal offspring are allowed.
- Inside, the animal may urinate or defecate *only* in these designated areas: **Litter Boxes for cats ONLY**
- Outside, the animal may urinate or defecate *only* in these designated areas: **Owner MUST pick up waste & keep on leash**
- Animals may not be tied to any fixed object anywhere outside the dwelling, except in fenced yards (if any) for your exclusive use.
- You must not let an animal other than support animals into swimming-pool areas, laundry rooms, offices, clubrooms, other recreational facilities, or other dwellings.
- Your animal must be fed and watered inside the dwelling. Don't leave animal food or water outside the dwelling at any time, except in fenced yards (if any) for your exclusive use.
- You must keep the animal on a leash and under your supervision when outside the dwelling or any private fenced area. We or our representative may pick up unleashed animals and/or report them to the proper authorities. We may impose reasonable charges for picking up and/or keeping unleashed animals.
- Unless we have designated a particular area in your dwelling or on the grounds for animal defecation and urination, you are prohibited from letting an animal defecate or urinate *anywhere* on our property. You must take the animal off our property for that purpose. If we allow animal defecation inside the dwelling in this Addendum, you must ensure that it's done in a litter box with a kitty litter-type mix. If the animal defecates anywhere on our property (including in a fenced yard for your exclusive use), you'll be responsible for immediately removing the waste and repairing any damage. Despite anything this Addendum says, you must comply with all local ordinances regarding animal defecation.

12. **ADDITIONAL RULES.** We have the right to make reasonable changes to the animal rules from time to time in accordance with Alabama law. We will distribute written notice of any changes to the animal rules to all residents who are allowed to have an animal.

13. **VIOLATION OF RULES.** If you, your guest, or any occupant violates any rule or provision of this Animal Addendum (based upon our judgment) and we give you written notice, you must remove the animal from the premises within the time period specified in our notice. We also have all other rights and remedies set forth in the Lease Contract, including damages and eviction to the extent allowed by law.

14. **COMPLAINTS ABOUT ANIMAL.** You must immediately and permanently remove the animal from the premises if we receive a reasonable complaint from a neighbor or other resident or if we, in our sole discretion, determine that the animal has disturbed neighbors or other residents.

15. **OUR REMOVAL OF ANIMAL.** In some circumstances, we may enter the dwelling and remove the animal with a 48-hour written notice left in a conspicuous place. We can do this if, in our sole judgment, you have:

- abandoned the animal;
- left the animal in the dwelling for an extended period of time without food or water;
- failed to care for a sick animal;
- violated our animal rules; or
- let the animal defecate or urinate where it's not supposed to.

© 2026, National Apartment Association, Inc. - 4/2026, Alabama

In doing this, we must follow the procedures of the Lease Contract, and we may board the animal or turn the animal over to a humane society or local authority. We'll return the animal to you upon request if we haven't already turned it over to a humane society or local authority. We don't have a lien on the animal for any purpose, but you must pay for reasonable care and kenneling charges for the animal. If you don't pick up the animal within 5 days after we remove it, it will be considered abandoned.

16. **LIABILITY FOR DAMAGES, INJURIES, CLEANING, ETC.** You and all co-residents will be jointly and severally liable for the entire amount of all damages caused by the animal, including all cleaning, defleaing, and deodorizing. This provision applies to all parts of the dwelling, including carpets, doors, walls, drapes, wallpaper, windows, screens, furniture, appliances, as well as landscaping and other outside improvements. 2. LEASE CONTRACT DESCRIPTION.
Lease Contract Date: October 20, 2026
Owner's name: The Moderne

Residents *(list all residents)*:

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. NUMBER AND SIZE. You may install 0 satellite dish(es) or antenna(s) on the leased premises. A satellite dish may not exceed one meter (3.3 feet) in diameter. Antennas that only transmit signals or that are not covered by 47 CFR § 1.4000 are prohibited.

4. LOCATION. Your satellite dish or antenna must be located: (1) inside your dwelling; or (2) in an area outside your dwelling such as a balcony, patio, yard, etc. of which you have exclusive use under your lease. Installation is not permitted on any parking area, roof, exterior wall, window, window sill, fence or common area, or in an area that other residents are allowed to use. A satellite dish or antenna may not protrude beyond the vertical and horizontal space that is leased to you for your exclusive use.

5. SAFETY AND NON-INTERFERENCE. Your installation: (1) must comply with all applicable ordinances and laws and all reasonable safety standards; (2) may not interfere with our cable, telephone or electrical systems or those of neighboring properties; (3) may not be connected to our telecommunication systems; and (4) may not be connected to our electrical system except by plugging into a 110-volt duplex receptacle. If the satellite dish or antenna is placed in a permitted outside area, it must be safely secured by one of three methods: (1) securely attaching it to a portable, heavy object such as a small slab of concrete; (2) clamping it to a part of the building's exterior that lies within your leased premises (such as a balcony or patio railing); or (3) any other method approved by us in writing. No other methods are allowed. We may require reasonable screening of the satellite dish or antenna by plants, etc., so long as it does not impair reception.

6. SIGNAL TRANSMISSION FROM EXTERIOR DISH OR ANTENNA TO INTERIOR OF DWELLING. You may not damage or alter the leased premises and may not drill holes through outside walls, door jams, window sills, etc. If your satellite dish or antenna is installed outside your dwelling (on a balcony, patio, etc.), the signals received by it may be transmitted to the interior of your dwelling only by the following methods: (1) running a "flat" cable under a door jam or window sill in a manner that does not physically alter the premises and does not interfere with proper operation of the door or window; (2) running a traditional or flat cable through a pre-existing hole in the wall (that will not need to be enlarged to accommodate the cable); (3) connecting cables "through a window pane," similar to how an external car antenna for a cellular phone can be connected to inside wiring by a device glued to either side of the window—without drilling a hole through the window; (4) wireless transmission of the signal from the satellite dish or antenna to a device inside the dwelling; or (5) any other method approved by us in writing.

7. SAFETY IN INSTALLATION. In order to assure safety, the strength and type of materials used for installation must be approved by us. Installation must be done by a qualilied person or company approved by us. Our approval will not be unreasonably withheld. An installer provided by the seller of the satellite dish or antenna is presumed to be qualified.

8. MAINTENANCE. You will have the sole responsibility for maintaining your satellite dish, antenna and all related equipment.

9. REMOVAL AND DAMAGES. You must remove the satellite dish or antenna and all related equipment when you move out of the dwelling. In accordance with the Lease Contract, you must pay for any damages and for the cost of repairs or repainting caused by negligence, carelessness, accident or abuse which may be reasonably necessary to restore the leased premises to its condition prior to the installation of your satellite dish, antenna or related equipment. You will not be responsible for normal wear.

10. LIABILITY INSURANCE. You must take full responsibility for the satellite dish, antenna and related equipment. If the dish or antenna is installed at a height that could result in injury to others if it becomes unattached and falls, you must provide us with evidence of liability insurance (if available) to protect us against claims of personal injury and property damage to others, related to your satellite dish, antenna and related equipment. The insurance coverage must be $ _____, which is an amount reasonably determined by us to accomplish that purpose. Factors affecting the amount of insurance include height of installation above ground level, potential wind velocities, risk of the dish/antenna becoming unattached and falling on someone, etc.

11. SECURITY DEPOSIT. An additional security deposit of $ _____ will be charged. We *(check one)* ❑ will consider or ❑ will not consider this additional security deposit a general security deposit for all purposes. Total security deposit shall not exceed two months periodic rent. The security deposit amount in the Lease Contract *(check one)* ❑ does or ❑ does not include this additional deposit amount. Refund of the additional security deposit will be subject to the terms and conditions set forth in the Lease Contract regardless of whether it is considered part of the general security deposit.

This additional security deposit is required to help protect us against possible repair costs, damages, or failure to remove the satellite dish, antenna and related equipment at time of move-out. Factors affecting any security deposit may vary, depending on: (1) how the dish or antenna is attached (nails,screws, lag bolts drilled into walls); (2) whether holes were permitted to be drilled through walls for the cable between the satellite dish and the TV; and (3) the difficulty and cost repair or restoration after removal, etc.

13. **MISCELLANEOUS.** If additional satellite dishes or antennas are desired, an additional lease addendum must be executed.

We have the right to select any licensed pest control professional to treat the dwelling and building. We can select the method of treating the dwelling, building and common areas for bed bugs. We can also inspect and treat adjacent or neighboring dwellings to the infestation even if those dwellings are not the source or cause of the known infestation. Unless otherwise prohibited by law, you are responsible for and must, at your own expense, have your own personal property, furniture, clothing and possessions treated according to accepted treatment methods established by a licensed pest control firm that we approve. You must do so as close as possible to the time we treated the dwelling. 7. COOPERATION. If we confirm the presence or infestation of bed bugs, you must cooperate and coordinate with us and our pest control agents to treat and eliminate the bed bugs. You must follow all directions from us or our agents to clean and treat the dwelling and building that are infested. You must remove or destroy personal property that cannot be treated or cleaned as close as possible to the time we treated the dwelling. Any items you remove from the dwelling must be disposed of off-site and not in the property's trash receptacles. If we confirm the presence or infestation of bed bugs in your dwelling, we have the right to require you to temporarily vacate the dwelling and remove all furniture, clothing and personal belongings in order for us to perform pest control services. If you fail to cooperate with us, you will be in default, and we will have the right to terminate your right of occupancy and exercise all rights and remedies under the Lease Contract.

8. RESPONSIBILITIES. You may be required to pay all reasonable costs of cleaning and pest control treatments incurred by us to treat your dwelling unit for bed bugs. If we confirm the presence or infestation of bed bugs after you vacate your dwelling, you may be responsible for the cost of cleaning and pest control treatments. If we must move other residents in order to treat adjoining or neighboring dwellings to your dwelling unit, you may be liable for payment of any lost rental income and other expenses incurred by us to relocate the neighboring residents and to clean and perform pest control treatments to eradicate infestations in other dwellings. BED BUGS - A Guide for Rental Housing Residents

Bed bugs, with a typical lifespan of 6 to 12 months, are wingless, flat, broadly oval-shaped insects. Capable of reaching the size of an apple seed at full growth, bed bugs are distinguishable by their reddish-brown color, although after feeding on the blood of humans and warm-blooded animals—their sole food source—the bugs assume a distinctly blood-red hue until digestion is complete.

Bed bugs don't discriminate

Bed bugs increased presence across the United States in recent decades can be attributed largely to a surge in international travel and trade. It's no surprise then that bed bugs have been found time and time again to have taken up residence in some of the fanciest hotels and apartment buildings in some of the nation's most expensive neighborhoods.

Nonetheless, false claims that associate bed bugs presence with poor hygiene and uncleanliness have caused rental housing residents, out of shame, to avoid notifying owners of their presence. This serves only to enable the spread of bed bugs.

While bed bugs are, by their very nature, more attracted to clutter, they're certainly not discouraged by cleanliness.

Bottom line: bed bugs know no social and economic bounds; claims to the contrary are false.

Bed bugs don't transmit disease

There exists no scientific evidence that bed bugs transmit disease. In fact, federal agencies tasked with addressing pest of public health concern, namely the U.S. Environmental Protection Agency and the Centers for Disease Control and Prevention, have refused to elevate bed bugs to the threat level posed by disease transmitting pests. Again, claims associating bed bugs with disease are false.

Identifying bed bugs

Bed bugs can often be found in, around and between:

- Bedding
- Bed frames
- Mattress seams
- Upholstered furniture, especially under cushions and along seams
- Around, behind and under wood furniture, especially along areas where drawers slide
- Curtains and draperies
- Along window and door frames
- Ceiling and wall junctions
- Crown moldings
- Behind and around wall hangings and loose wallpaper
- Between carpeting and walls (carpet can be pulled away from the wall and tack strip)
- Cracks and crevices in walls and floors
- Inside electronic devices, such as smoke and carbon monoxide detectors
- Because bed bugs leave some persons with itchy welts strikingly similar to those caused by fleas and mosquitoes, the origination of such markings often go misdiagnosed. However, welts caused by bed bugs often times appear in succession and on exposed areas of skin, such as the face, neck and arms. In some cases, an individual may not experience any visible reaction resulting from direct contact with bed bugs.
- While bed bugs typically prefer to act at night, they often do not succeed in returning to their hiding spots without leaving traces of their presence through fecal markings of a red to dark brown color, visible on or near beds. Blood stains tend also to appear when the bugs have been squashed, usually by an unsuspecting host in their sleep. And, because they shed, it's not uncommon for skin casts to be left behind in areas typically frequented by bed bugs.

Preventing bed bug encounters when traveling

Because humans serve as bed bugs' main mode of transportation, it is extremely important to be mindful of bed bugs when away from home. Experts agree that the spread of bed bugs across all regions of the United States is largely attributed to an increase in international travel and trade. Travelers are therefore encouraged to take a few minutes upon arriving to their temporary destination to thoroughly inspect their accommodations, so as to ensure that any uninvited guests are detected before the decision is made to unpack.

Because bed bugs can easily travel from one room to another, it is also recommended that travelers thoroughly inspect their luggage and belongings for bed bugs before departing for home.

Bed bug do's and don'ts

- **Do not bring used furniture from unknown sources into your dwelling.** Countless bed bug infestations have stemmed directly from the introduction into a resident's unit of second-hand and abandoned furniture. Unless the determination can be made with absolute certainty that a piece of second-hand furniture is bed bug-free, residents should assume that the reason a seemingly nice looking leather couch, for example, is sitting curbside, waiting to be hauled off to the landfill, may very well be due to the fact that it's teeming with bed bugs.
- **Do address bed bug sightings immediately.** Rental housing residents who suspect the presence of bed bugs in their unit must immediately notify the owner.
- **Do not attempt to treat bed bug infestations.** Under no circumstance should you attempt to eradicate bed bugs. Health hazards associated with the misapplication of traditional and non-traditional, chemical-based insecticides and pesticides poses too great a risk to you and your neighbors.
- **Do comply with eradication protocol.** If the determination is made that your unit is indeed playing host to bed bugs, you must comply with the bed bug eradication protocol set forth by both your owner and their designated pest management company.

MOLD INFORMATION AND PREVENTION ADDENDUM

Becomes part of Lease Contract

Please note: It is our goal to maintain a quality living environment for our residents. To help achieve this goal, it is important to work together to minimize any mold growth in your dwelling. That is why this addendum contains important information for you, and responsibilities for both you and us.

1. DWELLING DESCRIPTION.

30 Gates Mill Street NW #614

(street address), 614 *(unit no. if applicable)* in Huntsville *(city),* Alabama, 35806 *(zip code).*

2. LEASE CONTRACT DESCRIPTION.

Lease Contract Date: October 20, 2026

Owner's name: The Moderne

Residents *(list all residents)*:

Jacob Morris

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. ABOUT MOLD. Mold is found virtually everywhere in our environment—both indoors and outdoors and in both new and old structures. Molds are naturally occurring microscopic organisms which reproduce by spores and have existed practically from the beginning of time. All of us have lived with mold spores all our lives. Without molds we would all be struggling with large amounts of dead organic matter.

Mold breaks down organic matter in the environment and uses the end product for its food. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing and other materials. When excess moisture is present inside a dwelling, mold can grow. A 2004 Federal Centers for Disease Control and Prevention study found that there is currently no scientific evidence that the accumulation of mold causes any significant health risks for person with normally functioning immune systems. Nonetheless, appropriate precautions need to be taken.

4. PREVENTING MOLD BEGINS WITH YOU. In order to minimize the potential for mold growth in your dwelling, you must do the following:

- Keep your dwelling clean—particularly the kitchen, the bathroom(s), carpets and floors. Regular vacuuming, mopping and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food.
- Remove visible moisture accumulation on windows, walls, ceilings, floors and other surfaces as soon as reasonably possible. Look for leaks in washing machine hoses and discharge lines—especially if the leak is large enough for water to infiltrate nearby walls. Turn on any exhaust fans in the bathroom and kitchen *before* you start showering or cooking with open pots. When showering, be sure to keep the shower curtain *inside* the tub or fully close the shower doors. Also, the experts recommend that after taking a shower or bath, you: (1) wipe moisture off of shower walls, shower doors, the bathtub and the bathroom floor; (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated; and (3) hang up your towels and bath mats so they will completely dry out.
- Promptly notify us in writing about any air conditioning or heating system problems you discover. Follow our rules, if any, regarding replacement of air filters. Also, it is recommended that you periodically open windows and doors on days when the outdoor weather is dry (i.e., humidity is below 50 percent) to help humid areas of your dwelling dry out.
- Promptly notify us in writing about any signs of water leaks, water infiltration or mold. We will respond in accordance with state law and the Lease Contract to repair or remedy the situation, as necessary.
- Keep the thermostat set to automatically circulate air in the event temperatures rise to or above 80 degrees Fahrenheit.

5. IN ORDER TO AVOID MOLD GROWTH, it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources, such as:

- rainwater leaking from roofs, windows, doors and outside walls, as well as flood waters rising above floor level;
- overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or A/C drip pans or clogged up A/C condensation lines;
- leaks from plumbing lines or fixtures, and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks;
- washing machine hose leaks, plant watering overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking;
- leaks from clothes dryer discharge vents (which can put lots of moisture into the air); and
- insufficient drying of carpets, carpet pads, shower walls and bathroom floors.

6. IF SMALL AREAS OF MOLD HAVE ALREADY OCCURRED ON *NON-POROUS* SURFACES (such as ceramic tile, formica, vinyl flooring, metal, wood or plastic), the federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap (or detergent) and water, let the surface dry, and then within 24 hours apply a pre-mixed, spray-on-type household biocide, such as Lysol Disinfectant®, Pine-Sol Disinfectant® (original pine-scented), Tilex Mildew Remover® or Clorox Cleanup®. (Note: Only a few of the common household cleaners will actually kill mold). Tilex® and Clorox® contain bleach which can discolor or stain. **Be sure to follow the instructions on the container.** Applying biocides without first cleaning away the dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface.

Always clean and apply a biocide to an area 5 or 6 times larger than any visible mold because mold may be adjacent in quantities not yet visible to the naked eye. A vacuum cleaner with a high-efficiency particulate air (HEPA) filter can be used to help remove non-visible mold products from *porous* items, such as fibers in sofas, chairs, drapes and carpets—provided the fibers are completely dry. Machine washing or dry cleaning will remove mold from clothes.

© 2023, National Apartment Association, Inc. - 3/2023, Alabama

7. **DO NOT CLEAN OR APPLY BIOCIDES TO:** (1) visible mold on *porous surfaces,* such as sheetrock walls or ceilings, or (2) *large areas* of visible mold on *non-porous* surfaces. Instead, notify us in writing, and we will take appropriate action.

8. **COMPLIANCE.** Complying with this addendum will help prevent mold growth in your dwelling, and both you and we will be able to respond correctly if problems develop that could lead to mold growth. If you have questions regarding this addendum, please contact us at the management office or at the phone number shown in your Lease Contract.

   If you fail to comply with this Addendum, you can be held responsible for property damage to the dwelling and any health problems that may result. We can't fix problems in your dwelling unless we know about them.

Floor Cleaning Addendum to Lease Contract

This Addendum for **The Moderne** is attached to and becomes a part of the Residential Lease Agreement for **Jacob Morris**

_____ residing in apartment **614**. For the duration of the Lease, Lessee is required to maintain and provide the following minimum required insurance coverage:

- Dirt, debris and gravel are abrasive to vinyl and could potentially scratch and yellow the flooring. Keep abrasive materials such as dirt and small stones out of the apartment by using doormats directly inside your apartment doors.
- Sweep or vacuum the floor regularly to remove loose dirt and grit that can abrade, dull or scratch your floor. Do not use a vacuum with a beater brush, because it may damage the floor's surface.
- Wipe up spills promptly with a damp cloth or mop and/or spot clean with Mohawk Floor Care Essentials Hardwood & Laminate Floor Cleaner.
- Wash the floor with warm water or a cleaner suitable for resilient floors.
- Remove excess water after washing the floor.
- Do not, at any time, flood the floor with water or maintenance solutions.
- Avoid furniture with rollers which will leave scratches on your floor. Use felt tips underneath furniture to avoid scratches and scuffs. Place the felt tips at the bottom of the chair and table legs allowing the furniture to slide across the floor.
- Heavy furniture or appliances should be equipped with flat, non-staining composition furniture casters or cups of appropriate size.
- Place mats outside entrances to prevent dirt, grit and soil from being tracked onto your floor.
- Use 100% latex-backed mats (labeled non-staining), because some rubber mats or carpets may permanently discolor your floor. Sweep regularly underneath rugs to prevent dirt and debris from scratching your floor.
- Draw blinds during peak periods of sunlight, as flooring may discolor or fade when over-exposed to the sun.
- Do not use steam cleaners on your floor, as they can permanently damage the floor.
- Avoid wearing stiletto or spiked heels on your floor. These types of heels can indent or damage many types of floors.
- Never use a knife to pry dried substances off the floor as it will leave a permanent scratch.

   A single Arbitrator shall preside over any arbitration under this Lease Contract and shall render a final, binding decision.

   You may choose the American Arbitration Association ("AAA"), JAMS, or other similar arbitration service provider acceptable to us to administer the arbitration. Consistent with the FAA, the Arbitrator shall determine the relevant AAA, JAMS, or other arbitration rules. For AAA and JAMS, these rules can be found at www.adr.org and www.jamsadr.com.

   Unless otherwise agreed by the parties, the arbitration shall take place in the county where the relevant Apartment Community is located.

   Each party to the arbitration shall pay his, her, or its own costs of arbitration. If you cannot afford your arbitration costs, you may apply for a waiver under the relevant rules.

4. **CLASS ACTION WAIVER.** The parties waive any right to bring representative claims on behalf of a class of individuals (the "Class Action Waiver"). This Class Action Waiver means that You waive your ability to participate either as a class representative or member of any class action claim(s) against Owner or Owner's Agents ("us"). While You are not waiving any right(s) to pursue claims against us related to Your tenancy, You hereby agree to file any claim(s) against us in Your individual capacity only, and You may not be a class action plaintiff, class representative, or member in any purported class action lawsuit ("Class Action"). Accordingly, **You expressly waive any right and/or ability to bring, represent, join, or otherwise maintain a Class Action or similar proceeding against us in any forum. Any claim that all or any part of the Class Action Waiver is unenforceable, unconscionable, void, or voidable shall be determined by the arbitration service chosen by the parties.**

   YOU UNDERSTAND THAT, WITHOUT THIS ARBITRATION PROVISION AND ITS CLASS ACTION WAIVER, YOU MAY HAVE POSSESSED THE ABILITY TO BE A PARTY TO A CLASS ACTION LAWSUIT. BY SIGNING THIS AGREEMENT, YOU UNDERSTAND AND CHOOSE TO WAIVE SUCH ABILITY AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY.

   This arbitration provision, and its Class Action Waiver, shall survive the termination or expiration of this Lease Contract.

5. **SEVERABILITY.** This arbitration provision may be severed or modified if necessary, to render it enforceable.

6. **OPT-OUT REQUIREMENT.** You may opt-out of this arbitration provision by providing written notice to the Owner within thirty days of signing this Agreement.

Personal Statement Regarding My Relationship with Flávia Borba da Silva

To Whom It May Concern,

Have you ever met someone where, after talking with them, the only thing you wanted to do was spend every moment with that person? Where every thought you had afterward was about that person, and your future plans somehow started including them? That is exactly what happened to me when I met Flávia Borba da Silva.

Destiny, soulmates, true love, call it what you want. I just know that when I walked into the Phaze 3 Fitness Center on March 1, 2026, I had no idea my life was about to change forever.

Like every Sunday, I went to the gym to work out. That day, I saw a beautiful girl on the treadmill. Luckily, there was an open treadmill next to her, and after working up the courage, I introduced myself. She told me she was from Brazil, and I was intrigued. Not only was she beautiful, but she had an accent, green eyes, dimples, and the best smile I had ever seen.

We talked for about an hour and a half while walking side by side on the treadmills. The best walk I had ever been on. Before we left, we exchanged numbers, and I was on a mission to make her final month in America the most memorable month of her yearlong au pair program before she returned to Brazil.

Our first date was March 6 at Topgolf, followed by Dave & Buster's. We barely even ordered our food because we were talking so much. Our connection was amazing. We played golf, and of course, she was a natural athlete and put up a good fight. After I managed to scratch out a win, we headed to Dave & Buster's. On the way out, I worked up the nerve to hold her hand, and during the night we shared our first kiss.

During that date, I told Flávia about my previous marriage, divorce, and my two daughters. I honestly half expected her to leave. Instead, she stayed, and I realized she had one of the biggest hearts of anyone I had ever met.

Over the next few weeks, we spent every moment we could together. We went on hikes, had ice cream dates, did hot yoga, listened to music under the stars, put a lock on a bridge at Ditto Landing, and cooked for each other. We had inside jokes that nobody else understood and laughed constantly. I even made her feijoada, a traditional Brazilian dish, and surprised her with heart balloons.

One of our last nights together, I had a dozen roses hanging from the ceiling for her. She gave me a mug and made me a card that still makes me cry to this day. That was the first time we said "I love you," although we both felt it long before we said it.

Flávia returned to Brazil on April 2. It was hard. It felt like my other half had left, and I missed her like crazy. But our relationship was strong, and we continued talking every day across different continents, time zones, and thousands of miles. We texted constantly and started calling each other almost every day. Our calls were usually around an hour and a half. We just couldn't stop talking. We still can't.

Within about a week, we made solid plans for my first trip to Florianópolis. I arrived in Brazil on May 3 and left on May 16, 2026. Flávia picked me up at the airport, and for the first four days we stayed at the Plaza resort in Santo Amaro da Imperatriz. We then stayed at an Airbnb at Campeche Beach the rest of the time.

During those two weeks, I met her mother and extended family for Mother's Day, met her friends, explored Florianópolis, watched the sunrise with her, and experienced more of her life in Brazil. We spent our days talking, laughing, playing Uno and dominoes, and simply enjoying being together. I could feel our relationship becoming something permanent. During that trip, I knew I wanted to marry Flávia.

I returned to Brazil again from June 24–28 to attend her sister's wedding on June 26. Flávia was the maid of honor, and I spent the day with her friends before the wedding. At the wedding and reception, I met even more of her family and friends. Flávia also caught the bouquet that night, and I remember thinking it was a sign that we would get married. I had never seen someone so excited to catch a bouquet!

I returned home on June 28, but we were already planning my next trip. Because I had accepted a new position with Deloitte beginning July 20, I had time between jobs and was able to return to Brazil from July 4–16.

After a long flight with delays, I arrived in Florianópolis on July 5. Flávia picked me up at the airport, and I surprised her with a magnet from our first date at Topgolf. We stayed at her family's beach house at Tapera Beach. She had heart balloons, candy, and handwritten notes throughout the house waiting for me. One of our sayings is, "If you want the moon, I'll learn to fly," so I had also surprised her with moon earrings and a necklace during my previous trip.

We traveled together to Porto Alegre, and while we were there, I realized I could not imagine living my life without Flávia. With my new job starting soon, I did not know when I would have another opportunity to see her or ask her to marry me. I knew I wanted to marry her.

I began planning the proposal. I told her sister, arranged for a ring and flowers, and asked her parents for their blessing. They happily gave us their blessing and were very excited for us.

Then Flávia randomly told me about Hotel Colline de France in Gramado, a place she had always wanted to visit. I had never heard of Gramado, but after seeing pictures of the hotel and the city, I immediately thought it was the perfect place to propose. We booked the hotel, and I arranged for a photographer and rose petals for the proposal.

We arrived in Gramado on July 12 and explored the beautiful town. The next day, July 13, was the big day. I was nervous with anticipation all day. I told Flávia we were going to a "fancy dinner," but I had secretly arranged everything with the hotel.

That evening, I led her into the gazebo, where rose petals and candlelit lanterns had been arranged. I turned her around, got down on one knee, and said:

"Flávia, you are the one I prayed for, the one I hoped for, and the one I want to spend the rest of my life with. Will you marry me?"

She said yes!

It was one of the happiest moments of my life. We spent the next two hours taking engagement photos with our photographer, Ane, throughout the garden and hotel. We immediately told our friends and family that we were engaged.

We returned to Florianópolis the next day, and on July 15 we celebrated our engagement with her parents, siblings, sister's husband, and close friends at her family's home.

When I returned to Alabama , we immediately began working on the K1 visa process and planning our future together. We interviewed several lawyers and ultimately hired YOUSA Law Firm. We fully intend to marry within 90 days of Flávia's entry into the United States. We plan to have our legal marriage in Huntsville followed by a celebration with family and friends, including her family traveling from Brazil.

We continue to make plans to see each other while we wait for the process. We traveled to Bogotá, Colombia, from September 4–7, 2026, and I am planning to return to Florianópolis in November and December. We are going to continue seeing each other as much as possible next year, including attending her friend's wedding in August 2027.

Our future plans are simple. We want to buy a home together in Huntsville, where I currently work supporting the Army. We want to travel, build a family, eventually have three children, and continue visiting Brazil throughout the year. More than anything, we just want to share our everyday lives together.

I really can't wait to marry Flávia Borba da Silva. She is the love of my life, my soulmate, and the person I want beside me for the rest of my life. I feel incredibly lucky that I get to be the person who holds her heart.

Like I said in the beginning, a love like ours only happens once in a lifetime, if that. I'm glad we found each other. I'm glad our paths crossed. And for the rest of my life, I want Flávia to be my lawfully wedded wife, until my last breath.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Sincerely,

Jacob Morris

Personal Statement About My Relationship

To whom it may concern,

My name is Flávia Borba, I'm 27 years old, I'm Brazilian, originally from Florianópolis, and it has always been my dream to participate in an exchange program and experience living in the United States. In 2025, I set out on this one-year Au Pair experience. It was toward the end of my year as an Au Pair that I met Jacob Lane Morris—more precisely, on March 1, 2026, during my last month in the United States.

I used to go to the Phaze 3 gym in Huntsville, Alabama, where I lived with my host family. It was on a Sunday afternoon that Jacob approached me on the treadmill at the gym, and we started talking. He introduced himself, asked my name, and we talked for about an hour and a half as we walked. After that, I had to leave, and he asked for my phone number. We started texting that very night.

We set our first date for the following Friday, March 6, at Topgolf, one of the places I still wanted to visit before returning to Brazil. Jacob and I had a really strong connection right from the start. The way we talked on that treadmill made it seem like we'd known each other before. I'd say we started our relationship on a solid foundation of friendship. Throughout that week, we talked a lot, and I was really excited and looking forward to our date.

Friday rolled around, and we met up at Topgolf. We talked a lot, played golf, and then went to Dave & Buster's, which I hadn't been to before either. On our very first date, he told me he was recently divorced and had two daughters. Of course, at first, I was worried because it was so recent, but at the same time, what we were experiencing was so genuine and real that it was impossible not to let myself enjoy the moment.

At the beginning of our relationship, I was a little torn, wondering if I should keep seeing him, since I was about to return to Brazil. Eventually, I decided to embrace the relationship, even though I knew we'd have to deal with the long-distance aspect. That's why our second date took place the following Friday, a week later.

It's important to mention that, during that first conversation on the treadmill, Jacob had said he wanted to make my last month in the United States unforgettable and asked what was still on my list of things I wanted to do before returning to Brazil. So we went to dinner at the Cheesecake Factory, which was also on my list. It was another very special date. The atmosphere between us was very lighthearted; we laughed a lot together and

also had many deep conversations. Without a doubt, one of the first things that made me fall for Jacob was his sense of humor.

As we started seeing each other and going on dates, I gradually fell in love with him: with his kindness, his attention to detail, and the way he was always there for me in my day-to-day life. On our second date, he made me some pão de queijo (Brazilian cheese bread) as a surprise. I was amazed by how thoughtful he was, especially since he had never eaten pão de queijo before—it's a typical Brazilian food. And it was always like that: every date brought a new surprise.

Jacob is a sincere, cheerful, responsible, and endearing person, and from the very beginning, he made me feel special and loved. I also always tried to make him feel special and loved. Together, we went hiking, had dinner at restaurants, and went to coffee shops —one of the many things we have in common, since we both love coffee. He cooked dinner for us at his apartment, and we spent a lot of quality time together.

Over time, I came to realize that Jacob was everything I had always looked for in a life partner. The only problem was that I was returning to Brazil, while he would be staying in the United States. Even so, while I was still there, he said he would come visit me. He renewed his passport, got a visa to come to Brazil, and, with everything that happened, he kept his promise: he made my last month there unforgettable.

That's another quality I really admire about him: rather than just making promises, he follows through on them. He's a man of his word and of action, something that's very important to me.

Our last meeting before I returned to Brazil was on April 1, 2026. My flight was scheduled for the early afternoon of the 2nd, so I returned to Brazil. During one of our last meetings, Jacob asked me to be his girlfriend. We decided to try a long-distance relationship, and so I returned to Brazil as his girlfriend.

We continued to chat daily on WhatsApp and make lots of video calls. On May 3, Jacob arrived in Brazil for a two-week stay. I picked him up at the airport, and for the first four days, we stayed at a resort in Santo Amaro da Imperatriz. After that, we stayed at an Airbnb on Campeche Beach in Florianópolis.

It was on that trip that he met my family and friends. I was so happy to see them getting to know each other and forming a bond. My family and friends loved Jacob, just as Jacob was charmed by them.

My sister's wedding was set for June 26, 2026, and since I felt that Jacob and I were still on the same page, the wedding meant something more serious to me. I had talked to him and made it clear that I would only want him to attend if we were truly committed to each other. So, I invited him to the wedding, if he could make it, and he did.

Jacob came to Brazil just for the wedding. He arrived on Thursday and left on Sunday. Once again, this proved to me just how much he cares about me and my family, since he did everything he could to be there for such an important moment in my life. We made the most of the time we had together.

He had to go back to the United States for work, but the following week he returned to Brazil to stay for almost two weeks. We gradually realized more and more that we really wanted to make our relationship work and that the distance was a major obstacle. A relationship between two countries is more difficult than it seems, but we are facing this challenge together and doing our best.

On his most recent trip to Brazil, we traveled to Porto Alegre and Gramado. It was in Gramado that Jacob proposed to me. I said yes, without a moment's hesitation. I can say that I've finally found the person I've been searching for so long: the love of my life. I just never imagined he'd be from another country. But I believe that love knows no borders and that it's up to us to choose to live that love and build a life together.

We met again in Bogotá, Colombia, from September 4 to 7, 2026.

My biggest dream has always been to build my own family. Now that I've found my boyfriend—who is now my fiancé—I can say that I feel ready to take this next step. I see Jacob as a wonderful husband and the future father of my children. When I arrive in the United States, we plan to get married within 90 days, surrounded by our dear friends and family. We envision an intimate celebration, filled with love and happiness.

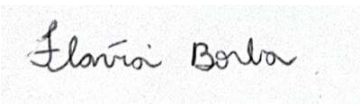

The more time goes by, the more I dream of the day when Jacob and I will finally be together in the United States, sharing our daily lives, experiencing new moments, building our family, and creating the life we so deeply desire together.

I'm certain that all the challenges we've faced so far have only strengthened our relationship and made us even more certain that we want to be together. I know we still have many chapters to write, but I'm happy and grateful to be able to live this story by his side and to know that, despite the distance and all the challenges, we continue to choose each other every day.

I hereby declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief.

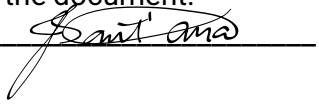

Please feel free to contact me if you need any further information.

Sincerely,

Flávia Borba da Silva

Declaração Pessoal sobre Meu Relacionamento

A quem possa interessar,

Me chamo Flávia Borba, tenho 27 anos, sou brasileira, natural de Florianópolis, e sempre foi meu sonho fazer um intercâmbio e viver a experiência de morar nos Estados Unidos. Em 2025, embarquei para essa experiência como au pair por um ano. Foi no final do meu ano como au pair que conheci Jacob Lane Morris, mais precisamente no dia 1º de março de 2026, durante meu último mês nos Estados Unidos.

Eu frequentava a academia Phaze 3, em Huntsville, no Alabama, onde morava com minha host family. Foi em um domingo à tarde que Jacob me abordou na esteira da academia e começamos a conversar. Ele se apresentou, perguntou meu nome e ficamos conversando por cerca de uma hora e meia enquanto caminhávamos. Depois dessa conversa, precisei ir embora e ele pediu meu telefone. Começamos a trocar mensagens naquela mesma noite.

Marcamos nosso primeiro encontro para a sexta-feira seguinte, dia 6 de março, no Topgolf, um dos lugares que eu ainda queria conhecer antes de voltar para o Brasil. Eu e Jacob tivemos uma conexão muito forte desde o início. A maneira como conversamos naquela esteira parecia que já nos conhecíamos antes. Posso dizer que começamos nosso relacionamento com uma boa amizade. Durante toda aquela semana, fomos conversando bastante, e eu estava muito animada e ansiosa para nosso encontro.

Chegou sexta-feira e nos encontramos no Topgolf. Conversamos bastante, jogamos golfe e depois fomos ao Dave & Buster's, que eu também ainda não conhecia. Já no primeiro encontro, ele me contou que era recém-divorciado e tinha duas filhas. Claro que, de início, fiquei preocupada porque era algo muito recente, mas, ao mesmo tempo, o que estávamos vivendo era tão genuíno e verdadeiro que era impossível não me permitir viver aquele momento.

No início do nosso relacionamento, fiquei um pouco dividida, pensando se deveria continuar saindo com ele, já que faltava pouco tempo para eu voltar para o Brasil. Até que decidi viver o relacionamento, mesmo sabendo que teríamos que enfrentar a distância. Por isso, nosso segundo encontro aconteceu na sexta-feira seguinte, uma semana depois.

É importante dizer que, naquela primeira conversa na esteira, Jacob havia falado que queria fazer com que meu último mês nos Estados Unidos fosse inesquecível e perguntou o que eu ainda tinha na minha lista de coisas para fazer antes de voltar para o Brasil. Então fomos jantar na Cheesecake Factory, que também estava na minha lista. Foi mais um encontro muito especial. Tudo entre nós era muito leve, ríamos muito juntos e também tínhamos

muitas conversas profundas. Sem dúvida, uma das primeiras coisas que me fez me encantar por Jacob foi seu senso de humor.

Conforme fomos nos encontrando e tendo nossos dates, fui me apaixonando aos poucos: pela sua gentileza, por estar sempre atento aos detalhes e por sempre se fazer presente no meu dia a dia. No nosso segundo encontro, ele preparou pão de queijo para mim como uma surpresa. Fiquei chocada com tamanho cuidado, principalmente porque ele nunca havia comido pão de queijo, já que é uma comida típica brasileira. E era sempre assim: a cada encontro, uma nova surpresa.

Jacob é uma pessoa sincera, alegre, responsável e querida e, desde o início, me fez sentir especial e amada. Eu também sempre procurava fazer com que ele se sentisse especial e amado. Juntos, fizemos trilha, fomos jantar em restaurantes, fomos a cafeterias, uma das muitas coisas que temos em comum, já que amamos café, ele preparou jantares para nós em seu apartamento e tivemos muito tempo de qualidade juntos.

Com o tempo, fui percebendo que Jacob era tudo o que eu sempre busquei em uma pessoa para ser meu parceiro de vida. O único problema era que eu estava voltando para o Brasil, enquanto ele permaneceria nos Estados Unidos. Mesmo assim, enquanto eu ainda estava lá, ele dizia que viria me visitar. Renovou seu passaporte, tirou o visto para vir ao Brasil e, com todos os acontecimentos, cumpriu o que havia prometido: tornou meu último mês inesquecível.

Essa é outra característica que admiro muito nele: mais do que prometer, ele cumpre o que promete. É um homem de palavra e de atitude, algo que é muito importante para mim.

Nosso último encontro antes da minha volta ao Brasil foi no dia 1º de abril de 2026. Meu voo seria no início da tarde do dia 2, então voltei para o Brasil. Em um dos nossos últimos encontros, Jacob me pediu em namoro. Decidimos tentar um relacionamento à distância e, assim, voltei para o Brasil namorando.

Continuamos conversando diariamente pelo WhatsApp e fazendo muitas videochamadas. No dia 3 de maio, Jacob chegou ao Brasil para ficar duas semanas. Fui buscá-lo no aeroporto e, nos primeiros quatro dias, ficamos em um resort em Santo Amaro da Imperatriz. Depois, ficamos hospedados em um Airbnb na praia do Campeche, em Florianópolis.

Foi nessa viagem que ele conheceu minha família e meus amigos. Fiquei muito feliz em vê-los se conhecendo e criando uma conexão. Minha família e meus amigos amaram Jacob, assim como Jacob também se encantou por eles.

O casamento da minha irmã aconteceria no dia 26 de junho de 2026 e, como eu sentia que eu e Jacob continuávamos na mesma página, para mim, o casamento era algo mais sério. Eu havia conversado com ele e deixado claro que gostaria que ele fosse somente se estivéssemos verdadeiramente comprometidos um com o outro. Então o convidei para o casamento, caso ele conseguisse vir, e ele conseguiu.

Jacob veio ao Brasil exclusivamente para o casamento. Chegou na quinta-feira e voltou no domingo. Mais uma vez, isso comprovou para mim o quanto ele se importa comigo e com a

minha família, pois fez de tudo para estar presente em um momento tão importante para mim. Aproveitamos ao máximo o tempo que tivemos juntos.

Ele precisou voltar aos Estados Unidos por causa do trabalho, mas, na semana seguinte, retornou ao Brasil para ficar quase duas semanas. Fomos percebendo cada vez mais que realmente queríamos fazer nosso relacionamento acontecer e que a distância era um grande empecilho. Um relacionamento entre dois países é mais difícil do que parece, mas estamos enfrentando essa dificuldade juntos e fazendo o nosso melhor.

Nessa última viagem dele ao Brasil, viajamos para Porto Alegre e Gramado. Foi em Gramado que Jacob me pediu em casamento. Eu aceitei, sem dúvidas. Posso dizer que finalmente encontrei quem procurei por tanto tempo: o amor da minha vida. Só não imaginava que ele seria de outro país. Mas acredito que o amor não tem fronteiras e que cabe a nós escolhermos viver esse amor e construir uma vida juntos.

Nos encontramos novamente em Bogotá, na Colômbia, entre os dias 4 e 7 de setembro de 2026.

Meu grande sonho sempre foi construir minha própria família. Agora que encontrei meu namorado, e hoje meu noivo, posso dizer que me sinto pronta para dar esse próximo passo. Vejo Jacob como um ótimo marido e futuro pai dos meus filhos. Quando eu chegar aos Estados Unidos, pretendemos nos casar dentro dos 90 dias, ao lado de nossos amigos queridos e familiares. Imaginamos uma celebração intimista, mas repleta de amor e felicidade.

Quanto mais o tempo passa, mais sonho com o dia em que Jacob e eu finalmente estaremos juntos nos Estados Unidos, compartilhando nosso dia a dia, vivendo novos momentos, construindo nossa família e criando a vida que tanto desejamos juntos.

Tenho certeza de que todas as dificuldades que enfrentamos até aqui apenas fortaleceram nosso relacionamento e nos fizeram ter ainda mais certeza de que queremos estar juntos. Sei que ainda temos muitos capítulos para escrever, mas estou feliz e grata por poder viver essa história ao lado dele e por saber que, apesar da distância e de todas as dificuldades, continuamos escolhendo um ao outro todos os dias.

Declaro, sob pena de perjúrio, que o exposto acima é verdadeiro e correto de acordo com o melhor do meu conhecimento e crença.

Por favor, sinta-se à vontade para entrar em contato comigo caso sejam necessárias mais informações.

Atenciosamente,

Flávia Borba

We'll be staying at the Hotel Colline de Frence on July 13 and 14, and I plan to propose on July 13.
Could you let me know if you're available on that date and how much the service would cost?
Thank you very much!

Vou pedir a Flávia em casamento no gazebo fechado. Acho que vocês chegarão lá antes de nós. Se vocês perceberem que algo pode ser ajustado ou melhorado, fiquem à vontade para fazer as mudanças que acharem necessárias. Confio no

We have hosted several marriage proposals in our Bistrot. In some of them, the engagement ring was presented under a cloche, and when it was lifted, it created a beautiful surprise before the proposal.
Some of our guests have chosen to propose in our garden, which offers a more intimate and private setting, exclusively for hotel guests.
Another wonderful option is during our Momento Bonsoir, held every Wednesday and Saturday in our lobby, featuring live music and a romantic atmosphere.
We also offer in-room proposal setups with the décor options we have sent you. If you prefer something even more personalized, we can also recommend companies that specialize in balloon decorations with helium.

Andrea recommended you to me. How are you? Sorry, I only speak English, my Portuguese isn't very good yet.
I'm looking for a solitaire ring for a marriage proposal that will take place on July 13. I need the ring by July 11. I'd like to see both options—in yellow gold and white gold— please.

ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATIONS OF LIABILITY

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

Conditions of Carriage

Air transportation on Delta and the Delta Connection® carriers is subject to Delta's conditions of carriage. They include terms governing for example:

• Limits on our liability for personal injury or death of passengers, and for loss, damage of delay of goods and baggage.
• Claim restrictions including time periods within which you must file a claim or bring action against us.
• Our right to change terms of the contract.
• Check-in requirements and other rules established when we may refuse carriage.
• Our rights and limits of our liability for delay or failure to perform service including schedule change, substitution of alternative air carriers or aircraft, and rerouting.
• Our policy on overbooking flights, and your rights if we deny you boarding due to an oversold flight.

These terms are incorporated by reference into our contract with you. You may view these conditions of carriage on delta.com, or by requesting a copy from Delta.

Declaration of Support for Fiancé(e) Visa

To Whom It May Concern,

I am Marcelo, Flávia's father, a beloved daughter who is very dedicated to her family, and who enjoys traveling and discovering new places. In 2025, she went to the United States for an exchange experience, where she spent four months in Ohio and eight months in Alabama. It was during this period that she met Jacob.

When she returned to Brazil, in April 2026, she told us she was dating Jacob. Shortly after, he came to Brazil to visit her and meet our family. We loved meeting him and our first impression was very positive.

He returned to Brazil again for our daughter Marcella's wedding, and on his third visit, before traveling with Flávia to Gramado, he spoke with us, said he loved her, and asked for our blessing to ask for her hand in marriage. We gave our blessing and were happy to support this new stage in their lives.

We wish them much love and happiness, and may God bless them always.

Amen!

I declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief.

Please feel free to contact me should any further information be required.

Declaração de Apoio para Fiancé(e) Visa

A quem possa interessar,

Sou Marcelo, pai da Flávia, uma filha amada, muito dedicada à família, que gosta de viajar e conhecer novos lugares. Em 2025, ela foi para os Estados Unidos para uma experiência de intercâmbio, onde passou quatro meses em Ohio e oito meses no Alabama. Foi durante esse período que conheceu Jacob.

Quando retornou ao Brasil, em abril de 2026, nos contou que estava namorando Jacob. Pouco tempo depois, ele veio ao Brasil para visitá-la e conhecer nossa família. Nós adoramos conhecê-lo e nossa primeira impressão foi muito positiva.

Ele retornou novamente ao Brasil para o casamento da nossa filha Marcella e, em sua terceira visita, antes de viajar com Flávia para Gramado, conversou conosco, disse que a amava e pediu nossa bênção para pedir sua mão em casamento. Nós demos a benção e ficamos felizes em apoiar essa nova etapa da vida dos dois.

Desejamos a eles muito amor e felicidade e que Deus os abençoe sempre.

Amém!

Declaro, sob pena de perjúrio, que o exposto acima é verdadeiro e correto de acordo com o melhor do meu conhecimento e crença.

Declaration of Support for Fiancé(e) Visa

To Whom It May Concern,

I am Gabriela, Flávia's mother, our beloved daughter. She went to the United States on an exchange program as an au pair for one year. She lived in Ohio with her first family during the first four months and then went to her second family in Alabama for the last eight months, where she was happier. On last few weeks before her return, I found out she had met someone, but since she was living her experience in the United States to the fullest, and it was her last month before returning to Brazil, our conversations during that period were briefer. I told her that when she arrived, I wanted to hear everything. I missed talking to her more, but a mother's heart knows when her daughter needs space to live her passion.

When she arrived in Brazil, at our Good Friday lunch on April 3, 2026, she already told us she was dating an American, to everyone's surprise. Over the following days, I got to see and get to know him through video calls when he spoke with Flávia, and I began to notice that he was a good, cheerful, lighthearted, and very dear person.

When he came to Brazil for the first time, it was a month after she had arrived, and we were very anxious to meet him. Marcelo, my husband and Flávia 's father, and I, were very happy that our daughter had found someone who seemed to make her so happy, but we also had some natural concerns because of the distance and because we were still just starting to get to know Jacob. In addition, since we do not speak English fluently, our communication at the beginning was a bit limited.

Jacob did not disappoint, as he captivated everyone from the beginning with his special way, telling us that he loved our daughter and that he would make her very happy. Hearing this brought us peace of mind because, above all, our greatest concern was always knowing that our daughter would be loved, respected, and well-treated.

They first went to a hotel that our family likes very much and has visited many times in Santo Amaro da Imperatriz, and then he rented an Airbnb at Campeche beach, here in Florianópolis, where they spent the days he was here.

We had a Mother's Day lunch here at our house, which Jacob attended and where he met the entire family. Marcelo and I went to have lunch one day at Costa da Lagoa with Flávia and Jacob, which was wonderful, and by the end of his trip, we already felt like he was a part of the family and knew we would miss him. He returned for Marcella and

André's wedding in June, spent four days here with Flávia, and participated in this moment that was long-awaited and special for our family.

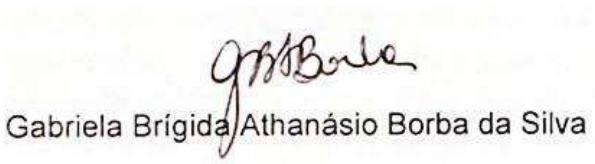

He later returned in July to spend nearly two weeks, staying at the beach house in Tapera with Flávia. On that occasion, he said he needed to speak with us before they traveled to Gramado, and he told us that he wanted our blessing to ask for her hand in marriage. We gave our blessing but had a few considerations to make, such as the distance and how quickly everything happened, but through our conversations and especially the way Jacob treats our daughter, we saw that he is an affectionate, respectful person and committed to her happiness.

He integrated into our family with great ease. The only difficulties we have seen to this day are the distance and the language barrier. But we wish for them to be happy, we will miss her very much when she is there, but we know that no one is happy far from the person they love. And we hope in the future to be able to spend more time there to enjoy the grandchildren who will come as fruits of this love. May God bless us, and may it be so, in the name of Jesus Christ, amen!

I declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief.

Please feel free to contact me should any further information be required.

Declaração de Apoio para Fiancé(e) Visa

A quem possa interessar,

Sou a Gabriela, mãe da Flávia, nossa filha amada. Ela foi fazer intercâmbio nos Estados Unidos como au pair durante um ano. Morou em Ohio com a primeira família nos quatro primeiros meses e depois foi para a segunda família no Alabama, nos últimos oito meses, onde foi mais feliz. Nas últimas semanas antes de seu retorno, soube que ela havia conhecido alguém, mas como ela estava vivendo intensamente sua experiência nos Estados Unidos e seu último mês antes de retornar ao Brasil, nossas conversas naquele período eram mais breves. Eu disse que, quando ela chegasse, queria ouvir tudo. Senti falta de conversar mais com ela, mas coração de mãe sabe quando a filha precisa de espaço para viver sua paixão.

Quando ela chegou no Brasil, no nosso almoço de sexta-feira santa, dia 3 de abril de 2026, já falou que estava namorando um norte-americano para a surpresa de todos. No decorrer dos dias, fui vendo e conhecendo ele por videochamadas quando falava com a Flávia, e fui percebendo que ele era uma boa pessoa, alegre, leve e muito querido.

Quando ele veio pela primeira vez ao Brasil foi um mês depois que ela havia chegado, e estávamos muito ansiosos para conhecê-lo. Eu e o Marcelo, meu marido e pai da Flávia, estávamos muito felizes por nossa filha ter encontrado alguém que parecia fazê-la tão feliz, mas também tínhamos algumas preocupações naturais por causa da distância e por ainda estarmos começando a conhecer Jacob. Além disso, como não falamos inglês fluentemente, nossa comunicação no início era um pouco prejudicada.

Jacob não decepcionou, já chegou cativando a todos com seu jeito especial de ser. Dizendo para nós que amava nossa filha e que iria fazer ela muito feliz. Ouvir isso nos trouxe tranquilidade, porque, acima de tudo, nossa maior preocupação sempre foi saber que nossa filha seria amada, respeitada e bem tratada.

Eles primeiro foram para um hotel que nossa família gosta muito e já foi muitas vezes em Santo Amaro da Imperatriz e depois ele alugou um Airbnb na praia do Campeche, aqui em Floripa, onde passaram os dias que ele esteve aqui.

Fizemos um almoço no dia das mães aqui em casa em que o Jacob veio e conheceu toda a família. Eu e o Marcelo fomos almoçar um dia na Costa da Lagoa com a Flávia e o Jacob, foi maravilhoso, e ao final da sua viagem já sentimos que ele fazia parte da família e sabíamos que sentiríamos saudades dele. Ele retornou no casamento da Marcella e do

André, em junho, passou quatro dias aqui com a Flávia e participou desse momento tão aguardado e especial para a nossa família.

Depois ele voltou em julho para passar quase duas semanas, ficando na casa de praia na Tapera com a Flávia. Nessa ocasião ele disse que precisava falar conosco, antes deles viajarem para Gramado, e nos disse que queria nossa benção para pedir a mão dela em casamento. Nós demos nossa benção mas tínhamos algumas considerações a fazer, como a distância e a rapidez com que tudo aconteceu, mas, ao longo das conversas e principalmente pela forma como o Jacob trata nossa filha, percebemos que ele é uma pessoa carinhosa, respeitosa e comprometida com a felicidade dela.

Ele se inseriu com muita facilidade em nossa família. As únicas dificuldades que percebemos até hoje são a distância e a barreira do idioma. Mas desejamos que eles sejam felizes, sentiremos muitas saudades quando ela estiver lá, mas sabemos que ninguém é feliz longe de quem ama. E esperamos no futuro poder estar mais juntos lá para curtir os netos que virão frutos desse amor. Que Deus nos abençoe e que assim seja, em nome de Jesus Cristo, amém!

Declaro, sob pena de perjúrio, que o exposto acima é verdadeiro e correto de acordo com o melhor do meu conhecimento e crença.

Declaration of Support for Fiancé(e) Visa

To Whom It May Concern,

I am Marcella Borba da Silva, Flávia Borba da Silva's older sister, and we have been best friends since we were little, we have always been very close, we are each other's confidants and very supportive of one another.

Last year, in 2025, she moved to the United States to participate in the Au Pair program, and I was very happy for her because I knew it would be a very enriching experience. We always talked through messages and video calls during that year. And in the last month, while she was living in Alabama, she told me that she met Jacob at the gym, and all the details, the surprises he would make, and I could see her happiness living this love.

In fact, during one of their dates, I didn't know they were together and I video called her, and they were together. She answered and I met Jacob over the call. I was super anxious to meet him on video and even more so, I wanted him to come visit us here in Brazil. It was a very relaxed conversation, and from the very first moment, I could see what a dear and funny person he is.

She returned to Brazil in April 2026, and a little after she arrived, Jacob came to visit her and meet Flávia's family, friends, and her life here. We had many great moments with family and friends, moments in which I was able to witness the genuineness of their relationship. They are very affectionate and I can see how much they love each other!

In June 2026, André and I got married, and Jacob came to Brazil solely for this event. We were very happy with his presence, since he is already so important to our family.

On his third visit to Brazil, Jacob messaged me asking for help organizing the surprise proposal. I was very happy with the message because Jacob is clearly someone I see marrying my sister and making her happy. I was on my honeymoon, but I helped as much as I could. I sent him the contact information for the lady at the Barbara K store (a jewelry store here in Florianópolis) so he could reach out and look at ring options.

They were going to Gramado to a hotel that Flávia had always dreamed of visiting, the Colline de France, so I thought she would love the surprise. He organized the entire proposal in the

most romantic way possible, and after he proposed, Flavia video called the family to share the news, which, in fact, everyone already knew, and we were all very happy.

As Flávia's older sister and best friend, I witnessed this entire story closely from the beginning and I could see how the relationship with Jacob brought even more happiness to her life. I see how much they support and care for each other, and how much love and partnership exist between the two of them.

Jacob has become a very dear person to me and to our entire family, and today I can no longer imagine Flávia without him by her side. I truly hope they build a life together full of love, companionship, and many happy moments. I am sure that I didn't just get a brother-in-law, but also a friend and a brother for life.

I love my sister very much and want to see her happy, and that is what I wish for the two of them at this new stage of life. May God always bless their union and all the plans they are building together.

I declare that all my information is true. I declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief.

Please feel free to contact me should any further information be required.

Sincerely,

Marcella Borba da Silva

Declaração de Apoio para Fiancé(e) Visa

A quem possa interessar,

Eu sou Marcella Borba da Silva, irmã mais velha da Flávia Borba da Silva, e somos melhores amigas desde pequenas, sempre fomos muito próximas, somos conselheiras uma da outra e muito parceiras.

Ano passado, em 2025, ela se mudou para os Estados Unidos para participar do programa de Au Pair, e eu fiquei muito feliz por ela, porque sabia que seria uma experiência muito engrandecedora pessoalmente. Nos falávamos sempre por mensagens e videochamadas durante esse ano. E no último mês, enquanto ela estava morando no Alabama, me contou que conheceu o Jacob na academia, e me contou todos os detalhes, as surpresas que ele fazia e dava pra ver a felicidade dela vivendo esse amor.

Inclusive durante um dos encontros deles, não sabia que estavam juntos e liguei para conversar com ela por vídeo e eles estavam juntos. Ela atendeu e conheci o Jacob pessoalmente. Estava super ansiosa para conhecê-lo por vídeo e mais ainda queria que ele viesse visitar a gente aqui no Brasil. Foi uma conversa bem descontraída e desde o primeiro momento pude ver a pessoa querida e engraçada que ele é.

Ela voltou ao Brasil em abril de 2026, e um pouco depois que ela chegou, o Jacob veio visitá-la e conhecer a família, amigos e a vida da Flávia aqui. Tivemos muitos momentos legais em família e em amigos, momentos esses que pude testemunhar a genuinidade do relacionamento deles. Eles são muito carinhosos e consigo ver o quanto se amam!

Em junho de 2026 foi o meu casamento com o André, e o Jacob veio para o Brasil somente para esse evento. Ficamos muito felizes com a presença dele, já que já é tão importante para a nossa família.

Na terceira vez que ele veio ao Brasil, o Jacob me mandou mensagem pedindo ajuda para organizar o pedido de casamento surpresa. Fiquei muito feliz com a mensagem porque o Jacob é claramente alguém que vejo casando com a minha irmã e fazendo-a feliz. Estava na minha lua de mel, mas ajudei como pude. Enviei o contato da moça da loja Bárbara K (joalheria aqui de Floripa) para ele entrar em contato e ver opções de anel.

Eles estavam indo para Gramado em um hotel que a Flávia sempre sonhou em conhecer, o Colline de France, então achei que ela iria amar a surpresa. Ele organizou todo o pedido da

forma mais romântica possível, e depois que ele fez o pedido a Flavia ligou de vídeo pra família pra contar a novidade, que na verdade todo mundo já sabia, e ficamos todos muito felizes.

Como irmã mais velha e melhor amiga da Flávia, acompanhei de perto toda essa história desde o início e pude perceber como o relacionamento com o Jacob trouxe ainda mais felicidade para a vida dela. Vejo o quanto eles se apoiam, se cuidam e o quanto existe amor e parceria entre os dois.

O Jacob se tornou uma pessoa muito querida para mim e para toda a nossa família, e hoje não consigo mais imaginar a Flávia sem ele ao seu lado. Torço muito para que eles construam juntos uma vida cheia de amor, companheirismo e muitos momentos felizes. Tenho certeza de que ganhei não só um cunhado, mas também um amigo e um irmão para a vida.

Amo muito minha irmã e quero vê-la feliz, e é isso que desejo para os dois nessa nova etapa da vida. Que Deus abençoe sempre a união deles e todos os planos que estão construindo juntos.

To Whom It May Concern,

I have known Flávia since I was born, she is my middle sister. She has always been a very present person in my life, always caring about me and being very attentive to me from my childhood to the present day.

When I found out she was going to the United States to participate in the au pair program, I was very happy for her and for the opportunity she was having. I knew how important this experience would be and I was sure she would make the most of this moment.

As soon as she arrived in Brazil, she told us she was dating an American. We were surprised but we were happy for her. I had the opportunity to meet Jacob in person when he came to Brazil to visit her and meet us. It was at that moment that I was able to see them together as a couple and notice their connection up close. It was possible to see the affection and happiness between them and that they were truly in love.

During this visit, we also had a family lunch together, which was very fun and brought us many laughs and good stories. It was a light moment that also allowed me to get to know Jacob better and see their relationship up close.

Because I have known Flávia my entire life and have had the opportunity to meet to meet Jacob and see them together, I can tell how good they are for each other and how much affection and love exist between the two of them. I believe their relationship is true, serious, and that both are truly happy together. I deeply wish for my sister's happiness and for the happiness of the new brother she has given me!

Declaration of Support for Fiancé(e) Visa

To Whom It May Concern,
I am writing this letter in support of my friend Flávia Borba da Silva's application. I have known Flávia for 20 years, when we used to live in the same condominium, and we have been best friends since then. Flávia has always shown to be a person with a lot of empathy and respect for everyone around her. She is a very trustworthy, responsible, and dedicated person, for whom I have enormous admiration and respect.
I met Jacob in person at Flávia's parents' house in May 2026. I remember noticing how attentive and genuinely interested he was while talking to her father. Afterward, we had dinner together at Il Caravaggio along with her sister, Marcella. During dinner, I noticed the affection they had for one another and the genuine interest Jacob showed in learning more about the people who are part of Flávia's life.
The second time I was with them was at Flávia 's sister's wedding in June 2026. Seeing Jacob actively participating in such an important moment alongside her family reaffirmed to me the seriousness and authenticity of their commitment.
Based on all these moments of direct interaction, I declare with absolute conviction and certainty that Flávia and Jacob have a genuine, true relationship, built upon sincere affection and a real intention to build a life together.

I declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief.
Please feel free to contact me should any further information be required.

Declaração de Apoio para Fiancé(e) Visa

A quem possa interessar,
Escrevo esta carta em apoio ao processo da minha amiga, Flávia Borba da Silva. Conheço a Flávia há 20 anos, quando morávamos no mesmo condomínio, e desde lá somos melhores amigas. Desde sempre a Flávia demonstrou ser uma pessoa com muita empatia e respeito por todos à sua volta. Trata-se de uma pessoa muito confiável, responsável e dedicada, por quem tenho enorme admiração e respeito.
Conheci o Jacob pessoalmente na casa dos pais da Flávia em maio de 2026. Lembro de observar o quanto ele estava atento e realmente interessado enquanto conversava com o pai dela. Em seguida, fomos jantar juntos no Il Caravaggio junto com a irmã dela, a Marcella. Durante o jantar percebi o carinho que os dois tinham um pelo outro e o interesse que o Jacob demonstrava em saber mais sobre as pessoas que fazem parte da vida da Flávia.
A segunda vez em que estava junto aos dois foi no casamento da irmã da Flávia em junho de 2026. Ver o Jacob participando ativamente de um momento tão importante ao lado da família dela me reafirmou a seriedade e a autenticidade do compromisso entre eles.

Declaration of Support for Fiancé(e) Visa

To Whom It May Concern,

My name is Giovanna Degani Pierroni, and I have known Flávia Borba since 2023, when we were introduced by a mutual friend from my college. From the very beginning we got along very well, and in a short time, we became great friends. Today, without a doubt, she is one of my best friends.

Over these years, I became a part of Flávia's life and also met her entire family. We talk practically every day about our anxieties, dreams, desires, and plans for the future, and we are always advising and supporting one another. Through all this interaction, I know Flávia as a very affectionate, kind, respectful, and polite person. She is studious, a dreamer, romantic, and she deeply values the people who are part of her life.

I learned about her relationship with Jacob Morris while Flávia was still on her exchange program, the period during which they met. From the very beginning, she told me about the relationship and how everything happened in a very light and natural way between them. I remember her telling me with great happiness about the care Jacob had for her and how he sought to be present in her daily life.

As the time for Flávia to return to Brazil approached, she always told me about the surprises Jacob prepared when they met. Even knowing that they would soon have to deal with the distance between the two countries, it was already clear that they wanted to stay together.

About a month after Flávia returned to Brazil, Jacob came to visit her, and it was during this trip that I met him in person. One thing that caught my attention was his interest not only in Flávia, but also in getting to know her life here, her friends, her family, and the people who were important to her. I was also able to see in person the affection between the two of them and the attentive and caring way he treated her.

I met Jacob again when he returned to Brazil for Flávia's sister's wedding. As it was a family occasion and I spent more time with them, I was able to witness their relationship even more closely. He interacted with Flávia's family, talked with the guests, and naturally participated in that moment that was so important to everyone. During the wedding, the affection and attention that exist between them also became very clear to me.

Shortly after, Jacob came to Brazil again. During this trip, he and Flávia went together to Porto Alegre and Gramado, where he proposed to her. I witnessed this entire phase through Flávia and remember how happy she was when telling me about the proposal.

Since they started dating, one thing that has always caught my attention was their effort to make the relationship work even with the distance. They try to meet whenever possible, and often, as one trip ends, they are already planning when they will be able to see each other again. They also talk a lot about their plans for the future and about the life they want to build together.

Even living in different countries and facing all the difficulties that this brings to a relationship, I see that both Flávia and Jacob make a point of being a part of each other's lives. In fact, at this moment, they already have a new trip scheduled to meet again in the coming days.

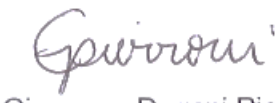

As a close friend of Flávia since before she met Jacob, I have witnessed this relationship from the very beginning. I have also had the opportunity to meet Jacob in person and to be with the two of them at different times. From what I have seen and witnessed, I see a relationship based on affection, respect, companionship, and a true desire from both of them to build a life together.

As a friend, I am very happy to see Flávia in a relationship that brings her so much joy, and to watch them turning the plans that started back during her exchange program into concrete plans for the future.

I declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief.

Please feel free to contact me should any further information be required.

Sincerely,

Declaração de Apoio para Fiancé(e) Visa

A quem possa interessar,

Meu nome é Giovanna Degani Pierroni e conheço Flávia Borba desde 2023, quando fomos apresentadas por um amigo em comum da minha faculdade. Desde o início nos demos muito bem e, em pouco tempo, nos tornamos grandes amigas. Hoje, sem dúvidas, ela é uma das minhas melhores amigas.

Ao longo desses anos, passei a fazer parte da vida da Flávia e também conheci toda a sua família. Conversamos praticamente todos os dias sobre nossas angústias, sonhos, vontades e planos para o futuro, e estamos sempre aconselhando e apoiando uma à outra. Por toda essa convivência, conheço a Flávia como uma pessoa muito carinhosa, bondosa, respeitosa e educada. Ela é estudiosa, sonhadora, romântica e valoriza muito as pessoas que fazem parte da vida dela.

Soube do relacionamento dela com Jacob Morris ainda durante o intercâmbio da Flávia, período em que eles se conheceram. Desde o começo ela me contou sobre a relação e sobre como tudo aconteceu de forma muito leve e natural entre eles. Lembro dela me contar com muita felicidade sobre o cuidado que o Jacob tinha com ela e sobre como ele procurava estar presente no dia a dia dela.

Quando estava chegando a época da Flávia voltar para o Brasil, ela sempre me contava sobre as surpresas que o Jacob preparava quando eles se encontravam. Mesmo sabendo que em pouco tempo teriam que lidar com a distância entre os dois países, os dois já demonstravam que queriam continuar juntos.

Cerca de um mês depois da Flávia voltar ao Brasil, o Jacob veio visitá-la e foi nessa viagem que eu o conheci pessoalmente. Uma coisa que me chamou a atenção foi o interesse dele não só pela Flávia, mas também em conhecer a vida dela aqui, seus amigos, sua família e as pessoas que eram importantes para ela. Também pude ver pessoalmente o carinho entre os dois e a forma atenciosa e cuidadosa com que ele a tratava.

Encontrei o Jacob novamente quando ele voltou ao Brasil para o casamento da irmã da Flávia. Como era uma ocasião familiar e passei mais tempo com os dois, pude acompanhar ainda mais de perto a relação deles. Ele interagiu com a família da Flávia, conversou com os convidados e participou naturalmente daquele momento tão importante para todos. Durante o casamento, também ficou muito claro para mim o carinho e a atenção que existe entre eles.

Pouco tempo depois, o Jacob veio novamente ao Brasil. Nessa viagem, ele e a Flávia foram juntos para Porto Alegre e Gramado, onde ele a pediu em casamento. Acompanhei toda essa fase através da Flávia e lembro da felicidade dela ao me contar sobre o pedido.

Desde que eles começaram a namorar, uma coisa que sempre me chamou a atenção foi o esforço dos dois para fazer o relacionamento funcionar mesmo com a distância. Eles procuram se encontrar sempre que possível e, muitas vezes, enquanto uma viagem termina, já estão planejando quando poderão se ver novamente. Também conversam muito sobre os planos para o futuro e sobre a vida que querem construir juntos.

Mesmo morando em países diferentes e enfrentando todas as dificuldades que isso traz para um relacionamento, vejo que tanto a Flávia quanto o Jacob fazem questão de participar da vida um do outro. Inclusive, neste momento, eles já têm uma nova viagem programada para se encontrarem novamente nos próximos dias.

Como amiga próxima da Flávia desde antes dela conhecer o Jacob, acompanhei esse relacionamento desde o começo. Também tive a oportunidade de conhecer o Jacob pessoalmente e de estar com os dois em diferentes momentos. Pelo que acompanhei e presenciei, vejo uma relação baseada em carinho, respeito, companheirismo e em uma vontade verdadeira dos dois de construírem uma vida juntos.

Como amiga, fico muito feliz em ver a Flávia vivendo uma relação que faz tão bem a ela e em acompanhar os dois transformando os planos que começaram ainda durante o intercâmbio em planos concretos para o futuro.

Declaro, sob pena de perjúrio, que o exposto acima é verdadeiro e correto de acordo com o melhor do meu conhecimento e crença.

Por favor, sinta-se à vontade para entrar em contato comigo caso sejam necessárias mais informações.

Declaration of Support for Fiancé(e) Visa

To Whom It May Concern,

My name is André Schmidt Jannis, and I am writing this letter to describe my personal relationship with Flávia Borba da Silva and Jacob Morris and my observations of their relationship during the occasions we were together.

I have known Flávia since she was born, because our fathers were friends, and our families met occasionally. In 2014, I started dating her sister, Marcella Borba da Silva, currently my wife. Since then, my interaction with Flávia became closer, as part of the same family.

I am aware that Flávia spent approximately one year in the United States, working under a work visa, and that she met Jacob toward the end of that period, when they started dating. She returned to Brazil on April 3, 2026, and Jacob came to visit her in May of that year.

It was during this first visit that I met Jacob in person. My father-in-law, Marcelo, organized a dinner at his house so that we could meet him. This was also the first occasion that I was with the two of them as a couple. During his stay in Brazil, we met a few times again at restaurants, and Jacob and Flávia also visited us at our home. On those opportunities, I was able to see the affection and attention they dedicated to one another. Being with them gave me the impression of a sincere, close, and very affectionate relationship.

In June 2026, Jacob returned to Brazil to accompany Flávia to my wedding with Marcella, held on June 22, 2026. Before the reception, he participated in a gathering with our groomsmen, bridesmaids, and family members, an occasion during which he talked quite a bit with my bridesmaid, Monica Ozelame Viamonte. Monica is a naturalized American citizen of Brazilian origin, married to Manuel Viamonte, an American, and has been living in Miami since she got married.

Later on, Monica told me that Jacob had asked her several questions about her experience with marriage and moving to the United States. Although I did not follow the content of this conversation, Monica's account reinforced my perception that he was seriously considering the possibility of marrying Flávia and was interested in understanding this experience.

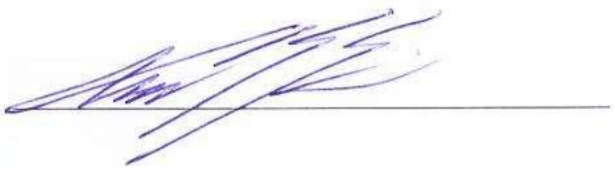

During our wedding reception, Flávia caught Marcella's bouquet, a special moment that was also part of this journey. In July 2026, Jacob came to Brazil again and, during this visit, proposed to Flávia. After the engagement, I met with them again and was able to notice that both were very happy with this new step in their relationship.

My impression of the couple is based on these meetings and on the family time I have described. On the occasions we spent together, I saw an affectionate relationship and a sincere commitment between them. Jacob's visits to Brazil and his participation in important family occasions also contributed to my conviction that they wish to build a life together.

I present this declaration in good faith, distinguishing the facts I witnessed from the information that was transmitted to me, and I remain available to provide additional clarification, if necessary.

Sincerely,

André Schmidt Jannis

Declaração de Apoio para Fiancé(e) Visa

A quem possa interessar,

Meu nome é André Schmidt Jannis e escrevo esta carta para relatar minha convivência com Flávia Borba da Silva e Jacob Morris e as impressões que formei sobre o relacionamento deles nas ocasiões em que estivemos juntos.

Conheço Flávia desde que ela nasceu, pois meu pai era amigo do pai dela, e nossas famílias se encontravam ocasionalmente. Em 2014, comecei a namorar sua irmã, Marcella Borba da Silva, atualmente minha esposa. Desde então, minha convivência com Flávia passou a ser mais próxima, como parte da mesma família.

Tenho conhecimento de que Flávia passou aproximadamente um ano nos Estados Unidos, trabalhando com visto de trabalho, e de que conheceu Jacob próximo ao final desse período, quando os dois começaram a namorar. Ela retornou ao Brasil em 3 de abril de 2026, e Jacob veio visitá-la em maio daquele ano.

Foi nessa primeira visita que conheci Jacob pessoalmente. Meu sogro, Marcelo, organizou um jantar em sua casa para que pudéssemos conhecê-lo. Essa também foi a primeira ocasião em que estive com os dois como casal. Durante sua permanência no Brasil, voltamos a nos encontrar algumas vezes em restaurantes, e Jacob e Flávia também nos visitaram em nossa casa. Nessas oportunidades, pude observar o carinho e a atenção que dedicavam um ao outro. A convivência com eles me transmitiu a impressão de uma relação sincera, próxima e de muito afeto.

Em junho de 2026, Jacob retornou ao Brasil para acompanhar Flávia em meu casamento com Marcella, realizado em 22 de junho de 2026. Antes da festa, ele participou de um encontro com nossos padrinhos e familiares, ocasião em que conversou bastante com minha madrinha, Monica Ozelame Viamonte. Monica é brasileira naturalizada americana, casada com o americano Manuel Viamonte, e mora em Miami desde que se casou.

Posteriormente, Monica me contou que Jacob lhe fez diversas perguntas sobre sua experiência de casamento e mudança para os Estados Unidos. Embora eu não tenha acompanhado o conteúdo dessa conversa, o relato de Monica reforçou minha percepção de que ele considerava seriamente a possibilidade de se casar com Flávia e estava interessado em compreender essa experiência.

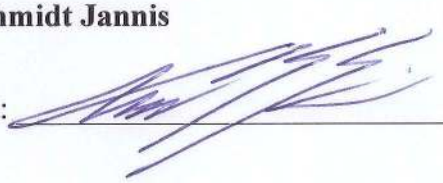

Durante nossa festa de casamento, Flávia pegou o buquê de Marcella, um momento especial que também fez parte dessa trajetória. Em julho de 2026, Jacob veio novamente ao Brasil e, nessa visita, pediu Flávia em casamento. Após o noivado, voltei a encontrá-los juntos e pude perceber que ambos estavam muito felizes com esse novo passo no relacionamento.

Minha impressão sobre o casal se baseia nesses encontros e na convivência familiar que descrevi. Nas ocasiões em que estivemos juntos, observei uma relação afetuosa e um envolvimento sincero entre os dois. As visitas de Jacob ao Brasil e sua participação em momentos importantes de nossa família também contribuíram para minha convicção de que eles desejam construir uma vida juntos.

Apresento este relato de boa-fé, distinguindo os fatos que presenciei das informações que me foram transmitidas, e permaneço à disposição para prestar esclarecimentos adicionais, se necessário.

Atenciosamente,

André Schmidt Jannis

Declaration of Support for Fiancé(e) Visa

To Whom It May Concern,

My friendship with Flávia started in 2018, during college, and since then we have been best friends. Our friendship has always been very true and sincere.

From the very first day she mentioned the possibility of participating in the au pair program in the United States, I encouraged and supported her, as I know other people who have already gone through the experience and said it was very good for their maturity and personal growth.

We kept in touch throughout the program, through video calls and messages, and she always shared the news and adventures with me.

When she met Jacob, she happily told me the news sharing that she had found someone truly special, with whom she had many things in common and with whom she felt a very true connection. A few months later, when she had already returned, I was able to get to know Jacob better, on the occasions he visited Flávia in Brazil, and I followed their relationship closely. I was very happy to see my friend with someone who cares so much about her and wants to make her happy.

It is so clear that Flávia and Jacob love each other and want to be a part of each other's lives. They make an effort to see each other whenever possible, even with the distance. When they got engaged, I was also happy because it means they will be able to build a life together and will no longer need to live apart.

I declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief.

Please feel free to contact me should any further information be required.

Sincerely,

Bernardo Cano da Costa Stelle

Declaração de Apoio para Fiancé(e) Visa

A quem possa interessar,

Minha amizade com a Flávia iniciou no ano de 2018, durante o período de faculdade e desde então somos melhores amigos. A nossa amizade sempre foi muito verdadeira e sincera.

Desde o primeiro dia que ela comentou sobre a possibilidade de ir fazer o programa de aupair nos Estados Unidos, incentivei e apoiei, pois conheço outras pessoas que já passaram pela experiência e contaram que foi muito bom para o amadurecimento e crescimento pessoal.

Mantivemos contato ao longo do programa, através de vídeo chamadas e mensagens, ela sempre compartilhou comigo as novidades e aventuras.

Quando ela conheceu o Jacob, me contou com muita felicidade sobre as novidades e que havia encontrado alguém realmente especial, com quem tinha muitas coisas em comum e com quem sentia uma conexão muito verdadeira. Alguns meses depois, quando ela já tinha retornado, pude conhecer melhor o Jacob, nas vezes em que visitou a Flávia no Brasil e acompanhei de perto o relacionamento deles. Fiquei muito feliz em ver minha amiga ao lado de alguém que se preocupa tanto com ela e quer fazê-la feliz.

É muito visível que a Flávia e o Jacob se amam e querem estar um na vida do outro. Se esforçam para se ver sempre que possível mesmo com a distância. Quando eles ficaram noivos, também fiquei feliz porque isso significa que vão poder construir uma vida juntos e não precisarão mais viver distantes.

Declaro, sob pena de perjúrio, que o exposto acima é verdadeiro e correto de acordo com o melhor do meu conhecimento e crença.

Por favor, sinta-se à vontade para entrar em contato comigo caso sejam necessárias mais informações.

Declaration of Support for Fiancé(e) Visa

To Whom It May Concern,

My name is Carolini Neumann Barreto, and I am writing this letter in support of my close friend Flávia and her relationship with Jacob.

I met Flávia in August 2025 through the au pair exchange program. At the time, we both lived in Huntsville, Alabama, and we met through mutual friends. We quickly became very close friends. During the approximately two months that I remained living in Huntsville, we spent a lot of time together. We saw each other every weekend and also during the week, and during this period, we built a very close friendship.

After two months, I moved to Chicago, but Flávia and I maintained a very close friendship, even from a distance. We talked every day and FaceTimed whenever we could. Even living in different cities, we remained very close. Because we are so close and stay in daily contact, I have followed the relationship between Flávia and Jacob from the very beginning.

Flávia met Jacob in early March. She told me that they met at the gym, while she was on the treadmill. According to what she told me, Jacob had already noticed her and, went to use the treadmill on purpose to have the opportunity to talk to her and ask for her contact information. After they started talking, they quickly arranged to go out, and from then on, they saw each other almost every day, until the end of Flávia's exchange program.

During this period, Flávia would tell me about their dates and how the relationship between them was developing. From the beginning, she told me that there was a very strong connection between them. As they got to know each other better, they became more and more attached and developed feelings for one another. Before Flávia left the United States, Jacob asked her to be his girlfriend, and she accepted. She told me about it right after, and I could see how happy she was. She was already completely in love with him, and it was very special for me to witness this moment in her life.

After Flávia returned to Brazil, they continued their relationship from a distance. As we continued to talk every day, I kept up with their relationship, hearing about the important events and moments in their lives. During one of Jacob's visits to Flávia in Brazil, he proposed to her.

Once again, Flávia told me everything firsthand and shared with me how the proposal had happened. I was very happy for her and for being able to witness yet another important moment in their story.

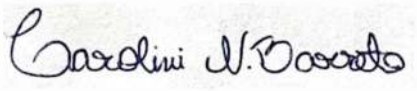

Although I have not yet had the opportunity to meet Jacob in person, I know a little about him through everything Flávia has shared with me over the course of their relationship. From the way she talks about him and by the things she tells me about the two of them, my impression is that he is a loving, loyal, respectful, and sincere partner to her. It is possible to see how much they care for each other and how committed they are to making the relationship work, even in the face of the distance and all the challenges they have faced.

Witnessing this story from the very beginning, even from a distance, was very special for me. I saw Flávia fall in love, build this relationship, and reach the moment when the two of them decided to take this step together. I am very happy for her and I truly hope for them to be very happy in this new stage of their lives.

I declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief.

Please feel free to contact me should any further information be required.

Declaração de Apoio para Fiancé(e) Visa

A quem possa interessar,

Meu nome é Carolini Neumann Barreto e estou escrevendo esta carta em apoio à minha amiga próxima, Flávia, e ao relacionamento dela com Jacob.

Conheci a Flávia em agosto de 2025, por meio do programa de intercâmbio de au pair. Na época, nós duas morávamos em Huntsville, Alabama, e nos conhecemos através de amigas em comum. Rapidamente nos tornamos amigas muito próximas. Durante os aproximadamente dois meses em que permaneci morando em Huntsville, passávamos bastante tempo juntas. Nós nos víamos todos os finais de semana e também durante a semana e, nesse período, construímos uma amizade muito próxima.

Depois de dois meses, me mudei para Chicago, mas Flávia e eu continuamos mantendo uma amizade muito próxima, mesmo à distância. Nós conversávamos todos os dias e fazíamos FaceTime sempre que podíamos. Mesmo morando em cidades diferentes, continuamos muito próximas. Por sermos tão próximas e mantermos contato diariamente, acompanhei o relacionamento da Flávia e do Jacob desde o início.

A Flávia conheceu o Jacob no começo de março. Ela me contou que eles se conheceram na academia, quando ela estava fazendo esteira. Segundo o que ela me contou, Jacob já havia reparado nela e, intencionalmente, foi fazer esteira também para ter a oportunidade de conversar com ela e pedir seu contato. Depois que começaram a conversar, eles rapidamente marcaram de sair e, a partir daí, passaram a se ver quase todos os dias, até o final do intercâmbio da Flávia.

Durante esse período, a Flávia me contava sobre os encontros e sobre como o relacionamento entre eles estava se desenvolvendo. Desde o começo, ela me dizia que havia uma conexão muito forte entre os dois. Conforme foram se conhecendo melhor, foram se apegando cada vez mais e desenvolvendo sentimentos um pelo outro. Antes da Flávia deixar os Estados Unidos, o Jacob a pediu em namoro, e ela aceitou. Ela me contou sobre o pedido logo depois, e pude perceber o quanto estava feliz. Ela já estava completamente apaixonada por ele, e foi muito especial para mim acompanhar esse momento da vida dela.

Depois que a Flávia voltou para o Brasil, os dois continuaram o relacionamento à distância. Como continuamos conversando todos os dias, permaneci acompanhando o relacionamento deles e ouvindo sobre os acontecimentos e momentos importantes da vida dos dois. Durante uma das visitas do Jacob à Flávia no Brasil, ele a pediu em casamento.

Mais uma vez, a Flávia me contou tudo em primeira mão e compartilhou comigo como o pedido havia acontecido. Fiquei muito feliz por ela e por poder acompanhar mais esse momento importante da história dos dois.

Embora eu ainda não tenha tido a oportunidade de conhecer o Jacob pessoalmente, conheço um pouco sobre ele por tudo o que a Flávia compartilhou comigo ao longo do relacionamento. Pela maneira como ela fala sobre ele e pelas coisas que me conta sobre os dois, minha impressão é de que ele é um parceiro amoroso, leal, respeitoso e sincero com ela. É possível perceber o quanto os dois se gostam e o quanto estão comprometidos em fazer o relacionamento dar certo, mesmo diante da distância e de todos os desafios que enfrentaram.

Acompanhar essa história desde o início, mesmo à distância, foi muito especial para mim. Vi a Flávia se apaixonar, construir esse relacionamento e chegar ao momento em que os dois decidiram dar esse passo juntos. Fico muito feliz por ela e torço para que sejam muito felizes nessa nova etapa de suas vidas.

Declaro, sob pena de perjúrio, que o descrito nesta carta é verdadeiro e correto de acordo com o melhor do meu conhecimento e crença.

Por favor, sinta-se à vontade para entrar em contato comigo caso sejam necessárias mais informações.

Declaration of Support for Fiancé(e) Visa

To Whom It May Concern,

I know Flávia Borba as a friend, and while she was in the United States on her exchange program, we kept in touch and occasionally attended yoga classes together. It was during this period, on March 27, that I met her fiancé, Jacob Morris, in person and had the opportunity to see them together.

After the exchange program ended, Flávia returned to Brazil, while I remained in the United States. Despite the distance, we maintained our friendship and talked regularly. Throughout this time, Flávia shared with me different aspects of her life and her relationship with Jacob, including important moments of their journey as a couple.

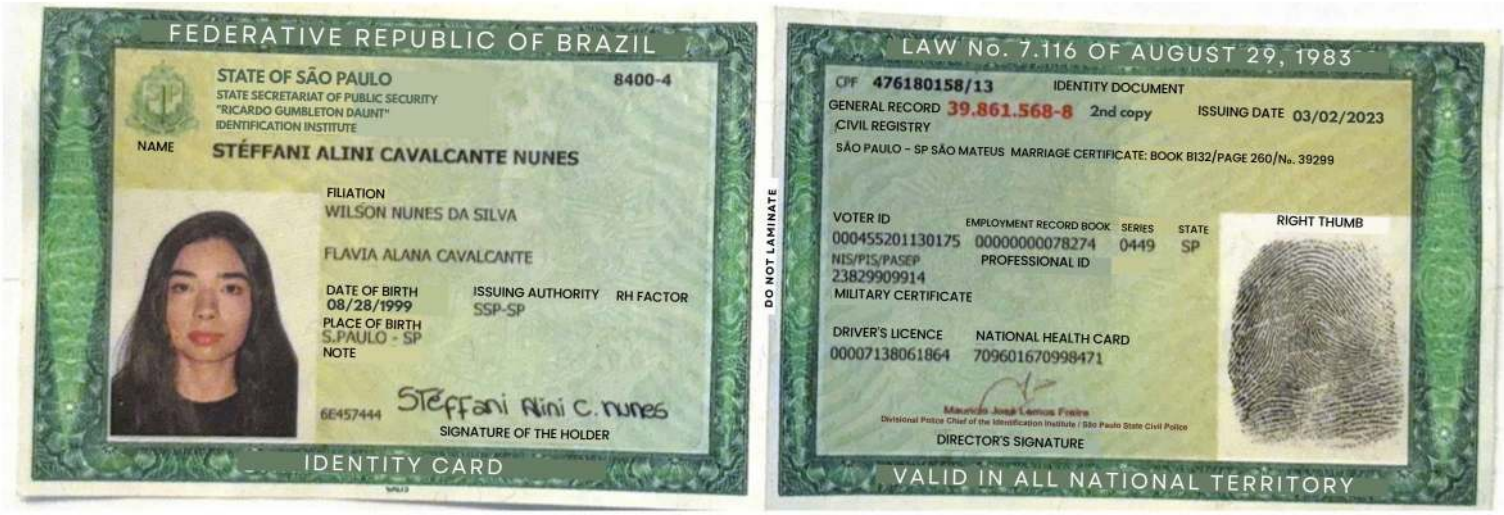

Although my personal interaction with Jacob was limited to the occasion I met him, my friendship with Flávia and our conversations over time have allowed me to better know the importance Jacob has in her life and to witness the development of their relationship. What I declare in this letter is based on what I witnessed in person and on what Flávia shared with me throughout our friendship.

I declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief.

Please feel free to contact me should any further information be required.

Affidavit of Support for Fiancé(e) Visa

To Whom It May Concern,

I met Jacob in January 2026 through our church's men's small group. Since then, we have become close friends, we work out together every weekday at 5:05 AM, attend church regularly, and often spend time together on weekends playing basketball or hanging out. Through this consistent interaction, I have come to know Jacob well.

I have observed Jacob and Flavia's relationship from the start. On March 2nd, Jacob told me he met Flavia at the gym March 1st and that they planned to have their first date on March 6th at Top Golf. Their relationship grew quickly and sincerely, and Jacob shared openly with me about their developing commitment. He traveled to Brazil three times to be with her: on May, June (for her sister's wedding), and July, when they became engaged. His effort and dedication demonstrate how genuine and serious their relationship is.

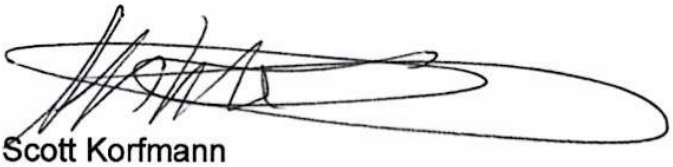

Jacob is a person of strong moral character. He frequently volunteers at our church, helping with men's small groups and assisting with setup and breakdown at events. He is always willing to lend a hand-whether it's helping someone move or offering his time wherever needed. He is dependable, honest, gracious with his time, and someone you can rely on without hesitation.

Jacob is also deeply connected to our community in Huntsville. He is active in our Wednesday men's group, Friday morning men's breakfast, and our 5:05 AM workout crew. These groups reflect his consistent involvement and strong ties in the United States. Based on my personal knowledge, I fully support Jacob and Flavia's fiancé visa application. Their relationship is sincere, and Jacob has shown outstanding character throughout the time I've known him.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Please feel free to contact me if further information is needed.

Sincerely,

Scott Korfmann

Affidavit of Support for Fiancé Visa

To Whom It May Concern,

This affidavit is in support of Mr. Jacob Morris who worked on my team from May 5, 2025, through July 2, 2026, as a Senior Data Analyst. Jacob consistently proved to be reliable, dedicated, and hard-working. Jacob conducted himself with integrity and honesty. He met all objectives and treated all fellow employees with respect and kindness. Our customer, his co-workers, and I trusted his insights, discoveries, and conclusions through his rigorous understanding of national-level supply chain logistics data. His support of mission objectives and this Nation's warfighters is unrivaled.

Jacob informed me of his relationship with Flavia in March 2026 and was clearly enamored. He met Flavia in Huntsville, AL and began dating. He visited Flavia's family in Brazil and again several few weeks later. It was obvious he was serious about having a long-term relationship. It is no surprise that he and Flavia are engaged. I am happy for them and wish them the best.

I declare under penalty of perjury that foregoing is true and correct to the best of my knowledge and belief.

Please feel free to contact me if further information is needed.

To Whom It May Concern,

My name is Ramsay Nuwayhid, and I am writing in support of Jacob Morris and his fiancée, Flávia, and their K-1 fiancé visa petition.

I met Jacob in January 2026 and have had the opportunity to get to know him personally over the months since then. During that time, Jacob has shared with me about his relationship with Flávia, whom he met while she was in the United States as an exchange student.

I want to be clear that I have not personally met Flávia, so I cannot speak from firsthand experience about my interactions with the two of them together. However, I can speak truthfully about what I have personally observed in Jacob as he has shared with me about their relationship.

Over the past several months, I have seen how important Flávia has become to Jacob. He has spoken with me about her, their relationship, their engagement, and their desire to build a life together. From my conversations with him, it has been evident to me that he takes their relationship and the commitment of marriage seriously. His excitement about their future together has been genuine and consistent.

In the time I have known Jacob, I have found him to be sincere, respectful, and a man who values his relationships with others. Based on my personal interactions with him and the conversations we have had regarding Flávia, I believe his intention to marry her and build a life together is genuine.

Although Flávia currently lives in Brazil and I have not yet had the

opportunity to meet her personally, I look forward to meeting her and getting to know them together as they begin this next chapter of their lives.

I offer this letter based solely upon my personal knowledge of Jacob, my conversations with him, and what I have personally observed. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Affidavit of Support for Fiancé(e) Visa

To Whom It May Concern,

Jacob Morris is a friend and former coworker of mine. I have known Jacob since March 2020, when we worked together on the same team at Northrop Grumman. We quickly became friends and have remained close ever since.

Through my firsthand experience working with Jacob, I have come to know him as a responsible, hardworking, and trustworthy individual. He consistently demonstrated professionalism, integrity, and respect for others. He was always willing to help his coworkers and earned the trust of those around him through his strong character and work ethic.

Outside of work, Jacob is a kind, honest, and compassionate person who treats others with respect. Over the years, I have seen him consistently demonstrate good judgment, strong values, and genuine care for the people in his life. I trust Jacob completely and can confidently attest to his good moral character.

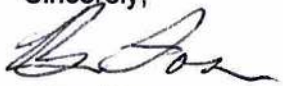

Jacob met Flavia in March 2026 in Huntsville, Alabama, at a gym they both attended. From the beginning, it was clear that he was genuinely invested in getting to know her. Their relationship grew into a strong and loving partnership, and Jacob has traveled to Brazil three times to spend time with Flavia. During his most recent visit, he proposed to her, reflecting their shared intention to build a future together.

Jacob has shared many photos and stories from his time with Flavia, and their happiness and affection for one another are evident. Based on what I have observed, I believe their relationship is genuine and built on love, trust, and mutual respect. I fully support their future together and look forward to seeing them build a happy and successful life as a married couple.

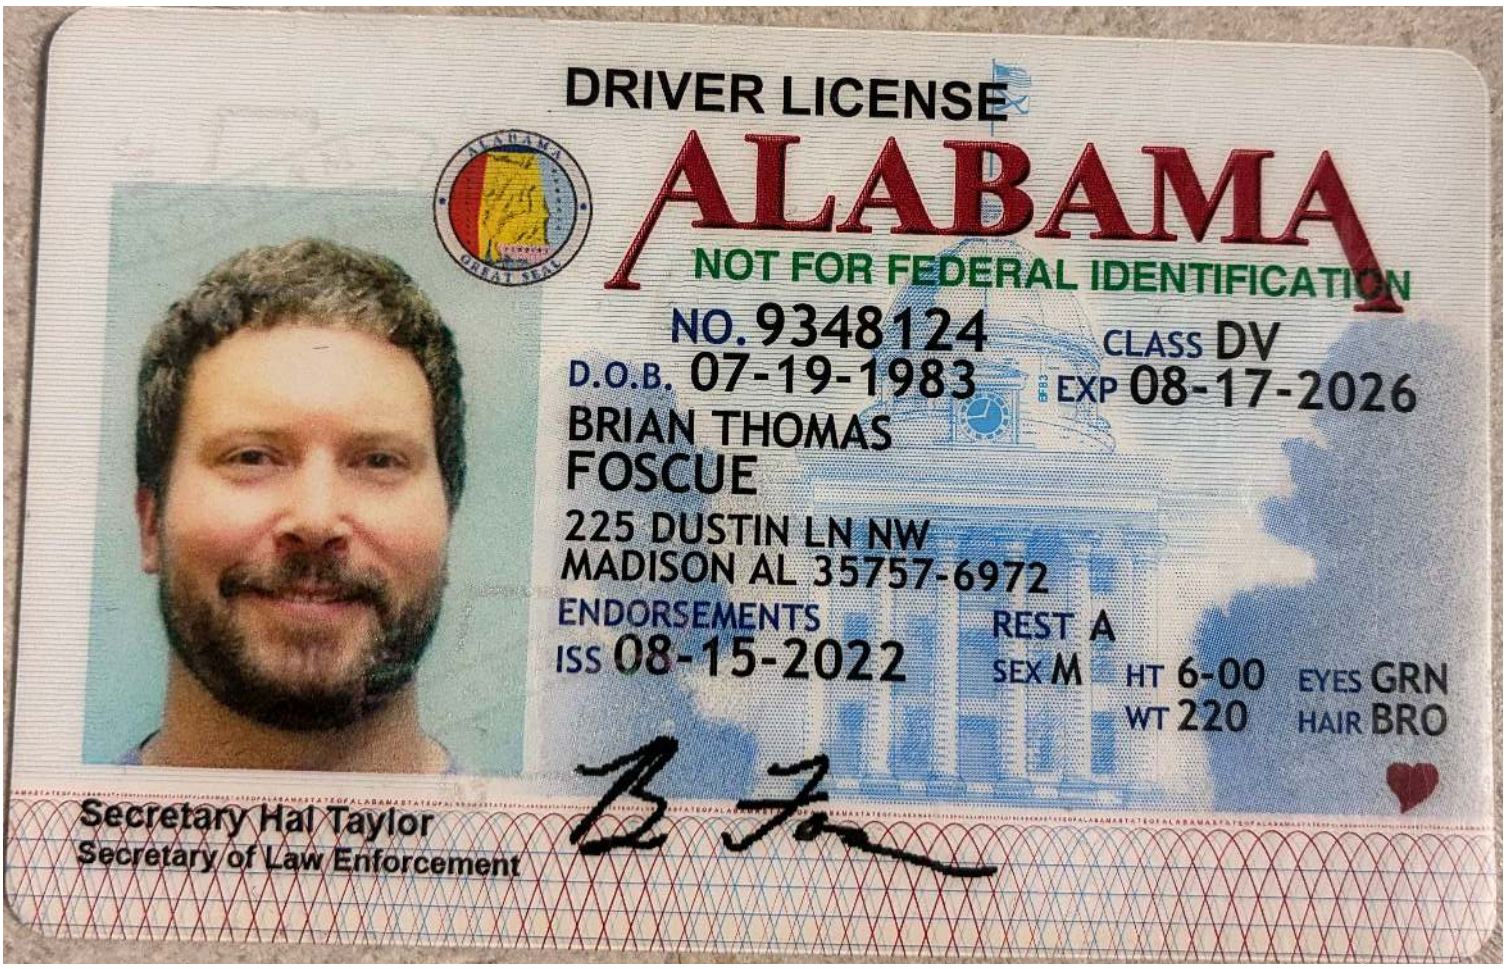

I declare under penalty of perjury that the statements in this letter are true.

1 October 2026

To Whom It May Concern:

My name is Casey Ellingson and I live at 7307 Oldstone Drive SE, Owens Cross Roads, AL, 35763. My phone number is 321-271-8794 and my email address is Ellingson.Casey@gmail.com.

Shortly after my husband passed away in 2023, I decided to participate in the au pair program via Au Pair in America in order to have reliable childcare due to my very demanding job and my son's young age. Flavia Borba Da Silva was my au pair from August 2025 – April 2026 and lived with me during that time, cared for my son, and became a very close family friend. She was my third au pair and she quickly blended into our family and joined us on different family vacations, weekend trips, and local outings.

With my son being older and also being an only child, and with me being the only other adult in the home, I feel that we are able to truly bond with our au pairs in a way that those in the thick of toddlerhood or with multiple kids, or even dual parents aren't able to. There's a bit more flexibility required of an au pair placed with a single parent, and with that comes an element of trust you need on both sides. Flavia is only around 10 years younger than me and is around the age of one of my younger sisters, so she felt like more of a little sister to me vs how many au pair families treat them as employees. We watched movies together, cooked meals, shared American and Brazilian traditions, and regularly FaceTimed her family back home.

During Christmas, we FaceTimed her family while our family had Christmas dinner with my parents and sister. It was so sweet to see them celebrating Christmas in Brazil at the same time! They are such a good and close knit family, and you could just feel the love coming through the phone. That's why it's no surprise that Flavia incredibly trustworthy, honest, kind, patient, and has a heart of gold. We talked often about the little blessings that you don't even realize are blessings at the time, and I believe her to be one of mine. My son absolutely thrived under her care, and he still has Minecraft pictures she drew for him on his bedroom walls, and I still have cards she wrote us and pictures we've taken displayed in my home.

Flavia met Jacob while living with us here in Huntsville, Alabama. I remember her mentioning meeting this guy at the gym and going on a few dates with him. As a single (widowed) mom who experienced dating in Huntsville, I was always very protective of my au pairs and their friends, so I asked her a million questions about him and we did a little internet research on him too. He sounded very well rounded and like a good guy. When her descriptions of him started to make it sound like this relationship was the real deal, I hosted a small get together at my home with a few friends and had Flavia invite him to it. It was her day off, so she spent the day with him and they cooked and brought some sides to share. I had a few of my friends there, and everyone, myself included, thought he was so kind. It was also apparent to all of us that he and Flavia were in love with each other.

Due to the au pair visa limitations, Flavia had to leave in April 2026, and I was hoping that relationship would last through the distance, because I really didn't want to see her get hurt. I was thankful to follow along on Instagram and see he has made several trips to visit her, spend time with her family, and I was overjoyed when she FaceTimed me to tell me he asked her to marry him! I only want the best for her and I love to see her so in love and so happy.

If there are any further questions regarding Flavia, Jacob, or my experience with either of them, please feel free to reach out via any of the communication methods above. I declare under penalty of perjury that the statements in this letter are true.

Sincerely,

Casey Ellingson
