INFORMAÇÕES PARA O TITULAR

Este passaporte é propriedade da República Federativa do Brasil e qualquer tentativa de adulteração o tornará inválido.

O extravio – perda, roubo ou destruição – do passaporte constitui fato grave e deve ser comunicado imediatamente à autoridade policial e à Embaixada ou ao Consulado do Brasil, conforme o caso. Para isso, recomenda-se que o titular copie as informações da página 2. Se o passaporte for entregue à pessoa ou serviço que não pertença ao Governo Brasileiro (por exemplo, para obtenção de visto, compra de passagem, etc.) e não for restituído, o titular deve considerá-lo como extraviado. A concessão de novo passaporte em substituição ao extraviado depende de investigação.

Apenas o titular do passaporte poderá usá-lo. A utilização fraudulenta ou a cessão a outra pessoa constituem crimes, pela lei brasileira. Para ressalvar sua responsabilidade, o titular deve assinar seu passaporte, no local previsto na página 3, imediatamente após recebê-lo. Este passaporte só é válido com a assinatura do titular, salvo em caso de incapacidade.

É recomendável que o brasileiro residente no exterior, ou de passagem por região conturbada, matricule-se na Embaixada ou no Consulado do Brasil mais próximo. Impossibilitado de comparecer pessoalmente, poderá comunicar-se por outro meio, fornecendo nome completo, endereço e número do passaporte.

O brasileiro que viaje por áreas conturbadas deve ter presente que a assistência do Governo Brasileiro poderá ser limitada e dependerá das autoridades locais. A contratação de seguro de viagem poderá trazer tranquilidade ao viajante e a seus familiares.

É responsabilidade do titular verificar, antes da viagem, a validade do passaporte e a necessidade de visto. O titular poderá solicitar a substituição do passaporte mesmo antes do vencimento, em vista de que muitos países exigem prazo mínimo de validade.

O menor de idade, não emancipado, viajando desacompanhado de qualquer um dos pais, ou responsável legal, só poderá sair do Brasil munido da autorização pertinente prevista em lei.

O cidadão brasileiro que tenha outra nacionalidade deve ter em conta que a assistência consular brasileira no país de que também é nacional poderá ser consideravelmente limitada.

THEREFORE, it is **ADJUDGED**, **ORDERED** and **DECREED** that the parties be and they are hereby awarded a divorce a vinculo matrimonii on the grounds of continuous and uninterrupted separation in excess of one year with the intent of both parties to dissolve the said marriage, all within the meaning of Section 20-91(A)(9)(a) of the Code of Virginia, 1950, as amended, and the bonds of matrimony heretofore existing between the parties are hereby dissolved and extinguished.

DECLARATION IN SUPPORT OF VAWA APPLICATION

I, **Martha Cardoso de Mattos**, declare the following under penalty of perjury, under the laws of the United States of America (28 U.S.C. § 1746):

1. I was born on June 2, 1963, in Rio de Janeiro, Brazil, and was raised in Brasília from the age of four. I am the oldest daughter of my parents, who divorced when I was twenty-one years old. My father worked for the Military Police of the Federal District, and my mother worked as a nursing technician. I completed high school and graduated with a degree in Hospital Administration from União Educacional de Brasília, having worked for approximately fifteen years in the hospital field before coming to the United States.

2. Before my last entry into the United States in February 2014, I was in the country once in 2009 on a tourist visa. On that occasion, I stayed for approximately 8 to 10 days to attend a wedding. My last entry into the United States occurred in February 2014, also on a tourist visa, through Miami International Airport.

3. I was previously married twice and also in a common-law marriage in Brazil. My common-law marriage was with Mr. Dilson Afonso Ferreira Florencio, which began on August 22, 2008, and was formally terminated on October 22, 2012. However, we had already been separated in fact since July 2011. Subsequently, my first marriage was with Mr. Walmir Oliveira Guerreiro, in Brazil. Our marriage lasted seven years and ended in a mutually agreed divorce. From this union my two daughters, Raquel and Lais de Mattos Guerreiro, were born, who are currently adults and reside in Brazil. My second marriage was with Mr. Alexandre J. Zarro Suzano, with whom I resumed contact in 2012 and married shortly after arriving in the United States, in March 2014. This marriage ended after I discovered that he had lied to me about his personal life and about his own immigration status, in addition to feeling financially exploited by him. We had no children from this marriage.

4. I met Donald Edward Perry ("Donny"), a U.S. citizen, at my workplace in Virgínia. We married in January 2020 and began living together at the time of our marriage. We have no biological children in common. This was my third marriage and

his first. I married for love, with the expectation of building a life and a future together.

5. During the period we lived together, Donny smoked cigarettes and used marijuana. He frequently asked me for money, including after we were already separated, and became agitated and verbally aggressive when I was unable to give it to him.

6. In one of the several arguments related to his demands for money, he grabbed me forcefully by the arms.

7. Donny made disparaging comments about immigrants in general and about my work. He emotionally and financially blackmailed me, making me feel that I needed to give him money and satisfy his demands so that he would not become angry or refuse to help me with my immigration process. I caught him lying to me on several occasions. When I did not meet his demands, he gave me the "silent treatment," ignoring me completely.

8. In addition to the insults and offensive messages I received from him, some of which were witnessed by my friends, he never gave me effective support to regularize my immigration status, despite being a U.S. citizen and despite my relying, in part, on that cooperation.

9. He was raised by his parents, both now deceased. He has two adult children from previous relationships He is an Armed Forces veteran and receives benefits from the Department of Veterans Affairs (VA). To my knowledge, he has had legal problems in Georgia related to alcohol consumption.

10. The relationship and the abuse I suffered deeply affected my emotional health. During the four years we lived together, I developed symptoms of anxiety, depression, and traumatic stress. My sleep decreased to about five hours a night; it took me up to an hour to fall asleep about three times a week, and I would wake up in the middle of the night unable to

go back to sleep. I had nightmares twice a month. My appetite also decreased, I began eating only three times a day instead of five, and I lost about 3.6 kg in six months.

11. I underwent short-term psychotherapy and took psychiatric medication for anxiety and panic attacks between 2023 and 2024, for about five months. The medication helped at first, but stopped working as my anxiety increased; sadness and depression worsened, and crying spells became more frequent. I almost lost my job due to a lack of concentration. I started having unexpected panic attacks, with symptoms such as chest pressure and pain, hyperventilation, sweaty hands, dizziness, and tremors.

12. Currently, I am less depressed, but I still feel anxiety and continue to have panic attacks, the most recent of which occurred in early March 2026. I no longer take psychiatric medication and have turned to breathing exercises and my faith to cope with these symptoms.

13. Donny moved to Atlanta, Georgia, in mid-2024 to be closer to his adult son and grandson, leaving me alone in the rented apartment in Lynchburg, Virginia, where he had lived until then. From then on, all household expenses and financial responsibilities fell entirely on me, which became a significant source of financial stress.

14. We continued communicating through Instagram until, in December 2025, I stopped responding to his requests for money, he had requested $500.00, and he stopped responding to my messages.

15. Today, I work two jobs to support myself: I work as a digital personal shopper for Walmart, where I have been for one year, and as a driver for Uber Eats, where I have been for one year. I do not have health insurance. I have no criminal record in the United States or in Brazil, and I have never been detained or arrested in either country.

16. I do not intend to inform Donny about this VAWA application for fear of retaliation on his part.

17. I married Donny for love and in good faith, believing that we would build a life together. Instead, I found myself trapped in a cycle of lies, abuse, and deception that escalated over time. I suffered psychological, verbal, financial, and, on at least one occasion, physical abuse by my spouse, a U.S. citizen. I respectfully request that my VAWA petition be approved, so that I may continue rebuilding my life in the United States with safety and dignity.

I declare under penalty of perjury that everything written above is factual and true, and I so attest.

DECLARAÇÃO DE SUPORTE APLICAÇÃO DE VAWA

Eu, **Martha Cardoso de Mattos**, declaro o seguinte sob pena de perjúrio, nos termos das leis dos Estados Unidos da América (28 U.S.C. § 1746):

1.Eu nasci em 02 de junho de 1963, no Rio de Janeiro, Brasil, e fui criada, a partir dos quatro anos de idade, em Brasília. Sou filha mais velha de meus pais, que se divorciaram quando eu tinha vinte e um. Meu pai trabalhou na polícia militar do Distrito Federal e minha mãe atuou como técnica de enfermagem. Concluí o ensino médio e me formei em Administração Hospitalar pela União Educacional de Brasília, tendo trabalhado por aproximadamente quinze anos na área hospitalar antes de vir para os Estados Unidos.

2.Antes da minha última entrada nos Estados Unidos, em fevereiro de 2014, estive no país uma vez, em 2009, com visto de turista. Na ocasião, permaneci aproximadamente de 8 a 10 dias para participar de um casamento. Minha última entrada nos Estados Unidos ocorreu em fevereiro de 2014, também com visto de turista, pelo Aeroporto Internacional de Miami.

3.Fui casada anteriormente duas vezes e também mantive uma união estável no Brasil. Minha união estável foi com o Sr. Dilson Afonso Ferreira Florencio, iniciada em 22 de agosto de 2008 e formalmente encerrada em 22 de outubro de 2012. Entretanto, nós já estávamos separados de fato desde julho de 2011. Posteriormente, meu primeiro casamento foi com o Sr. Walmir Oliveira Guerreiro, no Brasil. Nosso casamento durou sete anos e terminou em divórcio de mútuo acordo. Dessa união nasceram minhas duas filhas, Raquel e Lais de Mattos Guerreiro, que atualmente são adultas e residem no Brasil. Meu segundo casamento foi com o Sr. Alexandre J. Zarro Suzano, com quem retomei contato em 2012 e me casei pouco depois de chegar aos Estados Unidos, em março de 2014. Esse casamento terminou após eu descobrir que ele havia mentido para mim sobre sua vida pessoal e sobre sua própria situação migratória, além de eu ter me sentido financeiramente explorada por ele. Não tivemos filhos desse casamento.

4.Conheci Donald Edward Perry ("Donny"), cidadão americano, no meu local de trabalho na Virgínia. Nos casamos em janeiro de 2020 e passamos a viver juntos a partir do casamento. Não temos filhos biológicos em comum. Este foi o meu terceiro casamento e

o primeiro dele. Eu me casei por amor, com a expectativa de construirmos uma vida e um futuro juntos.

5.Durante o período em que vivemos juntos, o Donny consumia bebida alcoólica diariamente, fumava cigarros e usava maconha. Ele frequentemente me pedia dinheiro, inclusive depois que já estávamos separados, e ficava exaltado e agressivo verbalmente quando eu não tinha como atendê-lo.

6.Em uma das diversas discussões relacionadas às suas exigências de dinheiro, ele me segurou com força pelos braços.

7.O Donny fazia comentários depreciativos sobre imigrantes de modo geral e sobre o meu trabalho. Ele me chantageava emocional e financeiramente, fazendo-me sentir que eu precisava lhe dar dinheiro e satisfazer suas exigências para que ele não ficasse com raiva ou se recusasse a me ajudar com meu processo de imigração. Eu o flagrei mentindo para mim em diversas ocasiões. Quando eu não atendia às suas exigências, ele me tratava com a "lei do silêncio", me ignorando por completo.

8.Além dos xingamentos e mensagens ofensivas que recebi dele, alguns dos quais foram presenciados por minhas amigas, ele nunca me deu apoio efetivo para regularizar minha situação migratória, apesar de ser cidadão americano e de eu depender, em parte, dessa colaboração.

9.Ele foi criado por seus pais, hoje ambos falecidos. Tem dois filhos adultos de relacionamentos anteriores. É veterano das Forças Armadas e recebe benefícios do Departamento de Assuntos de Veteranos (VA). Segundo o que sei, ele já teve problemas legais na Geórgia relacionados ao consumo de álcool.

10.O relacionamento e o abuso que sofri afetaram profundamente minha saúde emocional. Durante os quatro anos em que vivemos juntos, desenvolvi sintomas de ansiedade, depressão e estresse traumático. Meu sono diminuiu para cerca de cinco horas por noite; eu demorava até uma hora para pegar no sono cerca de três vezes por semana e acordava no meio da noite sem conseguir voltar a dormir. Tive pesadelos com frequência de duas

vezes por mês. Meu apetite também diminuiu, passei a comer apenas três vezes ao dia, ao invés de cinco, e perdi cerca de 3,6 kg em seis meses.

11. Fiz psicoterapia de curto prazo e tomei medicação psiquiátrica para ansiedade e ataques de pânico entre 2023 e 2024, por cerca de cinco meses. A medicação ajudou no início, mas deixou de fazer efeito conforme minha ansiedade aumentava; a tristeza e a depressão pioraram e os episódios de choro se tornaram mais frequentes. Cheguei quase a perder meu emprego por falta de concentração. Passei a ter ataques de pânico inesperados, com sintomas como pressão e dor no peito, hiperventilação, suor nas mãos, tontura e tremores.

12. Atualmente estou menos deprimida, mas ainda sinto ansiedade e continuo tendo ataques de pânico, o mais recente ocorreu no início de março de 2026. Não tomo mais medicação psiquiátrica e tenho recorrido a exercícios de respiração e à minha fé para lidar com esses sintomas.

13.O Donny se mudou para Atlanta, na Geórgia, em meados de 2024, para ficar mais perto de seu filho adulto e de seu neto, deixando-me sozinha no apartamento alugado em Lynchburg, Virgínia, onde ele havia morado até então. A partir de então, todas as despesas e responsabilidades financeiras da casa passaram a recair inteiramente sobre mim, o que se tornou uma fonte significativa de estresse financeiro.

14. Continuamos nos comunicando pelo Instagram até que, em dezembro de 2025, parei de responder aos seus pedidos de dinheiro, ele havia solicitado US$ 500,00, e ele deixou de responder às minhas mensagens.

15. Hoje trabalho em dois empregos para me sustentar: atuo como Digital Personal Shopper para o Walmart, onde estou há um ano, e como motorista para o Uber Eats, onde estou há um ano. Não tenho plano de saúde. Não tenho antecedentes criminais nos Estados Unidos nem no Brasil, e nunca fui detida ou presa em nenhum dos dois países.

16.Não pretendo informar o Donny sobre este processo VAWA, por temer retaliação de sua parte.

17. Eu me casei com o Donny por amor e de boa-fé, acreditando que construiríamos uma vida em comum. Em vez disso, me vi presa em um ciclo de mentiras, abuso e decepção que se agravou com o tempo. Sofri abuso psicológico, verbal, financeiro e, em ao menos uma ocasião, físico, por parte de meu cônjuge, cidadão americano. Peço respeitosamente que minha petição VAWA seja aprovada, para que eu possa seguir reconstruindo minha vida nos Estados Unidos com segurança e dignidade.

Declaro sob pena de perjurio que tudo escrito acima é concreto e verdadeiro e dou fé.

BIOPSYCHOSOCIAL REPORT

May 16, 2026

To Whom It May Concern:

Re: Ms. Martha Cardoso de Mattos, DOB 06/02/1963

Purpose: The purpose of this report is to provide you with information about Ms. Martha Cardoso de Mattos at her request. She suffered multiple forms of abuse and mistreatment from her estranged husband, a U.S. citizen, and hopes to benefit from provisions set forth by the Violence Against Women Act (VAWA). Written authorization from her was secured to disclose personal and family information to relevant parties.

Method: Extensive, in-person, clinical interview with Ms. Mattos; gathering of psychosocial history; mental status exam; and clinical observations. Measurements of state anxiety and depression were made using the standardized instruments described below.

Instruments:

1. **State-Trait Anxiety Inventory for Adults (STAI-AD, Form Y-1)**, by Charles D. Spielberger, 2015. STAI is an instrument highly utilized by clinicians, researched for decades and translated into multiple languages. STAI-AD Form Y-1 is a self-administered inventory, which consists of twenty statements that evaluate a patient's state anxiety (S-Anxiety) at a given time, either in the present or in the recent past. S-Anxiety is characterized by subjective, transitory feelings of tension, apprehension, worry, and by activation of the autonomic nervous system, all of which take place at a given time, have varying levels of intensity and can reappear when re-exposed to traumatic events. STAI-AD Form Y-1 may also be used to evaluate anticipation of how a patient may feel in a specific situation that is likely to be encountered in the future or in a variety of hypothetical situations.

   Alpha reliability of S-Anxiety scores in working adults, males and females, is 0.93. The overall median alpha coefficient for the S-Anxiety scale for Form Y-1 in the normative sample is 0.92. The mean average for S-Anxiety in a group of working adult males is 35.72 while it is 35.20 in a group of working adult females. Threats to validity when completing STAI-AD Form Y-1 can be found with different age groups, omitted items from the inventory and respondents who have high trait anxiety, have served in the military or have neuropsychiatric disorders. An adapted and translated version of this instrument into Spanish was used.

2. **Beck Depression Inventory – II (BDI-II):** Beck Depression Inventory-II (BDI-II) was created by Aaron T. Beck, Robert A. Steer, and Gregory K. Brown (1996). Its purpose is to evaluate the intensity of depression in adults and teens over 13. It is a self-administered assessment tool and consists of 21 items going from 0 to 3 and raw scores ranging from 0 to 63. The following

guidelines have been suggested to interpret BDI-II: Minimal range, 0-13; mild depression, 14-19; moderate depression, 20-28; and severe depression, 29-63.

BDI-II is widely known and has been tested for content, concurrent and construct validity. High concurrent validity ratings have been reported between BDI-II and other depression instruments such as the Minnesota Multiphasic Personality Inventory and the Hamilton Depression Scale. BDI-II has also shown high construct validity with the medical symptoms it measures. It has a coefficient alpha rating of 0.92 for outpatient and 0.93 for college student samples. It has one-week test-retest reliability of r = 0.93. An adapted and translated version of this instrument into Spanish was used.

Dates of Evaluation, Language Used, Identity Verification, and Diagnostic Criteria Utilized: The assessment was held in three sessions on April 27th, 28th and May 1st, 2026, and was done in Spanish as that was preference. Ms. Mattos's identity was verified through her driver's license issued by the state of Virginia. Diagnoses listed in this report, along with their identifying codes, come from the International Classification of Diseases, Tenth Revision, Clinical Modification (ICD-10-CM) (World Health Organization, 2010). ICD-10-CM codes are to be reported as directed by the Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM-5) (American Psychiatric Association, 2013).

Psychosocial History: Ms. Mattos is a 62-year-old South American female, born and raised in Brazil. More precisely, she was raised in Rio de Janeiro until age four and, front that point onwards, in Brasilia. She migrated to the U.S. in February 2014 as a tourist but in March 2014 got married to her second husband, a man she knew from Brazil and with whom she had resumed talking online in 2012. She applied for asylum in 2024 and her case remains open. Her asylum application was based on multiple robberies at gunpoint and other crimes she suffered in her homeland. She now has a work permit and social security number. Her estranged husband, Mr. Donald Edward Perry, 54, was born in Washington, DC, and raised between Lynchburg, VA and DC. He now lives in Atlanta, GA, where he moved in mid-2024 when he left her.

Ms. Mattos and Mr. Perry got married in January 2020. They met in 2014 at their workplace in Virginia and began living together upon marriage. They have no biological children together. This is the third marriage for Ms. Mattos and the first one for him. Ms. Mattos was first married to Mr. Walmir Oliveira Guerreiro, 62, who lives in Brasilia. Their marriage lasted seven years before getting divorced by mutual accord. They have two daughters: Raquel de Mattos Guerreiro, 37, and Lais de Mattos Guerreiro, 34, both born in Brazil. Her second husband, Mr. Alexandre J. Zarro Suzano, 64, lives in Buffalo, NY. She divorced him after she learned he had lied to her about his personal life and immigration status and she felt financially abused by him. They have no children together.

Ms. Mattos lives in a rented apartment in Lynchburg, where her husband used to live until 2024 when he left her and moved to Atlanta to be closer to his adult son and grandson. Up until December 2025, the former couple would communicate via Instagram, but he suddenly stopped responding to her messages around December 2025 after she told him she was no longer able or willing to give him money. He had requested $500 at the time. Ms. Mattos has two jobs: she holds a full-time job as a digital personal shopper for Walmart, her employer for ten months, and works part-time as a driver for Uber Eats, her employer for one year. She has no health insurance. While living together, her husband worked for his own business, an HVAC company, until he finally retired in 2022.

Life while living with Mr. Perry and even after their split became a major source of financial stress for Ms. Mattos. In fact, personal and household finances were seriously damaged after he suddenly left her as she began paying all household bills by herself. While the couple lived together, he would drink liquor every day, smoke cigarettes and use marijuana. Moreover, he would always ask her for money, even after he left her. Ms. Mattos reported having average credit; her credit score sits at 670. No bankruptcies were disclosed. She owes $147 to the IRS but is planning to clear such liability immediately. She reported owing no money to the state of Virginia in back taxes. She has six credit cards and owes

$4,000 in total. No history of real estate ownership, car repossessions, money owed to the federal government, financial judgments against her name or outstanding hospital bills were reported.

Ms. Mattos was raised by her parents, who eventually got divorced when she was 19 years old. She reported having her basic needs covered while growing up. Her father worked for the military police for the Brazilian government while her mother was a nurse technician. Ms. Mattos is the oldest child from the same parents. No childhood abuse was disclosed. She completed high school and attended Union Educacional de Brasilia where she obtained a bachelor's degree in hospital administration. She worked about 15 years in the hospital industry before coming to the U.S. No alcohol, drug abuse or addictions were reported. No detentions or arrests in Brazil or the U.S. were disclosed. Her latest physical exam in 2025 yielded good results. Regarding her surgical history, she has undergone four procedures: two C-sections in 1989 and 1991, breast reduction around 1994, and eye surgery (Lasik) around 1990. No current medical treatment was disclosed. When asked to identify the most traumatic event in her life, she replied: "This phase I am going through now… I came to the U.S. with a different plan… I don't like my life right now… I am on my own, alone. I must work to survive."

Per Ms. Mattos's accounts, Mr. Perry was raised by his parents, who are both deceased. He has two adult children, aged 33 and 29, from two previous relationships. He smokes cigarettes and marijuana every day and consumes alcohol daily. Mr. Perry is a veteran and receives benefits from the VA. My patient denied being aware of any history of domestic violence by him against other women. Nevertheless, he has been in legal trouble in Georgia due to alcohol-related issues she stated.

Clinical Findings and Behavioral Observations: Ms. Mattos requested to be evaluated to assess the nature, scope, and extent of the emotional, psychological, physical, financial, material, and overall damage she suffered from her estranged husband. She presented as a coherent, oriented, and functional individual during the assessment. Her eye contact, personal hygiene, speech production and rate fell within normal limits. She exhibited an anxious and depressed mood and congruent affect.

The multiple forms of abuse and maltreatment she suffered triggered a cluster of symptoms usually seen in victims and survivors of traumatic stress. During one of many verbal arguments around his demands for money, he violently grabbed her by the arms. He would frequently become upset as he demanded money from her, but she did not have it. No sexual or property abuse was disclosed. He would make offensive remarks about immigrant people in general and her job. Moreover, she endured financial blackmailing, felt compelled to give him money and satisfy his demands to prevent his ire and wrath or his refusal to help with her immigration case. She caught him lying on many occasions. He frequently gave her the 'silent treatment' as she refused to satisfy his demands.

During the four-year period they lived together she suffered depression, anxiety and trauma-induced symptoms. Her sleep decreased as she only slept five hours at night. She experienced early insomnia as it would take her up to one hour to fall asleep, about three times a week. She also experienced middle insomnia; she was unable to fall back asleep after waking up. She had nightmares twice a month. Her appetite decreased; she went from eating five times a day to three times daily and lost 8 lbs. in 6 months. No visual or auditory hallucinations, suicidal ideations, homicidal thoughts or self-injurious attempts were disclosed. No traumatic brain injuries with periods of unconsciousness or psychiatric hospitalizations were reported. She had short-term psychotherapy and was prescribed psychiatric medication for anxiety and panic attacks, which she took for five months between 2023-2024. No seizures, convulsions or neurological issues were disclosed. The medication she took worked at first but stopped helping at some point as her anxiety increased. Overall, sadness and depression sank in and crying spells became more frequent. Her concentrations levels went down. In fact, she almost lost her job due to lack of focus. She had unexpected panic attacks with symptoms such as chest pressure and pain, hyperventilation, sweaty palms, dizziness, lightheadedness and shaking.

She is currently less depressed but still feels anxious and has panic attacks. Her last unexpected panic attack was early March 2026. She is no longer on psychiatric medication and tries to do deep breathing exercises instead. "I seek God for comfort," she uttered.

Test Results: STAI Form Y-1 yielded a raw score of 56 out of a maximum of 80. She suffers from elevated state anxiety considering the mean for working adult females is 35.72 and the standard deviation for such group is 10.40. Her score places her at 0.52 points below two standard deviations beyond the mean for someone in her group. BDI-II yielded a score of 32 out of a maximum of 63, which places her at the severe depression range.

Diagnostic Impression: Ms. Mattos has provisional diagnoses of Major Depressive Disorder, Recurrent Episode, Moderate (F33.1); Panic Disorder (F41.0); and Personal history (past history) of spouse or partner psychological abuse (Z91.411).

Summary, Discussion and Recommendations: Ms. Martha Cardoso de Mattos is a 62-year-old, married, Brazilian female who is applying for protection and legal provisions set forth by VAWA. She suffered multiple forms of abuse from her estranged husband, Mr. Donald Edward Perry, 54, a U.S. citizen. The predicament she endured triggered depression, anxiety and trauma-induced symptomology that rattled her world, which continues to haunt her to this day despite the fact they finally separated in mid-2024 when he left her and moved to Atlanta, GA.

Ms. Mattos migrated to the U.S. in 2014 in hopes of having a better life and married Mr. Perry in 2020 as she felt they could grow old together as a couple and share a joint future. They have no biological children together. My patient lives in a rented apartment in Lynchburg, VA, where her husband used to live until 2024 when he left her and moved Georgia to be closer to his son and grandson. Ms. Mattos has two jobs: she works full-time as a digital personal shopper for Walmart and has a part-time job as driver for Uber Eats. She has no health insurance.

She married him out of love but soon found herself trapped in a cycle of lies, abuse and deception that only exacerbated as time went by. His physical and verbal abuse, blackmailing, financial demands and overall entitlement eroded their trust and sent her into a downward spiral of depression, anxiety and trauma. His alcohol and substance abuse only made their cohabitation worse and unbearable. Research shows that adults who have suffered domestic violence are prone to have tangible changes in the anatomic and physiological structure of their brain. Highly distressing life situations such as chronic abuse or violence trigger changes in brain structure, including differences in the volume of gray matter versus white matter, as well as the size and connectivity of the amygdala. The stress hormone cortisol is believed to create a domino effect that hardwires pathways between the hippocampus and amygdala in a way that might create a vicious cycle by creating a brain that becomes predisposed to being in a constant state of fight-or-flight.[1] Test results show she suffers from elevated state anxiety and severe depressive symptomology, which provides psychometric evidence that supports her disclosed level of pain and suffering.

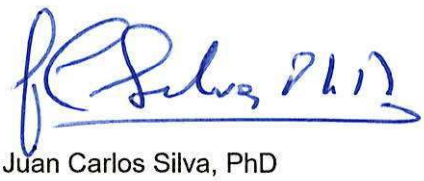

Having stated these findings, I respectfully recommend and request that Ms. Mattos's application for VAWA be approved for humanitarian reasons. Remaining in the U.S. would significantly increase her prospects for future recovery, start a new chapter, and move ahead in life with dignity.

Statement about the Validity of Patient's Disclosed Data: In my professional opinion, I did not find any indication that would lead me to suspect that my patient was not being truthful. Her answers were consistent with someone who was being honest about the statements being made. No inconsistencies in her story were detected, noticed, or suspected.

Support Letter for the Application of Martha Cardoso de Mattos

I, Susi Souza Schimek, born on 03/13/1964 in Belo Horizonte, MG, Brazil, telephone number (434) 258-3116, email address susischimek@yahoo.com.

I have known Martha since the first day she arrived in the city of Lynchburg in 2014.

We worked together at the candle factory where she met Donald. He worked as a mechanic, and she worked on the candle production line.

After approximately two years, he left the company, but we remained in contact as friends, and he even repaired the air conditioning system in my house, as after leaving the factory, he opened a small air-conditioning installation and repair business.

In January 2020, they got married, and I attended the wedding.

On several occasions, they visited my home for celebrations such as Thanksgiving, Christmas, and birthdays, where we cooked and shared moments of fellowship among friends.

Everything was going very well until Martha asked him about regularizing her status here in the country. He said that he would soon take care of the paperwork, which never happened because every time she brought up the subject, he appeared uncomfortable and, at times, nervous.

On one occasion when the three of us met after work, he became irritated and spoke loudly in front of the Food Lion supermarket. He even grabbed her by the arm, displaying aggression and a lack of control, which I witnessed on several occasions.

On one of the days we went out together, Martha mentioned to him about regularizing her documents because she really wanted to visit her mother, who was ill. Since they hadn't gone on a honeymoon, it would have been an opportunity for her to go to Brazil to support and see her mother, who was not doing well, and for him to meet Martha's family, but he ignored it and showed no concern about the fact that her mother was ill.

On one of the many occasions when we went out together, he began yelling at Martha, and I had to intervene and tell him that if he did not calm down, I would take him to court. He then lowered his voice and did not yell anymore.

At the beginning of the marriage, he seemed very kind, but after about two years, he revealed himself to be rude, using threatening, offensive, and disrespectful words. He was a very nervous person, with a great deal of verbal abuse, and Martha became nervous and afraid of him during arguments. She would call me on the phone and had to leave the house for a few hours until he calmed down.

Because of this entire situation, Martha developed emotional problems such as hair loss, which I personally witnessed, panic attacks, memory loss, and anxiety attacks, leading her to see a doctor and requiring her to take medication.

Martha is a friend whom I have known for 12 years, and I know her to be a hardworking, honest person, a good friend, a good wife, a good mother, a good grandmother, and a person of good moral character.

I declare, under penalty of perjury, that the information described in this letter is true.

Carta de Suporte para a aplicação de Martha Cardoso de Mattos.

Eu, Susi Souza Schimek, nascida em 13/03/1964 em Belo Horizonte, MG, Brasil, telefone número (434)258-3116, e-mail susischimek@yahoo.com.

Conheço a Martha desde o primeiro dia que ela chegou à cidade de Lynchburg, em 2014.

Trabalhamos juntas na fábrica de velas onde ela conheceu o Donald. Ele trabalhava como mecânico e ela na linha de produção de velas.

Depois de mais ou menos dois anos ele saiu da companhia, mas mantíamos contato como amigos, inclusive ele fez um reparo no ar condicionado da minha casa, pois depois que ele saiu da fabrica, ele abriu uma pequena empresa de instalação e reparo de ar condicionado.

Em janeiro de 2020, eles se casaram e eu compareci ao casamento.

Por algumas vezes eles compareceram a minha casa em eventos comemorativos como o Thanksgiving, Natal e aniversários, onde cozinhávamos e compartilhávamos de momentos de comunhão entre amigos.

Tudo estava indo muito bem até quando Martha perguntou para ele sobre a regularização dela aqui no país. Ele disse que em breve iria providenciar a papelada, o que nunca aconteceu pois toda vez que ela falava do assunto, ele se mostrava desconfortável e em algumas vezes nervoso.

Em uma das vezes que nos três nos encontramos após o trabalho, ele ficou irritado falando em voz alta em frente ao supermercado Food Lion e chegou a segurar no braço dela mostrando agressividade e descontrole, que eu presenciei por algumas vezes.

Em um desses dias que saímos juntos, Martha comentou com ele sobre a regularização dos documentos dela pelo motivo de que ela queria muito visitar a mãe que estava doente. Como eles não saíram em lua de mel, seria uma oportunidade de ela ir ao Brasil dar suporte e ver a mãe que não estava bem e ele conheceria a família da Martha, mas ele ignorou sem dar importância ao fato da mãe dela estar doente.

Em uma das muitas vezes que saímos juntos, ele começou a gritar com a Martha e eu tive que interferir e dizer que se ele não se acalmasse, que eu mesma iria levar ele até a corte. Então ele baixou a voz e não gritou mais.

No início do casamento ele parecia muito gentil, mas depois de uns dois anos ele se revelou grosseiro, proferindo palavras ameaçadoras, de ofensa e desrespeito. Uma pessoa muito nervosa, com muito abuso verbal e Martha ficava nervosa com medo dele em momentos de discussão e ela me chamava ao telefone e tinha que sair de casa por algumas horas até que ele se acalmasse.

Por toda essa situação, Martha desenvolveu problemas emocionais como queda de cabelo, que eu mesma vi, ataques de pânico, perda de memória e crises de ansiedade, levando-a a ir ao médico e a precisar tomar remédio.

A Martha e uma amiga que já conheço há 12 anos e sei que ela e uma pessoa trabalhadora, honesta, boa amiga, boa esposa, boa mãe, boa avo e de boa conduta moral.

Eu declaro, sob pena de perjúrio, que o descrito nesta carta e verdadeiro.

Support Letter for the Visa application of Martha Cardoso de Mattos.

I, Eliete Pereira da Silva Glaze, born on 04/13/1962 in São Paulo. Phone number 434 426-5965, elieteglaze@gmail.com.

I have been friends with Martha since 2018. We started spending time together for birthday celebrations, holidays, outings, and Bible studies at TRBC - Thomas Road Baptist Church in 2023. Our friendship has grown, and I have come to see that she is a very responsible, hardworking, friendly person with good principles, and always ready to serve others. She is a good mother and a good grandmother.

Over time, she began sharing conflicts between her and her husband. Last year, she was very distressed because she could not get in touch with him, as he had gone to Georgia. I then contacted him through Facebook. I started sending messages on Messenger, and he immediately began sending messages expressing interest in my body and making proposals about going out and what he could do with me sexually. At that moment, I immediately identified myself as Martha's friend, who was very worried about him. He then started doubting my words and saying things that made no sense, cursing and insulting me. This continued over several message exchanges for a few days until he blocked me, so I was then unable to save his messages, except for the first one, which I sent to Martha because I was scared.

I declare, under penalty of perjury, that the statements made in this letter are true.

Sou amiga de Martha desde o ano de 2018. Sendo que começamos a sair juntas para comemorações de aniversários, Hollidays, passeios, estudos bíblicos na TRBC - Thomas Road Baptist Church., no ano de 2023. Nossa amizade evoluiu e pude perceber que ela e uma pessoa muito responsável, trabalhadora, amigável, de bons princípios e sempre pronta a servir aos outros. Boa mãe, boa avo.

Ao passar do tempo ela começou a compartilhar conflitos entre ela e o esposo e no ano passado, ela estava muito aflita por não conseguir entrar em contato com ele, pois ele tinha ido para a Georgia. Então entrei em contato com ele através do Facebook. Comecei a enviar mensagem no Messenger e ele imediatamente começou a mandar mensagens de interesse no meu físico e fazendo proposta de sair e o que ele poderia fazer comigo sexualmente. Foi quando eu imediatamente me identifiquei que era amiga da Martha que por sua vez estava muito preocupada com ele. Então ele começou a duvidar das minhas palavras e falar coisas que não faziam sentido, xingando palavrões e me insultando e isso continuou em varia trocas de mensagens por alguns dias ate que ele me bloqueou e então não pude salvar as mensagens dele, somente a primeira a qual eu assustada enviei para a Martha.

Letter of Support for the Application of Martha Cardoso de Mattos.

I, Carmen M. Torreno Gallardo, born in 07/02/1973, Seville, Spain, a naturalized U.S. citizen in the year 2016, telephone number (434) 509-3556, email lucrafluiman@gmail.com.

I met Martha at work, at Wood Wick Candle in Forest, Virginia, 12 years ago, in 2014. She is an honest woman, hardworking, trustworthy and an excellent friend. She has always been there for my children and me. It is a privilege to be her friend.

A few years later, Martha met Dony (Donald Perrry), in the same workplace, at Woock Eick Candle, and they got married in 2020. In 2022, when they finally rented a house for themselves, I noticed that she seemed sad, and I asked if everything was okay. It was then that she told me her husband refused to talk about her status update, and that he would get irritated when she brought up the subject and would say morally offensive words to her.

I declare under penalty of perjury that what is described in this letter is true.

Conheci Martha no trabalho, na Wood Wick Candle em Forest, Virginia, há 12 anos atras, no ano de 2014. Ela e uma mulher honesta, trabalhadora, confiável e excelente amiga. Sempre esteve presente para mim e meus filhos. E um privilégio ser sua amiga.

Depois de alguns anos, Martha conheceu Donny (Donald Perry), no mesmo local de trabalho, a Wood Wick Candle, e eles se casaram no ano de 2020. Em 2022, quando finalmente eles alugaram uma casa para eles, percebi que ela parecia triste e perguntava se tudo estava bem, foi então que ela me disse que o esposo se recusava a falar sobre a atualização de status dela e que se irritava quando ela tocava no assunto e lhe dizia palavras de ofensa moral.

I declare that at the beginning of February of this year, 2026, while we were working, I witnessed an episode of a panic attack and asked her what was happening. That's when she told me she was having a panic attack. She was short of breath and couldn't breathe. After the episode passed, she told me that these episodes had been happening for some years after some problems and disagreements with her husband.

I declare, under penalty of perjury, that what is described in this letter is true.

Hahaha Wow, that's great. The good Lord has definitely blessed me, and the Spirit said I have to give first, so I had to make an offer. That's in the past now. God bless you.
The last time I checked, all of God's creatures were designed as sinners and only for His pleasure. At the end of the day, there is no way to make it using your methods, ways, and actions. It is between you and Him, not between you and me.
With all due respect as my wife, I have to say that you do not have the qualities to be a wife. Never again disrespect the institution [of marriage].

Ah, forget it, Martha, I hate dealing with childish people. Don't worry one bit, I'll never contact you again, ever.
I'm getting my passport because I'm moving to Salvador, Bahia, Brazil, and I was going to offer to buy you a ticket to go see your family, but forget it, I'll do it like I do everything, alone.

Hello, my lovely wife. Hope this finds you well. The Good Lord who made you and me sent your husband, the greatest man on earth, to tell you your happy little life is over. God only protects fools and babies. You were spared until now because you didn't know any better. Not anymore. You keep blaming everyone but the one who's at fault, YOU, Martha. Your husband is a millionaire, set for life, and you're going to face reality right now. You don't get to disappear. You're going back to work. No more free pass; you're going to be a proper wife, the way GOD intended. You, Martha, already have the best health and dental care anyone can get, through me, a retired Gulf War vet. All this can be avoided if you learn fast and do as you're told. If not, Martha, you're going to suffer badly. You still need to confess, but

Say the word and I'll be there in a heartbeat. If you don't, I can't sit here watching you suffer
And believe me, I'm the greatest man alive. I've always been able to have any woman I want, and every man wishes he were me. I was a lamb thrown into a den of wolves and I took down every last one of those sorry bastards
With all that power, I've never mistreated a woman or a man. I always gave first and took the hits from everyone, including you. But GOD says what doesn't kill you makes you stronger, and I'm so far out of your league it's like people don't even speak my language. Guess what: your name's on the throne next to mine, but you'd rather stay a diamond in the rough. I love you, and I'll never want anyone else
One last thing: they've added a caregiver benefit now, so the money you make is going back in your pocket.

Good thing you caught it before you hit the road

If it's too complicated for you, that's fine. I can't leave work whenever I want, unfortunately. They had already given me three days off, and I took the opportunity to ask for one more. I'm not the one who sets the work schedule.
Forgive me once again. But unfortunately, I don't have control over everything; I depend on people who are above me.
What are you even talking about. Why make this so complicated? You're stressing me the hell out. I've got my cards and IDs right here, my benefits are set for life, and you've got the nerve to tell me I don't know what I'm doing. Do us both a favor and go back to Brazil, because this just proves you'll never let your husband take the lead

God bless you.
It ticks me off every time, because the first thing you do is crawl into a corner and play the victim, boo-hoo, like somebody did you wrong. You never own your mistakes or show you've learned anything
We're not getting anywhere like this, and it's putting me through a lot of stress and trauma. You need to understand I've got a disability from Gulf War trauma. We may need to shut this down for good, go our separate ways and make it legal. You don't listen or follow directions. I don't want to be involved with someone like that. That's it.

If I'm ever gonna make a bad move, which I'm not, but let's say I do, guess what: I can do bad all by myself. I don't need you. I can handle that on my own, baby

Morning, Martha. I wish I could say things are okay, but they're not. It's gotten real bad here, and if I don't get out soon, I won't be able to take it anymore.
None of this matters more than getting you the medical care you need. God's been showing me I can't keep putting this place ahead of you and your health coverage. These folks are bleeding me dry and laughing, like all I'm paying for is lousy service, and saying nobody even wants us here. The more I chase a place where I'm not wanted, the more I let your priorities slide. I need to leave as soon as possible, and I need your help. Tell me when I can come pick you up. But I need two days off work to be able to go. I need to give work at least two weeks' notice, but if it's not possible to wait two weeks, I'll say it's an emergency and that I need to go. I've always wanted to help you, Donny, but to survive I work very hard. Whenever I try to tell you this, you get angry and don't understand. I'm alone and I can't live if I don't work hard. But I want to come pick you up and help in any way I can. I want what's best for you, I want to see you happy because I know you're a good man you just haven't found the right place yet.

I’m really going through it right now, one hit after another, and God’s really testing me. At the same time, He’s making it crystal clear I need to get out of here ASAP. I bought a new phone last week and it, along with a few other things, got stolen while I was in the store. I had to pay for a DUI class because of the wreck I had when I first got here. Between that, rent, and some groceries, I’m tapped out. If you could spot me some money, it would help a lot, I’ll pay you back as soon as my check hits. I’m just trying to keep my head up and steer clear of all the wolves circling out here. That’s all I’m running into, and this place just isn’t for me. I can’t wait to get out, and honestly, it feels like you’re the only one who can pull me out of this.

Yeah, Martha, this is going to take some real planning. Honestly, the only way we handle this smoothly is if I move near the VA hospital closest to you, Salem. Your work schedule's too packed for you to be running back and forth to the VA. I get that it feels like something we could knock out in a day or two, but it doesn't work like that. Unfortunately, Martha, it doesn't look like we can pull this off before the 25th, that's the only day I can manage the move. They made me give up Juice, and folks here are riding me because they know I don't know anyone and don't have anywhere to go.

Well Donny, what I can do is go there and pick you up. You know that the cost of living here is lower than in Georgia. That way I can help you. Tomorrow I have to pay $500 just for the lawyer for the case. But I'll have to cancel an appointment and ask for another day off work, because coincidentally I'm only off today and tomorrow, but it's very tight to go to and from Georgia.
What do you think? I also need you

What do you think? I also need you to decide what you want because I'll have to cancel some appointments and ask for an extra day off work.
But don't delay because time flies, and I need to know in advance. Send me a message because now I have to do laundry and other chores that were already planned for my day off.
Here in Lynchburg, it's much easier for me to help you, my love. This is our home, you are my husband, and it's my pleasure to help you.
Martha, is there any way you could cover the lawyer next week? I'll pay you back then. Martha, that money would let me grab a cheap motel room so you wouldn't have to make the trip. Martha, what matters more right now, the lawyer or your husband? Martha, I'm out here on the street and it feels like you're acting like nothing's happening

Martha, you're not helping. You're making it worse with these wild ideas. And I'm never going back to Lynchburg, Virginia. That's not home to me; I left for a reason. Martha, I need help now, I'm on the street.
Martha, feels like I'm always second place with you, like you don't care what happens to me. I'm getting ready to be out here on my own with nowhere to go. You'll be lucky if you ever hear from me again

Of course I care about you, but I don't understand you. One minute you talk about coming back, the next you talk about not coming back. I really don't understand you. What happened here that was so serious that you don't want to come back? Speak honestly, I won't judge you, I won't accuse you of anything. How can I help you if you don't tell me the whole truth? I can't delay the lawyer, it's in the contract clause, the fine is very high. I don't like to be late with my commitments, I saw that our Blue Eagle account is negative, something I abhor. You are very important to me, but it's because I take care of my name and commitments that I have credit and can help you, like when we were going to buy that Mercedes for you and it didn't work out because it had mechanical problems.

I only earn $500 a week, I don't make much money, I don't have any savings, and my mother is helping me pay the bills. Please, Donny, understand me. I want to help you, but I'm financially limited. You know that. On Monday I had to pay $500 to get my car out of the repair shop. It's complicated for me.
I can help you, but within the means I have: a car to pick you up, and shelter until everything is resolved.

Martha, it’s a short-term loan. You’d have your money back next week. What’s not to get? Martha, I’m out here on the street with nowhere to go; I couldn’t be clearer. I’m not about to upend my whole life a week before payday, and I never said I was going back there. This is already a lot on me, and the way this is going is making it harder. I shouldn’t have asked for your help. From here on out, I’ll handle it myself. If I live, I live; if I die, I die. I don't care anymore, nor do I care about anyone else
You already told me that you were thinking of living in Salem or even Virginia Beach, don’t you remember? What’s keeping you there? It’s only for a short time until everything is resolved. When I need someone’s help, I understand that the person has limits and that I can’t demand more than what that person can do for me.
Would you rather pay $500 than
have to pay anything at all? I don
understand this kind of economics

Martha, my dear wife, forgive me for being a thorn in your side. By now you know what this is, another test, and you always meet these tests with grace and come through them with flying colors. Every time, you shed the old and come out of the cocoon an even more beautiful butterfly. I truly believe all of this has been God's way of showing us something and shaping us. I couldn't stay in that place one more minute. And I believe it was in God's plan that my grandson found me out on the street, picked me up, and got me somewhere safe, giving me a new chance at life. I love you, my dear wife, with all my heart.

Olá e bom dia, Martha. Gostaria de poder dizer que as coisas estão bem, mas não posso. A situação aqui está muito ruim e, se eu não for embora logo, não poderei dizer nada.

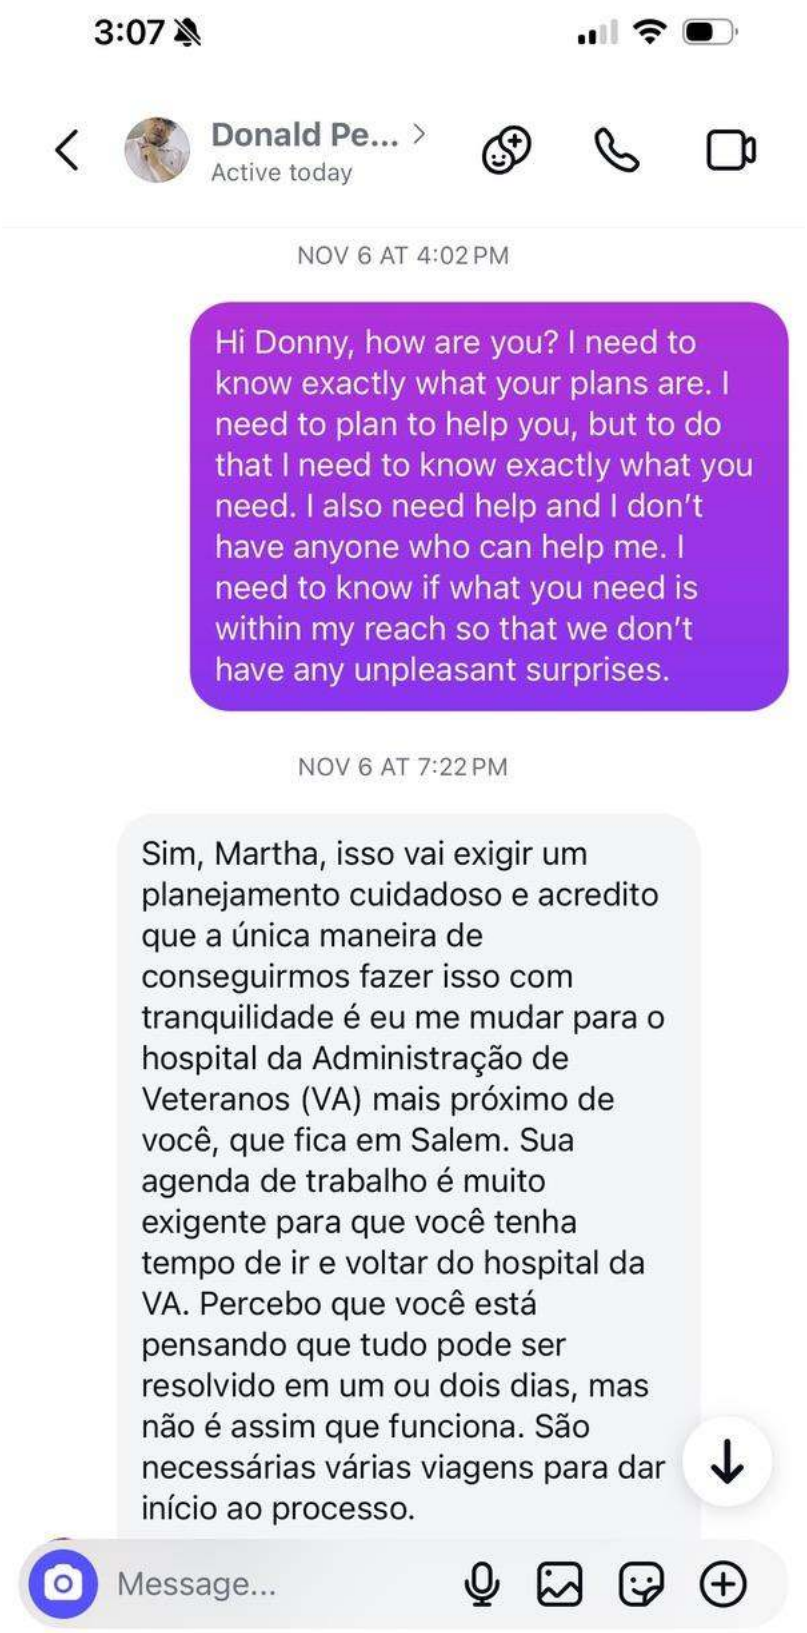

Nada disso aqui é mais importante do que conseguir tratamento médico para você. Deus está me mostrando que não posso mais priorizar este lugar em detrimento de você e do seu plano de saúde. Essas pessoas estão levando meu dinheiro aos montes e rindo de mim, dizendo que só vai pagar por um serviço ruim e que ninguém te quer aqui. Vejo claramente que quanto mais eu me concentrar em um lugar que ninguém me quer, mais eu vou negligenciar suas prioridades. Preciso ir embora o mais rápido possível e preciso da sua ajuda. Preciso me mudar para Salem/ Roanoke ou Richmond, para o bem de vocês dois. Isso me deixará mais perto do Hospital de Veteranos e mais perto de você receber seus benefícios. Deus está me

I've always wanted to help you, Donny, but to survive I work very hard. Whenever I try to tell you this, you get angry and don't understand. I'm alone and I can't live if I don't work hard. Estou passando por um momento muito difícil, um acontecimento ruim atrás do outro, e Deus está tornando tudo um verdadeiro desafio para mim. Ao mesmo tempo, está deixando bem claro que preciso sair daqui o mais rápido possível. Comprei um celular novo semana passada e ele, junto com várias outras coisas, foi roubado enquanto eu estava na loja. Tive que pagar um curso para quem dirigia embriagado por causa do acidente de carro que sofri quando cheguei aqui. Somando isso ao aluguel e algumas compras de supermercado, estou completamente sem dinheiro. Então, se você pudesse me transferir algum dinheiro, seria de grande ajuda e, claro, eu te pagaria assim que recebesse meu salário. Estou tentando me manter firme e longe de todos os lobos que andam por aí. Só encontro lobos aqui e este não é o lugar para mim. Mal posso esperar para ir embora daqui e realmente sinto que você é a única pessoa que pode me salvar.

Sim, Martha, isso vai exigir um planejamento cuidadoso e acredito que a única maneira de conseguirmos fazer isso com tranquilidade é eu me mudar para o hospital da Administração de Veteranos (VA) mais próximo de você, que fica em Salem. Sua agenda de trabalho é muito exigente para que você tenha tempo de ir e voltar do hospital da VA. Percebo que você está pensando que tudo pode ser resolvido em um ou dois dias, mas não é assim que funciona. São necessárias várias viagens para dar início ao processo.

Bom dia, Martha, espero que você esteja bem e se sentindo bem. Como você pode ver, precisei usar minha reserva de emergência novamente, porque dei um sinal para a compra de um carro. É uma venda particular, então tive que dar metade do valor para que ele não vendesse para mais ninguém. Fiquei sem dinheiro de novo, mas pelo menos terei um presente de Natal para mim mesma e começarei o ano novo com uma mentalidade, atitude e foco diferentes, priorizando o bem-estar e um estilo de vida saudável para nós dois. Isso me permitirá ser mais produtiva. Acertarei as contas no próximo

My mother is the one sending me money to help me pay the bills, because after the car accident, I couldn't work for Uber anymore, and everything became a snowball effect. But I'll get paid tomorrow, and maybe I can help you, depending on how much you need. Mary is alone; her partner left, and she's staying here at my house for a while.

Ahhh ok
Well Donny, what I can do is go there and pick you up. You know that the cost of living here is lower than in Georgia. That way I can help you. Tomorrow I have to pay $500 just for the lawyer for the case. But I'll have to cancel an appointment and ask for another day off work, because coincidentally I'm only off today and tomorrow, but it's very tight to go to and from Georgia.

What do you think? I also need you to decide what you want because I'll have to cancel some appointments and ask for an extra day off work.
But don't delay because time flies, and I need to know in advance. Send me a message because now I have to do laundry and other chores that were already planned for my day off.
Here in Lynchburg, it's much easier for me to help you, my love. This is our home, you are my husband, and it's my pleasure to help you.
Martha, tem alguma maneira de você pagar o advogado na semana que vem, quando eu te devolver o dinheiro? Martha, esse dinheiro me permitiria ficar em um motel barato e evitar que você tivesse que viajar. Martha, o que é mais importante: o advogado ou seu marido? Martha, você não está ajudando, está piorando as coisas com essas ideias absurdas, e eu nunca vou voltar para Lynchburg, Virgínia, não é a minha casa, e eu saí de lá por um motivo. Martha, preciso de ajuda agora, estou na rua.
Martha, vejo que você não se importa com o que acontece comigo e me coloca em segundo plano em tudo o que faz. Vou me preparar para ficar sozinha, sem ter para onde ir, na rua. Você terá sorte se algum dia voltar a ter notícias minhas

Of course I care about you, but I don't understand you. One minute you talk about coming back, the next you talk about not coming back. I really don't understand you. What happened here that was so serious that you don't want to come back? Speak honestly, I won't judge you, I won't accuse you of anything. How can I help you if you don't tell me the whole truth? I can't delay the lawyer, it's in the contract clause, the fine is very high. I don't like to be late with my commitments, I saw that our Blue Eagle account is negative, something I abhor. You are very important to me, but it's because I take care of my name and commitments that I have credit and can help you, like when we were going to buy that Mercedes for you and it didn't work out because it had mechanical problems.

I only earn $500 a week, I don't make much money, I don't have any savings, and my mother is helping me pay the bills. Please, Donny, understand me. I want to help you, but I'm financially limited. You know that. On Monday I had to pay $500 to get my car out of the repair shop. It's complicated for me.

Me desculpe, minha querida esposa, por ser um espinho na sua vida, mas a essa altura você já deveria saber que isso é um teste que você sempre supera com louvor, e a cada vez você emerge de um casulo, revelando uma borboleta cada vez mais bela. Tudo isso foi para que Deus nos mostrasse isso. Eu não podia ficar naquele lugar nem mais um minuto, e foi plano de Deus que meu neto viesse me buscar na rua e me levasse para um lugar seguro, me dando uma nova chance na vida. Eu te amo, minha querida esposa.

We met at work in 2023 and in January 2024, I moved to Richmond. Martha told me that her husband had gone to Atlanta, Georgia, and that was when she spent a month and a half at my house to see what it would be like to start over in another city. She is a kind-hearted person with strong moral character, trustworthy, honest, and God-fearing.

I, Raquel de Mattos Guerreiro, born on 03/06/1989 in Brasília – D.F., Brazil, telephone number +55 61 98220-3286, email raquelmguerreiro@gmail.com.

My mother married Dony in 2020, and unfortunately I couldn't attend the weeding due to work reasons. In 2024, when I had already finished the fire academy course, I was able to go to the United States, and that was when I met Dony. Although I was with my mother and Dony for only 5 days, from January 19, 2024, to January 24, 2024, they apparently lived very well. My mother only commented that sometimes he was a little strange, but she did not go into details so as not to worry me. In 2025, when I returned to the U.S. on vacation, that was when my mother told me that he was rude with impolite words. She told me that he had been going back and forth to Georgia with his son and that in the middle of 2024 he left and never returned.

My mother is a hardworking woman, sometimes working two jobs, dedicated and faithful to her obligations. A good mother, a good grandmother, and a good friend.

I declare under penalty of perjury that what is described in this letter is true.

Minha mãe se casou com Donald em 2020, e infelizmente eu não pude estar no casamento por motivos de trabalho. Em 2024, quando eu já tinha terminado o curso da academia do corpo de bombeiros, eu pude ir aos Estados Unidos e foi quando eu conheci o Donald. Apesar de eu estar com minha mãe e Donald por somente 5 dias, 19 de janeiro de 2024 até 24 de janeiro de 2024, eles viviam aparentemente muito bem. Minha mãe só comentava que as vezes ele era um pouco estranho, mas não entrava em detalhes para não me preocupar. Em 2025, quando retornei aos EUA de férias, foi quando minha mãe me disse que ele era grosseiro com palavras deseducadas. Ela me disse que ele estava indo e voltando para a Georgia com o filho dele e que no meio do ano de 2024 ele foi e não mais voltou.

Minha mãe e uma mulher trabalhadora, as vezes atuando em dois trabalhos, dedicada e honesta com suas obrigações. Boa mãe, boa avo, boa amiga.

Notice Type: Receipt Notice

*** ACKNOWLEDGEMENT OF RECEIPT ***

Your complete Form I-589, Application for Asylum and for Withholding of Removal was received and is pending as of 08/16/2024.

You may remain in the United States until your asylum application is decided. Having a pending asylum application with USCIS does not preclude U.S. Immigration and Customs Enforcement (ICE) or U.S. Customs and Border Protection (CBP) from placing you into removal proceedings. If you wish to leave the United States while your application is pending, you must obtain advance parole or, for Temporary Protected Status (TPS) recipients, approval of Form I-512T, Authorization for Travel by a Noncitizen to the United States (sometimes referred to as MTINA TPS travel authorization), from USCIS or you may be considered to have abandoned your asylum application. You must report a change of address to USCIS within 10 days of moving by following the instructions on the How to Change Your Address webpage (https://www.uscis.gov/addresschange). Changing your address with the U.S. Postal Service will not change your address with USCIS.

BIOMETRICS APPOINTMENT AND ASYLUM INTERVIEW NOTICES:

You will receive a notice informing you when you and those listed on your application as a spouse or child dependent must appear at an Application Support Center (ASC) for biometrics collection. You will also receive a notice informing you when you and those listed on your application as a spouse or child dependent must appear for an asylum interview. Those notices will contain instructions for what to bring to your ASC appointment and what to bring to your asylum interview.

WARNING: Failure to appear at the ASC for biometrics collection or for your asylum interview may affect your eligibility for employment authorization and may also result in the dismissal of your asylum application or referral of your asylum application to an immigration judge.

EMPLOYMENT AUTHORIZATION:

You may file a Form I-765, Application for Employment Authorization, based on your pending asylum application 150 days after you filed your asylum application. You are not eligible to receive an Employment Authorization Document (EAD) until your asylum application has been pending for at least another 30 days, for a total of 180 days. 8 CFR 208.7(a)(1). The 150-day waiting period and the 180-day eligibility period, commonly referred to as the 180-Day Asylum EAD Clock, do not include delays that you request or cause while your asylum application is pending with an asylum office or with the Immigration Court. 8 CFR 208.7(a)(2).

Delays requested or caused by the applicant may include:

- A request to transfer a case to a new asylum office or interview location, including when the transfer is based on your change of address;
- A request to reschedule an interview for a later date;
- Failure to appear at an interview or biometrics appointment;
- Failure to provide a competent interpreter at an interview (if required);
- A request to provide additional evidence at or after an interview;
- The submission of large volumes of evidence immediately before an interview that requires a reschedule; and
- Failure to receive and acknowledge an asylum decision in person (if required).

- If you do not receive an initial decision or update within our current processing time, you can try our online tools available at www.uscis.gov/tools or ask about your case online at www.uscis.gov/e-request.

If this case is an I-130 Petition - Filing and approval of a Form I-130, Petition for Alien Relative, is only the first step in helping a relative immigrate to the United States. The beneficiaries of a petition must wait until a visa number is available before they can take the next step to apply for an immigrant visa or adjustment of status to lawful permanent residence. To best allocate resources, USCIS may wait to process I-130 forms until closer to the time when a visa number will become available, which may be years after the petition was filed. Nevertheless, USCIS processes I-130 forms in time not to delay relatives' ability to take the next step toward permanent residence once a visa number does become available. If, before final action on the petition, you decide to withdraw your petition, your family relationship with the beneficiary ends, or you become a U.S. citizen, call 800-375-5283.
If your address changes - If you move while your case is pending, please visit www.uscis.gov/addresschange for information on how to update your address. Remember to update your address for all your receipt numbers.

Return of Original Documents - Use Form G-884, Request for the Return of Original Documents, to request the return of original documents submitted to establish eligibility for an immigration or citizenship benefit. You only need to submit one Form G-884 if you are requesting multiple documents contained in a single USCIS file. However, if the requested documentation is in more than one USCIS file, you must submit a separate request for each file. (For example: If you wish to obtain your mother's birth certificate and your mother's/father's marriage certificate, both of which are in the USCIS file that pertains to her, submit one Form G-884 with your mother's information.)

NOTICE: The information you provide on and in support of applications and petitions is submitted under the penalty of perjury. USCIS and the U.S. Department of Homeland Security reserve the right to verify this information before and/or after making a decision on your case so we can ensure that you have complied with applicable laws, rules, regulations, and other legal authorities. We may review public information and records, contact others by mail, the internet or phone, conduct site inspections of businesses and residences, or use other methods of verification. We will use the information obtained to determine whether you are eligible for the benefit you seek. If we find any derogatory information, we will follow the law in determining whether to provide you (and the legal representative listed on your Form G-28, if you submitted one) an opportunity to address that information before we make a formal decision on your case or start proceedings.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
