RESPONDENT'S MOTION TO ACCEPT PROOF OF PAYMENT OF THE INITIAL ASYLUM APPLICATION FEE

Respondent Jaqueline das Neves Dantas Maia, by and through counsel, respectfully moves this Court to accept the attached proof of payment as satisfying the initial asylum application fee required under 8 U.S.C. § 1802 and 8 C.F.R. § 106.2(c)(14), and in support thereof states as follows:

Respondent Jaqueline das Neves Dantas Maia (A 240-169-090) is filing an initial application for asylum, withholding of removal, and protection under the Convention Against Torture in these proceedings[1], and is accordingly subject to the $100.00 initial asylum application fee required by 8 U.S.C. § 1802 and codified at 8 C.F.R. § 106.2(c)(14), rather than the $102.00 annual asylum fee required by 8 U.S.C. § 1808 and codified at 8 C.F.R. § 106.2(c)(15), which applies only to applications for asylum that have remained pending for one year or more. See also 8 C.F.R. § 1103.7(b)(4)(ii)-(iii) (providing that fees for Form I-589, a form published by the Department of Homeland Security, are governed by 8 C.F.R. part 106, and

[1] Respondent's application should not be pretermitted as untimely under the one-year filing requirement. Respondent was timely included as a derivative beneficiary in the asylum application filed by her husband, Jose Carlos Pereira dos Santos (A 240-169-089), on April 14, 2023, less than one year after their arrival in the United States on December 22, 2022. Respondent therefore relied on her husband's timely filed principal application while pursuing protection as his derivative spouse and did not file a separate principal application at that time. The circumstances giving rise to Respondent's need to pursue her own independent claim arose in connection with the proceedings currently before this Court. As explained in Respondent's Form I-589 and supporting declaration, the dangers underlying the family's request for protection remain ongoing.

that the annual asylum fee applies only while an application remains pending administrative review).

When payment was submitted through the EOIR Payment Portal on August 19, 2026, the filing type designated "Court - Form I-589, Annual Asylum Fee for Asylum and for Withholding of Removal (AAF)" was selected in error, rather than the filing type corresponding to the initial fee, notwithstanding that Respondent was filing a Form I-589 for the first time and owed no annual fee. As a result, Respondent's payment was processed under Payment Tracking ID 2857F20H, in the amount of $102.00. *See* Exhibit 1(Payment Receipt for Form I-589).

The error was one of designation and not of substance, and it has deprived the government of no fee to which it is entitled. The payment of $102.00 exceeds the $100.00 initial fee that 8 U.S.C. § 1802 and 8 C.F.R. § 106.2(c)(14) require for a first-time asylum filing, and the payment was processed and confirmed by the EOIR Payment Portal before the corresponding Form I-589 was lodged with the Court, consistent with the proof-of-payment requirement of 8 C.F.R. § 1103.7(a)(3).

Respondent respectfully requests that the Court accept the payment receipt attached as Exhibit 1 as satisfying the initial asylum application fee requirement for Respondent, and that the Court deem Respondent's Form I-589 properly filed notwithstanding the clerical mislabeling of the payment type selected in the portal.

Should the Court require a corrected designation or a supplemental transaction under the initial fee filing type, Respondent further requests leave to cure the designation within a period set by the Court, so that Respondent is not penalized for an inadvertent selection made within the payment system.

WHEREFORE, Respondent Jaqueline das Neves Dantas Maia respectfully requests that this Court accept the payment receipt attached as Exhibit A as satisfying the initial asylum application fee required under 8 U.S.C. § 1802 and 8 C.F.R. § 106.2(c)(14), deem Respondent's Form I-589 properly filed, and grant such further relief as the Court deems just and proper.

Respectfully submitted,
